## DIRECTORS' AND TRUSTEES' REPORT (CONTINUED)

Year ended 30 November 2016

### Structure, governance and management

#### Organisation

The charity is governed by a board of Trustees which is responsible for formulating the strategies and policies of the charity including the approval of budgets and the annual accounts. The Board delegates the day to day running of the charity to a Management Team within its staff.

The Board of Trustees are also the Directors of the company. All members of the Board give their time voluntarily and receive no benefits from the charity.

#### Recruitment and appointment of Trustees

Trustees are appointed on the basis of their expertise in a particular field. Appointments aim to achieve a balance of needed expertise and experience.

#### Governing document

The charity is constituted as a company limited by guarantee with charitable status, having no share capital. It was registered with the Charity Commission on 18 April 2013. It is governed by its memorandum and articles of association and the policies made from time to time by the Board of Trustees.

The Articles and policies refer to the trustees as both trustees and directors as is their position in relation to charity and company law respectively.

#### Risk Management

The Trustees consider the principal risks to be:

- changes to legal aid law, policy and practice which threatens to reduce ATLEU's annual income;
- its dependence on a committed staff group who have years of experience working on issues facing victims of trafficking and labour exploitation;
- difficulties in finding alternative sources of funding given the reduced capacity of many funders.

Suitable methods of controlling these risks involve taking a proactive approach to raising funds, challenging refusals of legal aid and ensure that management of files is appropriate to maximise this source of income, ensuring suitable levels of collaboration and supervision within the staff team and ensuring that staff members are well networked so as to maximise the possibility of high quality recruitment in the event that staff leave. Beyond these controls, the trustees cannot see how systems and controls can be put in place to further reduce these risks.

## **Objectives and Activities**

### **Objectives**

ATLEU's charity purposes as set out in the objects contained in the company's memorandum of association are to promote the interests of those who suffer or have suffered discrimination, trafficking or any other abuse of human rights, or labour or sexual exploitation by all or any of the following means:

- (a) Providing legal advice and representation;
- (b) Relieving immediate needs whilst obtaining legal advice and representation;
- (c) Contributing to the sound administration of human rights and discrimination law by bringing appropriate legal challenges;
- (d) Commenting on current and proposed legislation;
- (e) Contributing to and carrying out research into relevant issues and publishing the results to the public;
- (f) Training and educating support providers, and providers of front-line services; and
- (g) Promoting public support for relevant protections and fostering understanding of relevant issues in the UK and internationally.

In furtherance of that object but not otherwise, the trustees have power to engage in political activity provided that the trustees are satisfied that the proposed activities will further the purposes of the charity to an extent justified by the resources committed and the activity is not the dominant means by which the charity carried out its objects.

ATLEU's main objectives for the year have been to provide legal representation to victims of trafficking and labour exploitation assisting them to obtain safety, recovery and redress, as well as access to legal aid; to enhance legal protections available to victims; and to increase public, government and other agencies' awareness of issues faced by them.

### **Activities**

The activities carried out in furtherance of these objectives are set out below. In brief, they are as follows:

- Providing legal advice and representation to victims of trafficking and labour exploitation;
- Operating a telephone advice line for those agencies providing support to victims of trafficking and labour exploitation;
- Conducting strategic litigation to enhance victims' rights and convening strategic litigation practitioner groups;
- Raising public awareness on issues affecting victims of trafficking by preparing publications, participating in discussions and debates and conducting training on issues affecting victims;
- Informing the Home Office and other agencies about issues faced by victims of trafficking and labour exploitation.

### DIRECTORS' AND TRUSTEES' REPORT - CONTINUED

Year ended 30 November 2016

ATLEU's principal activities have been carried out at its offices, 232 Hornsey Road, London N7 7LL.

#### Priorities for the current year

ATLEU's priorities for the current year are to:

- continue to represent victims of trafficking in asylum, immigration, employment and discrimination claims as well as claims for compensation against traffickers in the civil courts;
- continue to represent the interests of victims seeking legal aid, including where necessary bringing legal challenges;
- provide information on our experience of representing victims of trafficking to government agencies and parliament, particularly in relation to the Modern Slavery Act and the Great Repeal Bill;
- continue to build relationships with trafficking support providers, and to work to improve provision of legal advice and representation for victims of trafficking in "advice deserts", especially outside London;
- to develop ATLEU's sustainability, including planning and establishing an organisation linked to ATLEU capable of charging privately paying clients of means, with a view to that organisation providing an alternative funding stream to subsidise ATLEU's core activities and to further its objectives.

#### Public benefit

ATLEU's main activities and those whom we try to help are described in greater detail above. The trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Charities Commission.

#### Finance

##### Reserves policy

The directors note that ATLEU carries relatively substantial reserves. However, much of this is in the form of unrealised Work in Progress. The directors' policy is to build up sufficient cash reserves to deal with day to day fluctuations in income and expenditure. They aim to build up sufficient unrestricted cash reserves to ensure that they can continue to operate for 3 months in emergency situations that may arise from time to time. However, as a result of the length and complexities of ATLEU's cases and the time taken to bill files to the Legal Aid Agency it has not yet been possible to achieve this target.

##### Responsibilities of the Board of Trustees

Charity law requires the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the Board of Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is not appropriate to assume that the company will continue on that basis.

---

## ANTI TRAFFICKING AND LABOUR EXPLOITATION UNIT (ATLEU) LIMITED

### Responsibilities of the Directors

The directors (who are also trustees of Anti-Trafficking and Labour Exploitation Unit (ATLEU) Limited for the purposes of charity law) are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepting Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including income and expenditure, of the charitable company for that year.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Plans for the Future

The trustees intend to build on the charity's results by continuing to provide legal advice and representation to victims of trafficking and labour exploitation, including strategic cases.

## INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF

### ANTI-TRAFFICKING AND LABOUR EXPLOITATION UNIT (ATLEU) LIMITED

YEAR ENDED 30 NOVEMBER 2016

---

I report on the accounts of Anti Trafficking and Labour Exploitation Unit (ATLEU) Limited for the Year ended 30 November 2016, which are set out on pages 7 to 14.

#### RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of ICAEW.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts (under s145 of the 2011 Act);
- to follow the procedures laid down in the general Directions given by the Charity Commissioners (under s145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

#### BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

#### INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements:
  - (a) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - (b) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**1 Accounting policies**

**Company Information**

Anti Trafficking and Labour Exploitation Unit (ATLEU) Limited is a charitable company limited by guarantee. The registered office is 232 Hornsey Road London N7 7LL.

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

**1.1 Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)) the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The financial statements are prepared in sterling which is the functional currency. Monetary amounts in these financial statements are rounded to the nearest £1.

Anti Trafficking and Labour Exploitation Unit (ATLEU) Limited meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The trustees are confident of the recoverability of the amount of Work in Progress and Trade Debtors stated in the accounts and on that basis they consider it appropriate to prepare the financial statements on a going concern basis.

**1.2 Incoming resources**

All incoming resources are included in the Statement of Financial Activities when:

- the charitable company is legally entitled to the income
- there is sufficient certainty that receipt of the income is considered probable
- the amount can be measured reliably.

Income is deferred and carried forward to the relevant accounting period where it is received in advance of the period to which it relates.

**1.3 Donated services**

Donated services are recognised as income when the charity has unconditional control over the item. They are recognised on the basis of the value of the gift to the charity i.e. the amount that the charity would have been willing to pay on the open market.

**1.4 Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred.

Costs of charitable activities comprise direct costs incurred in complying with the charity's objectives.

Governance costs include those costs associated with the governance of the charitable company and include independent examination fees.
