**STRUCTURE, GOVERNANCE AND MANAGEMENT**

<b>Type of governing document</b> (eg trust deed, constitution)	<u>Constitution</u>
--	---------------------

<b>How the charity is constituted</b> (eg trust, association, company)	<u>Charitable incorporated organisation</u>
---	---

<b>Trustee selection methods</b> (eg appointed by, elected by)	<u>Elected by the current Board</u>
---	-------------------------------------

**Additional governance issues**

Help in the Community was constituted in April 2016 as a Charitable Incorporated Organisation. The originating trustees were those who were on the steering group of Medway Foodbank.

In the past, Medway Foodbank was part of an organisation called Hope in The Community, but as that organisation was closing its local office, it requested Medway Foodbank be transferred to another charitable organisation.

The Trustees are held responsible for the organisation's finances, as well as setting the strategy and monitoring the performance against that strategy.

Medway Foodbank is a member of The Trussell Trust, which is a Christian Organisation. Therefore the Trustees expect that all those serving on the Board are fellow Christians.

Before anybody can become a Trustee, they must first be able to demonstrate in writing, the skills that the organisation has identified that it needs. This will then be discussed at a Board meeting before the person is invited to come and observe the workings of the Board. If everybody is in agreement, the person will then be asked to become a member.

The Trustees are all volunteers. Medway Foodbank has three paid employees: The Project Manager, Warehouse Manager, and an Administrator, all based in the Food Distribution Warehouse.

**OBJECTIVES AND ACTIVITIES**

**Summary of the objects of the charity set out in it's governing document**

The principal object of Help in the Community is: 'The relief and prevention of poverty, for the public benefit, in Medway and North Kent through: the provision of free emergency food; and partnership with other organisations working to prevent or relieve poverty.'

Help in the Community is the overarching body for Medway Foodbank, which provides emergency food for those who are in need. We are part of the Trussell Trust and therefore use their system for distributing the food.

**Summary of the main activities undertaken for the public benefit in relation to these objects**

Medway Foodbank works with a number of agencies around the Medway Towns who assess those who require food, and provide them with a voucher, which can be redeemed at one of nine centres, situated in churches in Lower Stoke, Strood, Rochester, Chatham, Gillingham, and Larkfield.

In addition, it operates courses on healthy eating, known as 'Eat Well Spend Less', and is a partner in a Lottery Funded Medway wide project known as Medway REAP, which is committed to helping anyone in a hardship crisis.

**Additional details of objectives and activities**

The constitution sets out the rules that Directors of the organisation are expected to follow. A copy of this is given to each incoming member, with an explanation as to what is expected.

Help in the Community is highly dependent upon volunteers, especially within the warehouse and the food centres. The Board and paid staff are highly appreciative of the hard work undertaken by the teams of dedicated volunteers, who give of their time voluntarily each week.

TRUSTEES' REPORT  
For the Year Ended 31 March 2017

---

**ACHIEVEMENTS AND PERFORMANCE**

**Summary of the main achievements of the charity during the year**

Medway Foodbank provided 3 days emergency food on 6117 occasions in the last financial year, which represents a 25% increase on the previous year. 37% of these occasions directly benefitted children.

Clients report that issues with benefits are the most significant reason for their crisis, with low income and debt also significant.

Clients of Medway Foodbank receive personal support and are signposted to organisations that can help them further to resolve their immediate issues and to increase resilience for the future.

Medway Foodbank has also run a number of Eat Well Spend Less courses for clients and the clients of partner organisations and is in the process of extending support through 'Energy Bank' for those with issues relating to utility supply.

Medway Foodbank will extend the number of operating locations to 10 in coming months and will work to increase volumes of both food and financial donations to match existing and predicted future growth in client numbers.

**FINANCIAL REVIEW**

**Brief statement of the charity's policy on reserves**

It is the aim of the trustees to build the charities reserves to the point where it totals three months' worth of expenses.

**Details of any funds materially in deficit**

There are no funds materially in deficit.

**Further financial review details**

The organisation's constitution states that 'The income and property of the CIO must be applied solely towards the promotion of the objects.'

Help in the Community first started trading in July 2016 when Hope in the Community closed (see Structure, Governance and Management). £23,000 was transferred from Hope.

At the same time, we became a partner in a local project called Medway REAP, which provides help and practical support to people in the area. This is a five year project, worth in the region of £10,000 per year.

As this is the first year of trading for Help in the Community, there are no previous figures with which to compare. Plus, this is a nine month year.

**Responsibilities and Basis of the Report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiners Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2017

---

**1 BASIS OF PREPARATION**

**1.1 Basis of Accounting**

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. These accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, and with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), as well as the Charities Act 2011.

**1.2 Going Concern**

There are no material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2017

---

**2 ACCOUNTING POLICIES - INCOME**

**Recognition of Income**

Income is included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

**Offsetting**

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

**Grants and Donations**

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

**Legacies**

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

**Government Grants**

The charity has received local government grants in the reporting period for the Eat Well Spend Less project.

**Tax Reclaims on Donations and Gifts**

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

**Contractual Income and Performance Related Grants**

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2017

---

**2 ACCOUNTING POLICIES - INCOME (Continued)**

**Donated Goods**

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. This valuation is determined by The Trussell Trust.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

**Donated Services and Facilities**

Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

**Volunteer Help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2017

---

**2.1 ACCOUNTING POLICIES - EXPENDITURE AND LIABILITIES**

**Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

**Governance and support costs**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

**Grants with performance conditions**

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions**

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

**Redundancy Costs**

The charity made no redundancy payments during the reporting period.

**Deferred Income**

No material item of deferred income has been included in the accounts.

**Creditors**

The charity has creditors which are measured at settlement amounts less any trade discounts.

**Provisions for Liabilities**

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2017

---

**2.1 ACCOUNTING POLICIES - EXPENDITURE AND LIABILITIES (Continued)**

**Basic Financial Instruments**

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

**2.2 ACCOUNTING POLICIES - ASSETS**

**Tangible fixed assets for use by charity**

These are valued at cost less depreciation. The depreciation rates and methods used detailed in note 9.2

**Stocks and work in progress**

Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock. The valuation of stock held at the year end per kg is determined by The Trussell Trust.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

**Debtors**

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

**Current Asset Investments**

They are valued at fair value except where they qualify as basic financial instruments.

Included within unrestricted "donations and gifts" is an amount of £20,952 from Hope in the Community. This was donated to Help in the Community from Hope in the Community when the charity was formed. Both charities used to trade under the same entity and this is the first year of a split between the two charities. These funds therefore represent the amount of funds held in Hope in the Community that related to Medway Foodbank activities. This type or amount of donation is not going to occur in future years.

14 FAIR VALUE OF ASSETS AND LIABILITIES

Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.

The charity does not enter into debtor relationships, so the exposure risk is low.

Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS 102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.
