Directors and Trustees Report (continued)

For the financial year ended on: 31 March 2017

Review of Financial Position

This year there has been a transfer of a surplus £35,805 to the General Reserve (2016: £0).

Under the Articles of Association, the Council is prohibited from paying a dividend to the members of the company.

Membership of Board

The Board membership is disclosed above in the administrative information section on page 2.

Board members' interests in shares

Trustees of the charity are also directors and members of the company. The company does not have any share capital. Liability is limited by guarantee. Each member agrees to contribute £1 in the event of the company being wound up. They do not receive any remuneration for their services but are reimbursed for out of pocket expenses.

Appointment of new Trustees

The Trustees seek a broad range of skills and experience among their numbers.

When casual vacancies occur, the Trustees seek suitable candidates who are then proposed for election as Trustees and directors by the members of the company.

Reserves policy

The Company has received no endowment income and therefore relies on retained surpluses to meet its future requirements.

The Trustees also consider it prudent to attempt to hold unrestricted and undesignated reserves to meet exceptional and unforeseen contingencies of between one and three months of the resources expended.

Risk management

The Trustees have reviewed and identified the major risk to which the charity is exposed and systems have been established and implemented to mitigate those risks.

Accountants

The directors are satisfied that the company is entitled to exemption under the provisions of the Companies Act 2006 (the Act) relating to the audit of the financial statements for the year by virtue of section 477(2), and that no member or members have requested an audit pursuant to section 476 of the Act.

A resolution confirming the re-appointment of the accountants will be tabled at the Annual General Meeting.

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with requirements of section 393 of the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions applicable to the small companies' regime.

This report was approved by the Board on 22 November 2017 and signed on its behalf by:

These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of Trustees and Accountants

The charity's Trustees are responsible for the preparation of the accounts. The charity's Trustees consider that an audit is not required for this year (under section 43 (2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is our responsibility to:

- examine the accounts (under section 43 (3) (a) of the 1993 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 43 (7) (b) of the 1993 Act); and
- to state whether particular matters have come to our attention,

Basis of independent examiner's statement

Our examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the accounts.

Independent examiner's statement

In connection with our examination, no matter has come to our attention

- (1) which gives us reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act.
- (2) have not been met or to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting policies (continued)

(e) Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities using estimates deemed appropriate by the Trustees on a basis consistent with the use of resources.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management costs.

Management and administration costs are those incurred in connection with the administration of the charity and compliance with constitutional and statutory requirements.

(f) Tangible fixed assets and depreciation

Tangible fixed assets are capitalised and included at cost including any incidental expenses of acquisition. Donated assets are valued at the time of acquisition.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost on a straight line basis over their expected useful economic lives as follows:

Fixtures and Equipment 25% reducing balance

(g) Operating leases

Rentals payable under operating leases are charged to the Statement of Financial Activities as incurred over the term of the lease.

(h) Investments

Investments are stated at market value at the balance sheet date. The SOFA indicates the net gains and losses arising on revaluations and disposals throughout the year.

(i) Stock

Stock consists of purchased goods for resale. Stocks are valued at the lower of cost and net realisable value. Items donated for resale or distribution, are not included in the financial statements until they are sold or distributed.

(j) Finance and operating leases

Rentals applicable to operating leases are charged to the SOFA over the period in which the cost is incurred. Assets purchased under finance leases are capitalised as fixed assets. Obligations under such agreements are included in creditors. The difference between the capitalised cost and the total obligation under the lease represents the finance charges. Finance charges are written off to the SOFA over the period of the lease so as to produce a constant periodic rate of charge.
