Organisational structure

The Directors (Trustees) are responsible for the good governance of the charity. They meet as required, and by electronic means, to review and agree the annual budget, to review and improve the function of the charity and monitor the financial position in line with the budget. The charity is managed on a day to day basis by the Senior Pastor and Finance Manager, both of whom are Directors and Trustees. Significant financial commitments are reviewed and agreed with all Trustees, prior to implementation. Most of the activities and ministries of the church are led by and undertaken by volunteers. There is one paid member of staff in each half of the reporting year, a student Children and Family Worker, who is on a two year degree course with CYM Oxford (until July 2016), a Youth Work Team Leader (from September 2016). The student is employed part-time under a scheme where this charity provides a professional practice placement and benefits from work of the student; the Youth Work Team Leader is a trained professional who will lead the development of our team working with young people across our community outreach.

Review of operations

The charity is a Vineyard Church affiliated to Vineyard Churches UK and Ireland and was established in South Abingdon in 2006 having met together in a small group situation for several years prior.

The principal activities of the charity in pursuance of its objectives are the advancement of the Christian faith, education and training and the relief of the needy. When Abingdon Vineyard was first planted and set up as a charity the vision was it would be a 'church without walls' reaching out into the community demonstrating Christian principles through actions and activities in the community.

The church is therefore focussed on reaching out to the unchurched people of Abingdon and demonstrating the love of Jesus by active participation in the community. In this way the church is committed to teaching and living out our faith in support of people from all backgrounds and stages of life. Through this we are advancing the Christian faith in a practical and relevant way meeting people where they are and providing light and life into their situations.

Review of principal activities

Under the leadership of the Senior Pastor, supported by his leadership team, ministries within the church continue to meet the spiritual needs of members through teaching, pastoral care and fellowship at weekly Small Groups and at Sunday open meetings. We meet each Sunday offering a time of worship and bible based teaching, given by members of our teaching team, expressed in a way that is relevant to daily lives that is. In addition to the adult church we provide separate children's groups with their own worship and teaching in a fun environment. There are always opportunities for personal prayer and plenty of time for social engagement over coffee and refreshments.

On the last Sunday of each month we host our family friendly 'Vineyard Café', with breakfast refreshments and a variety of activities, as an open invitation to the community to enjoy time with us and get to know the Vineyard. All our Sunday meetings and events are free to anyone to make them accessible to all.

Open meetings and other events are normally held at the Preston Road Community Centre, itself a charitable organisation, with which good relations have been developed. The church supports the operation and management of the centre by volunteer help and being represented on the management committee.

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2017**

The church is a member of the Church in Abingdon collective, building relationship with other churches and supporting joint community initiatives.

Small groups - A core part of church life is our weekly small groups. These are the principal place where our members can grow spiritually and develop strong friendships through sharing in bible teaching and prayer for each other in an informal and comfortable environment. Our numbers continue to grow slowly adding new skills and abilities to what we are able to do both inside and outside of the church.

Community and families - The charity continues to make a significant contribution to the local community both as a local church and in the coordination of family orientated activities that open up relationship within the community and provides services to the community. The charity also works with other churches on community initiatives and to make church accessible to the community in its variety of traditions. The charity's 'Storehouse' ministry continues to provide basic household items to families and individuals in need who are trying to establish homes under various personal circumstances. Introductions are through local support agencies or referral and the ministry is well received by the agencies and recipients alike. As with other years the church was able to increase the number of Christmas hampers distributed to poorer families identified by our Social Services with each hamper being matched to the size of the family and each child received a quality toy or gift appropriate their age and gender.

The charity has forged good working relationships with the Police Neighbourhood Team (Police Community Support Officers) and Social Services. The charity, as part of its community outreach, continues to organise and fund the weekly Baby & Toddler Group and South Abingdon Youth Club, the latter runs as a partnership of the Neighbourhood Policing Officers and the Preston Road Community Centre. The charity continues to look at opportunities for partnering or collaborating with other charities that have complementary objects, to enhance the work in the community to the mutual benefit of all parties concerned.

For the community at large the church has organised key family fun events on its own and with other churches. For the third year, the church has teamed up with and supports the delivery of an Oxfordshire Play Association (charity) Play and Activity Day in the local park. The event is free to all and was the first of its kind to be offered in the area, attracting hundreds of local family members. These events are successful in breaking down social barriers and in demonstrating the inclusive nature of the modern church. As well as our own church we extend an invitation to other churches and charities that are active in the area to be part of the event.

Fulfilment of the charity's objectives concerning relief of hardship, our ministry to the needy is both inward and outward facing. We seek to directly support the needy within the church (inward facing) directly through our small group and ministry leaders. Pastoral care, and practical support are provided to anyone according to their need and introductions to outside agencies can be arranged through contacts the church has developed where specialist support is needed. The church continues to support the Christians Against Poverty (CAP) charity through regular donation and offers church contact to CAP clients in Abingdon. We also launched 'Hope Café' that provides a drop in group for depressed or anxious people to come a talk through their issues with others who have suffered similarly.

Youth - The need for organised activities for young people in the south of the town has been a constant challenge in a part of the town where there is little available for them to do. Since its formation at the beginning of 2009 the South Abingdon Youth Club has continued to meet a need for young people of South Abingdon. Through its recreational activities and 'Vineyard Cafe' (tuck shop), offering low cost snacks, the club has grown as a popular meeting place with an average weekly attendance of between 30 and 50 young people. The club does not require any commitment or membership to the church and is available free to any young person in the age group of 10 to 15 years that live in the South Abingdon area.

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2017**

The Youth Club opens every Friday during school term time with a variety of themed activities available as well as traditional games and sport. For young people reaching the age of 15 years an opportunity is provided for on-the-job training as Junior Leaders. The role has a specific Job Description and offers a form of a work experience through a structured itinerary in task leadership and increasing responsibility.

With the addition of our part time Youth Work Team Leader to our staff we are now looking at offering mentoring to selected young people who are at the end or nearing the end on their time with the Youth Club (through age limit). This will take the form of working in groups and with individuals to help change their perspective of life and realise their own potential.

We also offer a 'The Loft' a group for young girls where they can enjoy meeting and talking together about things relevant to their stage of life with food and craft activities for them to enjoy also. Through this work with young people we are able to demonstrate Christian values by the way we support and guide them on their journeys.

Alpha - To provide the opportunity for young people to discover more about the Christian Faith, the church continues run Youth Alpha type courses that discusses the basis for Christianity in an evidential manner. This allows those attending to make their own minds up and to explore as little or as much of the Christian faith as they choose. The church continues to sponsor the attendance of young people at the national Soul Survivor youth Christian festival to join with thousands of other youngsters in discovering more about the faith in a fun inclusive environment.

The church also provides an adult Alpha course as part of a Church in Abingdon annual initiative to provide courses through its member churches.

Training leaders – Our church leaders have received training through attendance at the 4 day Vineyard UK National Leaders Conference that brings Vineyard church leaders and potential leaders together to share experiences and to receive sound teaching through presentations by internationally recognised speakers. The conference brings knowledge, refreshing and spiritual growth that contributes significantly to delivering the objectives of the church. The church has been able to extend training for specific ministries to provide opportunities for leaders to attend relevant conferences, meeting with leaders from other churches to share and learn from the wider group. In-house training has also taken off to develop our leaders and to underpin the objects of the charity. In our Worship Team, we continue to offer the opportunity for younger musicians to be part of our team and play along with established musicians which provides a valuable learning opportunity and builds confidence.

Public benefit

The planning and delivery of the activities of the charity have given full regard to the Charity Commission guidance of Public Benefit. This is demonstrated in the activities of the church in worship, teaching and pastoral support within the church community and the outward focus on what is offered to the community at large. Our youth work, our storehouse and the opportunities for the range of other activities noted earlier are available to anyone regardless of background or beliefs and require no commitment to the church. We are a church without walls, active across the community and investing a majority of our resources in supporting and improving lives in that community. A proportion of our funds go to support church planting in Spain as well as to the national Vineyard Church movement to help bring benefit to a wider range of people.

Further financial review details:

Principle sources of funds

The majority of our funds come from regular donations and people are free to donate or not according to their personal situation. We do not hold collections. Our regular donations are uplifted through the Gift Aid scheme and we are recognised as a Charity for the purposes of Tax.

We have received donations specifically for the Youth Club which is held in a restricted fund.

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2017**

How expenditure supports key activities of the charity

With the exception of our part-time family/youth worker, we do not have any other paid staff. Thus all other expenditure is available for promoting and delivering the objects of the charity. Our main assets have either been donated (prior to incorporation) or have been recently purchased so renewal is accounted for in allowances for depreciation. All venues are hired so there are no maintenance costs. Our overhead costs are therefore low, so as well as delivering our objectives we are also holding reserve funds to cover any lean periods of donation and to support future development of the charity.

Investment policy

We have chosen to place our reserve funds in a low risk ethical deposit account with easy access. Our reserves include funds set aside in a designated fund for Church Development to support the charity's aspirations for growth and the provision of greater access for the community. This is consistent with our objectives of the advancement of the Christian faith, education and training and the relief of the needy.

Risk assessment

The charity is small with minimal paid employees and almost all of the work carried out by unpaid volunteers; the Senior Pastors are also unpaid. Any significant expenditure above and beyond the routine running costs is reviewed by the directors/trustees prior to the expenditure being incurred. Income and expenditure is routinely monitored by the Finance Manager and Senior Pastor for any risk posed.

Statement of Director's responsibilities:

The Charities Act and the Companies Act require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed , subject to any material departures disclosed and explained in the financial statements

The trustees are responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

I approve the attached statement of financial activities and balance sheet for the year ended 31 March 2017, and confirm that I have made available all information necessary for its preparation.

11. DIRECTORS AND OTHER RELATED PARTIES

No payments were made to directors or any persons connected with them during this financial period. No material transaction took place between the organisation and a trustee or any person connected with them.

12. RISK ASSESSMENT

The directors actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The directors have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

13. RESERVES POLICY

The directors have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The directors aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The directors will endeavour not to set aside funds unnecessarily.

14. PUBLIC BENEFIT

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the charity has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/directors of Abingdon Vineyard on the accounts for the year ended 31st March 2017 set out on previous pages.

Respective responsibilities of trustees and examiner

As described on pages 6 and 8, the Charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees are satisfied that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and;
- c) to state whether particular matters have come to my attention.

Basis of independent examiner's statement

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England & Wales in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtain written assurances from the trustees of all material matters.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the trustees requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of recommended Practice: Accounting and Reporting by Charities.

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
