TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2017

Overview of Shekinah and our Purpose and Activities

The Shekinah Mission has been working for the relief of poverty and to help socially excluded and disadvantaged people since December 1992. Initially it concentrated on helping people who were homeless; it now works with anyone who needs our services, which support people who are socially or economically excluded, or disadvantaged. 25 years on, our activities have evolved but our purpose remains the same.

The objects of the charity, as stated in our Memorandum and Articles of Association, are:

"The relief of poverty and sickness and the advancement of education particularly for those who are homeless or otherwise in need, with power to:

- a) Promote health, education, employment and independent living;
- b) Provide support, counselling and advice;
- c) Run social businesses to provide work experience, employment and affordable goods and services;
- d) Promote and support co-operative enterprises;
- e) Develop the capacity and skills of beneficiaries in such a way that they are better able to identify and help meet their needs and to participate more fully in society;
- f) Enter into contracts with public bodies or other parties to provide services which are consistent with those objects;
- g) To encourage those who show an interest to understand and live the Christian Gospel through these activities but without reference to denominational distinctions or peculiarities of Church Government."

We aim to engender feelings of greater self-esteem and self-worth in our clients, thus helping them to help themselves to engage more positively in their communities. Our services are open to all, irrespective of race, age, religion, sexuality, gender, addictions, criminal record, ability or disability.

We are based in the Stonehouse area of Plymouth and also at sites in Torbay, and presently employ 50 staff and 80 volunteers in a variety of projects, including a Drop-in Centre, a 24-hour hostel, education and training services, employability programmes including construction industry training schemes, a horticultural project and two charity shops. We cover all of Plymouth, Torbay and parts of Devon.

Through these projects, we aim to offer the most 'holistic' service we possibly can to those who seek our help, helping them to bring about real and lasting change in their lives. Our clients are dealing with a range of multiple and complex needs including;

- homelessness and rough sleeping
- substance misuse problems
- offenders/ex-offenders
- long-term unemployment
- people with learning disabilities or physical / mental health problems
- people who lack basic skills such as literacy or numeracy.

Since 1992, our service provision has grown steadily and this has been matched by the number of people we have been able to assist each year – typically now 1,200+ individuals, many of whom require ongoing assistance and support and often in a wide variety of ways. We are also able to refer many people to other local agencies, often based in our centres, where they require a specialist service we are unable or are not the best placed to deliver. This includes access to a GP and a blood-borne diseases nurse specialist service.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2017

With our help, thousands of disadvantaged people have, over the years, been able to make real and lasting improvements to their daily lives, breaking in many cases a 'yoke' which has held them back such as social disadvantage, poor literacy, lack of education and/or lack of confidence. Our ongoing work continues to positively impact on the local communities in which we operate in terms of better health, less rough sleeping, lower crime, greater social inclusion, higher employment and less benefits dependency.

We provide a 'one stop shop' holistic service *from the street to employment and stability*, we do this by working closely in partnership with a number of local agencies, some of which operate from our Drop-in Centre on a daily or weekly basis. These include local GP's / CPN's and other healthcare professionals.

OBJECTIVES AND ACTIVITIES

Our projects have continued to provide support services to those in need across Plymouth and Torbay during the 2016/17 year. All our services have continued to be well-used. The practical outcomes produced through the services provided have been those which we set out to achieve, chiefly: better health and nutrition for our service users; less rough sleeping by helping homeless clients to access accommodation; better prospects for securing employment; fewer ex-offenders returning to crime; and an improved sense of self-worth and self-esteem. In comparison to previous years, the numbers of individuals assisted has broadly remained stable across the various services provided.

During this year we have significantly increased the funding we receive from charitable trusts, this allows us to meet our charitable aims without having to have undue regard to what partners in other services want us to do. It allows us to be even more of an independent charity with a voice to advocate for those we work with. During the 2016/17 year, there were no outstanding positive or negative factors of significance which affected the achievement of our objectives.

THE PUBLIC BENEFIT

We have considered the guidance contained in the Charity Commission's guidance on Public Benefit, including the guidance 'Public Benefit: Running a Charity (PB2)' when reviewing our aims and objectives and in planning future activities.

The services of Shekinah are open to all, irrespective of their race, age, religion, sexuality, gender, addictions, criminal record, ability or disability. Shekinah's services bring benefits to a wide section of the local community, particularly the homeless / rough sleepers, ex-offenders, the long-term unemployed, the elderly / disabled, people suffering from addictions, and those with physical or mental health issues.

This report outlines how our achievements during the year have benefited the public either directly or indirectly.

The activities of Shekinah currently take place under the auspices of various projects. At present, these consist of the following:

- A drop-in centre
- The Re:Solve Training project
- Two charity shops
- The 'Shekinah Grow' project in Paignton
- The 'Leonard Stocks Centre' in Torquay, run in partnership with the Langley House Trust
- The employment programme and 'Re:work Socially Responsible Employment Service', run in partnership with Plymouth City Council, Torbay Council, the Re:Solve Training project, and local employers
- Endeavour House in Torquay, a Community Hub
- Shekinah Trading Limited, a social enterprise.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2017

ACHIEVEMENTS AND PERFORMANCE

Our work has impacted on the circumstances of our service users in a number of ways, including: better health and nutrition, improved education, increased employment prospects, less benefits dependency, greater self-confidence and self-worth, and better access to accommodation.

Society as a whole has also benefited through a reduction in homelessness and rough sleeping in the local area, less re-offending, reduced welfare dependency, and less pressure being placed on other local services particularly with regard to healthcare.

This year has seen us further strengthen and develop both local and national partnerships. We have further developed our partnerships with Crisis, On Course South West, Hamoaze House, Langley House Trust, Harbour (drug and alcohol services), PATH (Plymouth Access To Housing) and Homemaker Southwest's Debt Advice Workers. In addition, we have further developed a strong partnership with Dorset, Devon and Cornwall Probation and have run an offender specific pilot using a co-located team based within Shekinah's training centre.

In relation to our local partnerships, we continue to work closely with Plymouth City Council and Torbay Council in all aspects of our work.

FINANCIAL REVIEW

Financial Position

The consolidated statement of financial activities for the year shows the net movement in funds for the year was a surplus of $\pounds 122,258$ (2016: surplus of $\pounds 26,318$).

The Charity's wholly-owned trading subsidiary, Shekinah Trading Limited, carries out non-charitable trading activities for the Charity and all available profits are donated to the charity. However, during 2016/17 no activity took place.

Risk Management

The Trustees routinely review the major risks that Shekinah faces. Management of the various risk elements includes:

- Maintenance and review of risk registers and risk mitigation options;
- Establishment and review of medium-term business plans;
- Establishment of a reserves policy;
- Establishment of annual budgets and bi-monthly review of financial performance;
- Annual review of process controls over key financial systems;
- Financial risk and regular review of the cash position.

The principal financial risks and uncertainties identified by the trustees are as follows: Overdependence on major income sources; lack of understanding of current and impending employment law re. terms and conditions; inappropriate or loss-making non-charitable trading activities; noncompliance with donor-imposed restrictions; fraud or financial error; no cash flow or cash reserves; lack of grant funding or donations to meet key performance indicators. Identified risks are now reviewed bi-monthly by the finance subcommittee of the board.

Factors likely to affect our financial performance or position going forward are: The general economic environment; changes in government policies, particularly with regard to grant funding priorities; changes in company / charity law; Plymouth City Council redevelopment plans; and our continued successful access to charitable grant funding, which is currently increasing year on year.

Non-financial risks identified include death, long term illness or key personnel leaving. Succession planning is high on the agenda.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2017

Reserves Policy

The Trustees recognise the need for unrestricted funds to meet its charitable objects both in the short term and over the longer term.

The Trustees have set a free reserve target of $\pounds 250,000$ in the medium term, which represents four months' run-rate of current costs. The Trustees have also stated an intent that, subject to cashflow and the availability of reserves, future 'windfall' donations (such as legacies) will be invested to form part of the reserves.

Budget for year to 31 March 2018

The Trustees have set a financial budget surplus for the charity in 2017/18 of £16,959.

PLANS FOR THE FUTURE

The charity is established to provide a broad range of services to disadvantaged people, generally in South Devon. We will continue to provide such services, adapted as needed to suit the specific needs of our clients. Future provision will be designed with the ideas embedded in our 2020 strategy at their core. The charity will also remain open to both organic and geographic expansion.

We are now actively planning for a relocation of services away from our Bath Street Plymouth base. Major structural changes on the waterfront in Plymouth will likely mean that we have no choice but to move. This will give us an opportunity for more effective integration of the various services we deliver to the benefit of our clients. This we believe will enable us to provide seamless pathways for our clients to engage within their individual recovery journeys.

The past year has seen a growth in the income we have received from charitable trusts at the same time as we see Local Authority support under more pressure and shrinking. We hope to build on Charitable Trust funding, following the lead of The Leathersellers Company who have made a four year grant to us, Garfield Weston have similarly funded us in a series of generous grants. This can be a way forward for us as well as fundraising from local supporters and church groups. We are working hard to reduce spending on raising funds for the charity and at the same time increase the income raised from this source and have measures in place to ensure that this trend continues.

Close financial management going forward will ensure that we continue to build value at the frontline and reduce costs elsewhere.

Shekinah 2020 Strategy

2016 saw the successful launch of a new strategy for the organisation. It sets out how we want to change over the next four years, and its key features are set out below. What it clearly demonstrates is that we need to focus more clearly on those who have the greatest need, and who are willing to work alongside us during their recovery journey. The target is for 1,000 people to have made significant progress by 2020; this is both a lot of people and less than we normally talk about. The fundamental difference is that we focus our efforts from now on. We do not stop seeing the large numbers of people we see each year (about 1,200), we do though not try to be all things to all people. We limit ourselves to what we are best at, and, through partnership working, signposting others to where they can best receive the support they need. This methodology should be a means to us meeting our 1,000 person target, which will be reported on each year for the next three years.

Our Vision

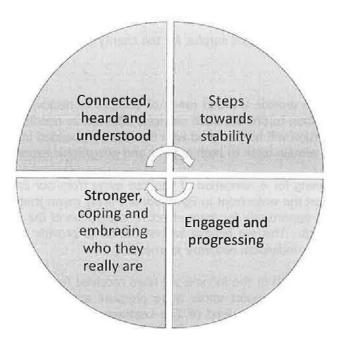

By 2020, Shekinah will have supported at least 1,000 people with multiple and complex needs; we will be recognised for our partnership approach and we will be evidencing that our approach generates sustained saving to the public purse.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2017

Our Mission

We see the person first, so we can work together to enable them to be the person they want to be. To be a voice for individuals with multiple and complex needs. We will achieve this by listening to what they tell us, advocating for what they need and supporting the changes that deliver that.

What does supported mean?

Connected, heard and understood: We focus on the strengths, needs and aspirations of people. History is captured and understood in full, including physical, emotional, spiritual and relationship needs.

Steps towards stability: We work with people as equals to start to build sustainable change in their lives. They are engaged with Shekinah and other partners, and are learning to love themselves and identify their aspirations.

Engaged and progressing: Confronting, sharing and addressing what they identify as challenges, whilst taking responsibility and building on success step by step.

Stronger, coping and embracing who they really are: Achieving goals, making a new story and learning to accept life's ups and downs including setbacks.

Priorities

- 1. **Context:** We understand the emerging challenges so we can identify opportunities that fit with our 2020 vision.
- 2. **People:** We focus on the needs, strengths and aspirations of people. We know the people we support in Plymouth and Torbay by name and we have identified their needs and aspirations.
- 3. **Approach**: We establish support as a simple structured plan based on a natural, honest, ongoing conversation that helps individuals become the person they want to be.
- 4. **Systems:** We establish support systems and processes to review interactions effectively, and capture and report progress.
- 5. **Evidence based:** We base our work on the best evidence of what works, and, when we try new approaches, we research them and share evidence.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2017

- 6. **Progress:** We adopt a proven approach to recruiting, selecting and developing Shekinah staff and volunteers.
- 7. **Clarity:** As individuals, teams and the organisation as a whole, we have a common understanding and we are living a shared vision.
- 8. **Capability:** We have the capacity and resources to bring meaningful relationships and purposeful activity to people with multiple and complex needs.
- 9. **Volunteering:** We have an inspiring volunteer programme that increases our capacity to support people significantly and cost effectively.
- 10. Finance: We raise funding to support existing activities and growth plans.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

Shekinah was established in 1992, and has progressively developed a range of basic services to meet the needs of socially and economically excluded people in Plymouth and Torbay.

Shekinah incorporated on 5 March 2003 as a charitable company limited by guarantee and was registered as a Charity on 8 May 2003. It is governed by Memorandum and Articles of Association, which were last amended on 1 December 2005.

The Company is limited by guarantee and has no share capital. At 31 March 2017, there were 17 members of the Company (2016: 45). In the event of the Company being wound up, the liability of each member is limited to \pounds 10.

Method of Appointment or Election of Trustees

Under the Articles of Association, the number of Trustees shall not be less than three, with all Trustees being retired and eligible for re-election every three years. Those retiring may be reappointed as Trustees. New Trustees can only be elected if they are recommended by a majority of the Trustees and notice is properly executed by a Trustee of their intention to nominate a new Trustee.

Recruitment of trustees is generally governed by skills and knowledge 'gaps' in the Board. Where such gaps are perceived to exist, a candidate or candidates who may be suitable to fill these gaps will be identified, and informally approached to enquire whether a trusteeship of the organisation would be of interest to them. If so, the candidate will be invited to attend a Board of Trustees meeting, where their potential trusteeship will be discussed with the full Board. A formal offer to join the trustees may then be made to the candidate(s).

Policies Adopted for the Induction and Training of Trustees

In recent years the Board has grown from the original four founding Trustees, to the current total of six. This has expanded the overall skill-set and experience available to shape and direct the charity's strategy and to support the management team, particularly in respect of commercial matters. Specific training for the newer Trustees has largely been provided by the Chairman and the Chief Executive; the previously-stated longer-term goal remains - to provide more formalised induction and training packs, thereby making the recruitment and induction of any subsequent trustees more convenient and more reliable.

Organisational Structure and Decision-Making

The affairs of Shekinah are ultimately controlled by the Board of Trustees, which delegates the day to day operation of Shekinah to the management team which is headed by the Chief Executive, Mr. John Hamblin.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2017

With the expansion of Shekinah's services, it was decided 2011/12 to establish a separate Finance Sub-Committee. Membership currently consists of three Trustees plus Shekinah's CEO and the Finance Manager. This, combined with the implementation of monthly budget meetings with each manager, has ensured greater financial scrutiny and risk management for Shekinah.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees (who are also directors of Shekinah Mission (Plymouth) Limited for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company and charity law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure of the charitable group for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable group will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006, They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITORS

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- So far as that Trustee is aware, there is no relevant audit information of which the charitable group's auditors are unaware, and
- The Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any information needed by the charitable group's auditors in connection with preparing their report and to establish that the charitable group's auditors are aware of that information.

In preparing this report, the Trustees have taken advantage of the small companies' exemptions provided by section 415A of the Companies Act 2006.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SHEKINAH MISSION (PLYMOUTH) LIMITED

We have audited the financial statements of Shekinah Mission (Plymouth) Limited for the year ended 31 March 2017 set out on pages 11 to 29. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practices) including FRS102, The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, section 145 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITORS

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charity for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditors under the Companies Act 2006 and section 151 of the Charities Act 2011 and report to you in accordance with those Acts. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the group's and the parent charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implication in our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charity's affairs as at 31 March 2017 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act 2011.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SHEKINAH MISSION (PLYMOUTH) LIMITED

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Act 2011 requires us to report to you if, in our opinion:

- the parent charitable company has not kept adequate and sufficient accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Trustees' report.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

1. ACCOUNTING POLICIES

1.1 Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) – (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Shekinah Mission (Plymouth) Limited meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Preparation of the accounts on a going concern basis

The financial statements report a cash outflow for the charity of £12,275 for the year and £13,635 on a group basis. The Trustees are of the view that this is satisfactory and is in line with expectations. Free reserves have increased from £115,305 to £192,306 during the year and the charity continues to work towards its free reserves policy of £250,000. Therefore, the Trustees believe there are no material uncertainties about the charity's ability to continue for the foreseeable future.

Basis of consolidation

The financial statements consolidate the results of the charity and its wholly owned subsidiary Shekinah Trading Limited on a line by line basis. A separate Statement of Financial Activities and Income and Expenditure Account for the charity has not been presented because the charity has taken advantage of the exemption afforded by section 408 of the Companies Act 2006.

1.2 Company status

The company, which was incorporated in the United Kingdom, is a company limited by guarantee and has no share capital. At 31 March 2017, there were 17 members of the Company (2016: 45). 1.4 Incoming resources

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

For pledges, entitlement is the earlier of the pledge being probable and measurable or the pledge being received.

Donated goods, facilities and services are recognised as income when the charity has control over them, any conditions associated with the donated item have been met, and the receipt of economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time is not recognised please refer to the Trustees' annual report for more information about their contribution.

On receipt, donated goods, facilities and services are recognised on the basis of the value of the gift to the charity. This is the amount the charity would have been willing to pay to obtain the goods, services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017

1.5 Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise of the costs of commercial trading including the charity shops, and the subsidiary company costs. These include the associated support costs.
- Expenditure on charitable activities comprise of all the direct costs and support associated with the provision of the services undertaken to further the purposes of the charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

1.6 Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include head office costs, finance, personnel, payroll and governance costs which supports the charity's activities. These costs have been disclosed separately in note 8 to the financial statements and have been allocated between the cost of raising funds and expenditure on charitable activities on the statement of financial activities.

Leasehold property	-	over the term of the lease
Plant and machinery	20	10-20% straight line
Motor vehicles	.	25% straight line
Fixtures and fittings	-	15-25% straight line

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.13 Taxation

Included within the Freehold Land and buildings net book value is £565,622 for the charity's Head Office. This property was formally valued in April 2014. The market value was considered to be £175,000. Given the present uncertainty surrounding redevelopment plans for the local area this would substantially positively impact any valuation and therefore the Trustees feel the basis cost minus depreciation is justified.

15. CONTINGENT LIABILITY - VAT

As at 31 March the charity was in discussion with HMRC regarding the treatment of Input VAT. The treatment of Input VAT is complex within the charity and this matter has not yet been resolved.

On taking professional advice it is considered that there is likely to be a material amount payable to HMRC once the matter has been resolved.

It is not possible to reliably quantify this amount at the date these accounts have been released for approval.

16. CONTINGENT ASSETS – LEGACY INCOME

As at 31 March 2017, the charity had been notified of two residuary legacies the value of which is uncertain as the executors are awaiting confirmation of other claims on the estates; but they are unlikely to exceed £25,000. As at 31 July 2017, no further information had been received, therefore these legacies have not been accrued.
