Calcutta Rescue Fund

Annual Report 2016-2017

Our income in 2016/17 was significantly in excess of that raised in a typical year due to receipt of some very large donations during the course of the financial year. We remain humbled by, and hugely grateful for, the generosity both of new and longstanding supporters who have enabled us to continue to provide essential financial support to Calcutta Rescue in Kolkata (CRK).

In aggregate we received £200,104 in both restricted and unrestricted funds. In total, during the course of the year, we remitted a total of £83,472 to CRK in unrestricted funds and a total of £20,431 in restricted funds. Our restricted funding was principally to support CRK's HIV work which we have been able to do for many years due to the very generous support of one long term supporter.

Once again, due to time constraints of the trustee group, there was no single high profile fundraising event organised during the course of the year so as it was a quiet year from that perspective although we continue to be delighted by the number of successful fundraising initiatives which were organised not by the trustees themselves but by the much wider group of both long term and recent supporters of CRK. A substantial fundraising event in the UK has been scheduled for May 2018.

We have been delighted to welcome Jaydeep Chakraborty as the new Chief Executive of CRK. Jaydeep brings a wealth of experience gained through a career which has encompassed both the for-profit and not-for-profit worlds in the UK and in India. We have worked closely with Jaydeep during the course of the past few months since his appointment and have been extremely impressed by him and by his work and have been delighted by the impact that he has managed to have at Calcutta Rescue, not least in helping to ensure much needed stability, leadership and vision, in such a short space of time.

One of Jaydeep's first tasks as Chief Executive was to organise and lead the International Meeting of Calcutta Rescue support groups from around the world which was held in Kolkata in February of 2017. This was an excellent meeting which, as ever, helped to inspire and energise CRK's many supporters to continue with their activities of fundraising for, and promoting, CRK's work and provided a great opportunity to catch up with the work in Kolkata and to meet old and new friends. Nine UK representatives made the journey to India to attend the meeting (all of the costs of the trip were met in full by the individuals travelling as always).

We are also delighted that the clinical fellowship, which was established with support from the UK in 2016 to provide an opportunity for a volunteer doctor to work with CRK's staff on improving all aspects of the medical care offered to patients, has proved to be a very valuable asset for the team in Kolkata. Our first clinical fellow, Amy Dehn Lunn, has acquitted herself brilliantly during her time in post and we are hugely grateful to her for her efforts.

Under the excellent leadership of Sean Duggan, the UK support group has made a big push this year to seek to build on previous efforts to fully engage with the Non-Resident Indian (NRI) community in London to help with increasing outreach and fundraising. This has taken the form of the establishment of a sub-committee, the British Indian Group, which is populated by a range of enthusiastic new NRI volunteers who are using their perspective, support and wisdom to help to make this push as successful, as wide reaching and as impactful as possible.

As in the past, our wonderful team has produced two excellent and high quality printed newsletters for our supporters and continue to seek to use our website and other forms of social media to seek to keep new and existing supporters informed with news of Calcutta Rescue's work and achievements.

Finally, and as ever, my very sincere thanks to all volunteers, donors (both in terms of time, money and other valuable resources), supporters and friends of Calcutta Rescue who have given so generously of their time, money and encouragement to enable us to continue in our mission to offer help and hope to the very poorest of Kolkata.

Angus Kirk Chair of Trustees 18 November 2017
