CHAIRMANS REPORT**

2016/17 has once again been a very challenging year within the HCDP, we have continued with our training programmes for the placements and volunteers within the various projects we run, and they continue helping us raise some of our much needed funding under difficult circumstances.

Because of the continuing battle to raise funds we have many difficulties supporting the local communities charity and although we have the support and the hard work of all our staff volunteers and placements it is still virtually impossible to raise enough money to keep the charity in the manner we are accustomed to.

The projects we are involved in are unique to our organisation and the position and reputation we hold in the community is being upheld through the dedication and hard work of the management, staff, volunteers and placements.

I would like to offer my thanks to all that have assisted the HCDP be it with time or with donations of money making it possible for us to carry on and helping us to make 2016/17 a fought for but another fairly successful year for the organisation.

MANAGERS REPORT

We have had another incredibly difficult year; we have found it very hard to obtain funding but with the dedication of a great team we have managed to survive all the problems that have been thrown in our path.

The gardening and decorating service have carried on regardless, our thanks go to Steve Paul, and Mike, plus the various volunteers and placements, they have worked extremely hard to achieve this, and although the weather has made it very difficult to plan the garden rota, they have persevered and brought in a steady income that has helped with the upkeep of the vans and the tax and insurance that has to be paid.

Marrianne our Welfare Rights supervisor has managed to keep things going even though there have been many changes to the benefits system. Stuart D. Patty and Denise have continued to volunteer so between them all the Welfare Rights Service has continued to grow and develop.

A special vote of thanks must also be given to Julie, Jeannette, and Caroline between them they have managed to keep the kitchen going under very difficult circumstances and are a great asset to the centre. I would also like to offer special thanks Margaret, Jenny and Mark for all their countless hours of dedication and to all the placements that have passed through the kitchen without them it would not be possible for cafe to carry on with the work involved.

I must also offer my thanks to Chris, Andy and Karen for the countless hours they have volunteered in the office also Neil, Bill and Paul for keeping the front reception manned.

Special thanks also to all our regular volunteers in the garden/decorating projects Wayne, Alan, Steven I. Dave & Chris they do a fantastic job keeping the projects running also a thank you to all the placements that have passed through our doors this last financial year.

I would also like to thank our resident ghost hunter Rachel; she has dedicated many hours of her time and brought in much needed revenue.

If I have missed anyone off my list of thanks I offer my apologies now and hope they continue to assist us in our endeavours to help as many disabled & vulnerable people as we can in the future.

The second hand shop and tombola continue to bring us a little revenue and I would like to thank all the people who have donated furniture, bric-a-brac and clothes to help us raise funds.

We all continue to be happy in our work and even though there were quite a few ups and downs along the way we always manage to carry on and keep smiling regardless of what is thrown at us.

COOKS CAFE REPORT

Once again we have managed to carry on with our task of offering our customers good healthy, fresh home made food we have continued to do our very best and hope to carry on regardless.

We are very proud that we have been upgraded on our scores on the doors and now hold a very respectable 3. We have continued working towards high levels of cleanliness and hope that we can maintain this throughout the centre.

Our customers remain loyal and we have continued to grow and we have noticed most of them bring family and friends. The great atmosphere in the centre also draws people into our fold.

Our regular Tuesday group have passed comments on the food and friendliness which are usually good, of course we get the odd grumpy customer but the courteous manner in which we deal with complaints soon has them smiling again.

All the volunteers and placements make it a really enjoyable atmosphere to work in and most of us come to the centre and leave at the end of the day with a smile on our faces.

I would once again like to take this opportunity to thank all the volunteers and placements that have enabled me to carry on with the good work in the kitchen.

**Julie Hall.
Kitchen Supervisor**

DECORATING PROJECT REPORT

I continue to run the project dealing with client's requesting help decorating their homes also I have helped with the gardening project when needed, to date we have been successful in all our endeavours to assist our customers.

Once again it has been quite a difficult year for the decorating project but with the help and dedication of our regular volunteers and placements we are managing to hold our own.

We continue to work with the Humbercare Project dealing with the homeless people of our community; this has allowed us to carry on even though the number of decorating jobs has decreased over the last year.

We are currently working hand in hand with Humber Care, City Safe, the Fishermen's Mission, British Legion and the local Welfare Support Services, Sanctuary Housing and various other groups too numerous to mention, the agencies refer clients to us that are in need of our help and assistance.

We have carried on working with Work Solutions they continue to refer placements on a 26 week training course this in turn leads to many of them returning as volunteers.

The income we earn is on average £50:00 per day, and although we have managed to keep this price even though there have been several price rises i.e. diesel insurance and the Government Taxation on the vans. The money is ploughed back into the organisation and covers all costs that are generated by the project.

I would personally like to thank all the placements and volunteers that have helped me during the last financial year.

GARDENING PROJECT REPORT

The aim of the project is to offer our clients a regular garden service preferably on a 4 – 6 week rota, once again we had a lot of problems caused by the adverse weather conditions making it virtually impossible to keep to the rota plan we had set ourselves but we continue to soldier on helping as many vulnerable people as possible.

I have worked alongside various volunteers & placements dealing with our client's requests for their gardens to be kept in a clean neat state, we have also branched out into fence painting and various other forms of outdoor maintenance.

We have been working with the Fishermen's Mission, British Legion, Humber Care and the local Welfare Support Services; they refer clients to us that need our help and assistance. We also work hand in hand with the Homeless project and HCC tidying gardens and removing rubbish.

The income we earn is on average £35 this is ploughed back into the organisation and covers some of the costs that are generated by the project.

Sadly up to now it has been a difficult time for the gardening project but with all the help and perseverance of our volunteers and placements we hope to be able to continue offering our services to the local vulnerable members of the community in the future.

I would like to offer my thanks to all the placements and volunteers that have helped me throughout the year.

Paul
Gardening supervisor.

Welfare Rights Report

The Monday 'drop in' service has continued to be well used.

The change from DLA to PIP has created many problems for a great number of our clients, with many of them losing much needed benefits, because of this the work load has increased but we have continued with our help and assistance over the last year.

Along with the change to PIP there has now been a change from income support to Universal Credit which is also causing many problems for some of our clients. All our staff and volunteers that are involved in the Welfare Rights Project have been on various courses to keep them up-to-date with all the changes to the system.

The number of clients has increased and because of the new benefits system we are receiving more referrals from the Job Centre Plus, Britannia House and Market Place. These are usually for assistance with form filling or ringing the DWP regarding new claims.

I would like to thank Stuart, Patty, Denise, Stuart H. and Karen for their invaluable assistance in the last year. It has been a very busy and unusual year for the Welfare Rights Project, but we continue to learn and grow which enables us to help all of our vulnerable and disabled clients.

Financial review

TREASURERS REPORT

Once again we have had a great deal of expenses over the last financial year mostly due to the unexpected costs that came with cold winter and high winds making it very difficult to keep the centre warm.

We have also had problems with the gardening project this is due to all the adverse weather conditions. Once again the decorating service has been very slow this year, so the income from both projects has dropped, but our volunteers and placements have persevered and tried their very best to bring in some much needed revenue. The café continues to thrive and thanks to the dedication of the staff, volunteers and placements has continued to bring in much needed revenue.

I would like to thank Pat and Chris for all the sterling work they have put into the organisation over the last year, also, all the support staff for their invaluable time and efforts throughout the year that has enabled me to present these accounts to you.

I would also like to thank our Welfare Rights team, the Kitchen staff, the Gardeners and Decorators also the Reception & Admin staff that have once again proved that a good team works well together to get over any problems that occur along the way.

Fundraising through the Ghost Hunts has added a much welcome bonus to our coffers thanks to Rachel and other members of her team for all the dedicated work throughout the year.

The financial year covers the period from 1st April 2016 to 31st March 2017.

I would also like to thank all those who very kindly gave donations in money goods and time to make this year although not very profitable; their help has enabled us to survive.

Statement of Trustees' Responsibilities

The Committee of Management, who are also the directors of Hull Council of Disabled People for the purpose of company law, are responsible for preparing the Trustees Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Committee of Management to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the Committee of Management are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Committee of Management are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. INDEPENDENT EXAMINER'S REPORT**

TO THE COMMITTEE OF MANAGEMENT OF HULL COUNCIL OF DISABLED PEOPLE

I report on the accounts of the charity for the year ended 31 March 2017, which are set out on pages 10 to 17.

Respective responsibilities of Committee of Management and examiner

The Committee of Management, who are also the directors of Hull Council of Disabled People for the purposes of company law, are responsible for the preparation of the accounts. The Committee of Management consider that an audit is not required for this year under section 144(2) of the Charities Act 2011, the 2011 Act, and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
