### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2017

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2017. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

The Church Schoolmasters and Schoolmistresses Benevolent Institution (CSSBI) was established on the 2nd January 1857, becoming a charitable company limited by guarantee in June 1894. It is governed by Articles of Association which were last amended on 11 May 2011.

#### **OBJECTIVES AND ACTIVITIES**

#### Objectives and aims

The objectives for which the charity is established are to provide for necessitous present or former teachers/lecturers and those in teacher training who are members of the Church of England or of another recognised Christian denomination by giving financial assistance in times of affliction, disablement or other misfortune, and on their demise to provide for their financial dependents, such financial assistance to include (but not be limited to) assistance towards the cost of subsistence and education in each case anywhere within England and Wales.

We are extremely grateful to those members and friends who continue to support us and in particular our Patron, HM The Queen.

We always require more funding and for anyone wishing to make a donation a form is available by post from our registered office, or on our website at www.cssbi.org.uk. We are able to reclaim tax from HM Revenue and Customs on all donations made under the Gift Aid Scheme.

#### Public benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. The scope of the Charity was revised in May 2011. We aimed to widen our remit without causing detriment to the current beneficiaries. We agreed that when considering applications for assistance we would use the Churches Together in England and the Churches Together in Wales documents listing recognised Christian denominations.

#### ACHIEVEMENT AND PERFORMANCE

#### Charitable activities

Applications for assistance are increasing and we have been able to help a wider range of people. The number of applications has increased by 25% in the 2016/2017 financial year. Our website www.cssbi.org.uk is continually reviewed and updated. Visitor numbers to this site are down on the previous year. Over half the visitors to our website have either been through direct hits to our website or through the Turn2us website.

We have raised awareness of the CSSBI by contact with organisations such as the Church of England and Catholic Dioceses. The 46 Church of England Dioceses in England and Wales are being contacted and CSSBI have been included in some of their 'E' Bulletins and newsletters. We have also featured on the Turn2us charity website under their Grants Spotlight. Our advertisement in the Church Times produced an immediate response.

#### FINANCIAL REVIEW

#### Financial position

Details of the fixed assets are set out in the accounts.

The charity has reserves of £2,909,700 at 31 March 2017 (2016: £2,686,922). The CSSBI directors continue to take advice of a suitably qualified Independent Financial Adviser in order that the reserves are kept in a manner suitable for use by the charity.

#### Principal funding sources

The principal funding source for the activities of the charity will be the income and/or growth of the combined total of the cash on deposit and the investment portfolio.

### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2017

#### FINANCIAL REVIEW

#### Investment policy and objectives

The investment policy agreed by the trustees of CSSBI is:

- 1) to hold some 20% of the combined cash and investment portfolio on deposit for both normal running costs and the distribution of grants to the value of £70,000 per year averaged over three consecutive years.
- 2) for the remaining 80% to be invested in a broad spread of assets combining both fixed interest and equity based holdings with a geographical split that would represent a realistic approach to investment risk and reward.
- 3) to maintain the target for capital growth as being 3.5% plus the Consumer Price Index, now 2.3%, for the coming year. Overall a balance continues to be sought between capital growth and the potential for income generation.
- 4) for cash deposits to be maintained as far as is viable, bearing in mind the very low rate of interest being applied to our accounts.
- 5) that the monthly trustees meeting will review the cash deposit levels and investment capital values alongside the political landscape as it changes.
- 6) that all variations in the value of grants awarded, running costs and inflation will be reviewed against a benchmark of a three-year average and appropriate action taken

The CSSBI is in a good position financially to help those in need, with established procedures to ensure that all transactions and projects are properly authorised.

#### **FUTURE PLANS**

We strive to improve our publicity and communications. We look at marketing activities regularly and continue to make our charity more visible to a greater number of people.

We are still members of the Turn2us Charity user group and enjoy the benefits of updates on changes to rules affecting benefits and grants, and of finding out how other small charities raise awareness of their charities.

We are currently discussing updating our website. We have been advised to update to a more secure and robust version of the software that works responsibly and adapts and resizes to display correctly on desktops, tablets and smart phones. At the same time, we hope to make changes to the design of our website by using new graphics and wording in order to reach a wider audience.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

#### Recruitment and appointment of new trustees

The CSSBI Council Members are all guarantors in a sum not exceeding £l each. New members are recommended to the CSSBI Council by current members or by local clergy. It is preferable, but not altogether necessary, that they have an educational background. The Council must approve the nomination before the person takes up the responsibility of a trustee.

Approved by order of the board of trustees on 27th November 2017, and signed on its behalf by:

Miss D Bell - Trustee

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CHURCH SCHOOLMASTERS AND SCHOOLMISTRESSES' BENEVOLENT INSTITUTION

I report on the accounts for the year ended 31 March 2017 set out on pages five to fourteen.

#### Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

#### Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

#### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
  - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
