

Congo Children Trust Annual Report 2016-17

The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

During the year 2016-17 the trustees continued to focus on supporting fundraising activities by groups and individuals including schools, churches, concerts, sponsored events, talks and festivals.

Congo Children Trust made both monthly maintenance grants and occasional one-off grants to the Kimbilio Project for street children in Lubumbashi, Democratic Republic of Congo.

Income

The trustees are grateful to the following trusts:

- The Just Trust, The Fielden Charitable Trust, CAM International and First Step Intiative.
- Retrak made substantial grants towards reintegration work in the course of the financial year and we are particularly grateful to them for making it possible for this aspect of the Kimbilio Project to be a successful one.

Changes in volunteer office staff just before the start of the financial year and shortly after the start of the year respectively as Jayne Storey and Howard Jones moved on to full-time employment and Generation Trust funding came to an end meant that there was less time available to apply for grant funding at the start of the year. Both gave a great deal of energy, hard work and commitment to CCT. We are also extremely grateful to Eva Walters for stepping into the breach as a new volunteer and in 2017-18 income is expected to rise considerably following a SKY news report and as grant funding caught up after a short hiatus. A further reason for lower income in 2016-17 was a delay in applying for gift aid payments. A substantial sum in gift aid payments was received from HMRC early in 2017-18.

A substantial body of regular donors continue to support the charity via standing orders ensures that funds are available for grants for costs of food and utilities. In addition, the trustees owe particular thanks to the following churches and organisations:

- The congregations and church councils of St Andrew, Lowestoft; St Andrew, Hadfield; St Michael and All Angels, Cosby; St Paul Oldham; Horwich Evangelical Church; Wesley Methodist Church, Chester; Central Exeter Parish; St Michael Helston. The College of the Resurrection, Mirfield; St Columba by the Castle, Edinburgh; St Paul, Withington; Hillheads Community Church, Monkseaton; Christ Church, Harpurhey; All Saints, Allerton; Holy Trinity, Warrington; St Helen's, Wheathampstead
- Wolverhampton Rotary Club, Deo Gratias Choir
- Kent College, Pembury; Woodhouse Primary School, Brighouse

Funds were once also raised directly through the sale of Christmas cards and bags and other artifacts made from Congolese fabric at Greenbelt Festival, the Africa Oyé Festival and a number of church and community fairs and events. The trustees owe especial thanks to Elizabeth Allen and Gill Venton for their ongoing and tireless volunteer work on this aspect of fundraising activities which has focussed on money for the girls' sewing project in Lubumbashi. Gill Venton was able to visit Lubumbashi in the course of the year, funded by FSI and she worked with the girls sewing project as part of her input.

Global Giving continued to be a particularly helpful online fundraising tool in the course of the year.

Expenditure

The bulk of Congo Children Trust's financial support continues to be provide for the day to day running of the Centre Kimbilio and Maison Kimbilio, a day centre for street children and accommodation and support provision for former street children, respectively. The Boys' and Girls' houses at Maision Kimbilio were fully up and running in 2016-17. In addition, grants were made to the following specific projects:

- Further grants were made to complete the refurbishment of the Boys' Transit House.
- Congo Children Trust has continued to work alongside Kasumbalesa Border Post (previously Katanga Business Post) in the running of Transit Filles, the girls' transit house.
- CMS provided substantial funding towards the completion of the chapel building at the Maison Kimbilio site.
- Grants were also made for the first phases of construction of a perimeter wall at the Maison Kimbilio site which will increase security considerably

Ian Mullens, who had been working with CMS funding at the Kimbilio Project returned at the end of April and spent some time touring UK churches with report of his work in DRC and fundraising.

Through most of the year 2016-17 the Trust continued to have low UK running costs and we are extremely grateful to the Rev Robert Boulter and the St Margaret's Centre, Whalley Range, Manchester for giving use of office space free of charge.

The Kimbilio Project UK director Ian Harvey worked two days a week on a mainly voluntary basis with some support donated to restricted funds specifically for that purpose. His activities involved communicating with supporters and volunteers in the UK, including emails, newsletters, visits and talks to supporter churches and groups. He also maintained regular contact with the volunteers and staff at the Kimbilio Project. Further office support was provided by volunteer Eva Walters and in May and June by Calum Morris, a work placement student on the International Development Studies Programme at the University of Chester.

Some outlay was made on renewing publicity materials in 2016-17.
