Objects and activities of the charity

The purposes of the charity as set out in its governing document.

The main objects of the Law Centre are the relief of financial hardship by the provision of free, independent legal advice and assistance to persons who, through lack of means, would otherwise be unable to obtain such advice; to advance education in the laws of England and Wales from time to time in force for the public benefit; and to advance such other charitable purposes as the directors at their absolute discretion may from time to time determine.

The main activities undertaken in relation to the charitable purposes and public benefit during the year.

The Law Centre has provided a specialist quality assured legal casework service representation and advice in the following areas of social welfare law: Community Care, Education, EU rights, Housing, Immigration & Asylum, Public Law and Welfare Rights.

Our housing work is primarily focused on assisting those with access to housing, homelessness, housing conditions and possession action. In addition we have seen a steep increase in those seeking our assistance due to forced out of borough placements following the introduction of the Localism Act. We regularly represent client at the County Court to defend against possession proceedings.

The main areas of welfare benefits work are representing clients at appeals to the first or upper tribunal. These appeals are largely in respect of people impacted by welfare reforms such as the benefit cap, reduced housing allowance as well as increased sanctions. Our immigration work concentrates on asylum and trafficking cases.

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

Trustees' Annual Report for the year ended 31 March 2017

The main achievements and performance of the charity during the year.

We have a success rate of approximately 80% across all areas of our work despite the fact that the cases that come to the law centre are often the most complex and which have been unresolved by other agencies. The past year has been one where we were delighted to shortlisted for an award as Legal Aid Firm of the Year in the Legal Aid Practitioners Group annual awards. The Law Centre was also named as the Harrow Mayor's Charity of the Year.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The trustees are appointed having regard to the specific skills that are required for the governance of the charity. In view of the size of the Centre, the trustees consider that they have a wide range of experience that is suitable for the governance of a charity.

The charity's organisational structure.

Trustees of the Law Centre are elected to serve for a period of 1 year after which they must be re-elected at the next Annual General Meeting. Currently there are 5 members and the Board is looking to recruit further trustees in the coming year. The Trustee Board of the Law Centre met quarterly over the past year. Existing trustees are familiar with the practical work of the Law Centre having visited the centre and taken part in fundraising events. In addition a staff member is invited to the Trustee board to present their work on a rolling basis. The trustees have appointed a full-time director to oversee the staff team and the day to day running of the Centre.

The charity as a part of a wider network.

Harrow Law Centre is a member of the Law Centre Network (LCN) which is an umbrella organisation to all Law Centres in the UK. In addition the Law Centre is part of a network of organisations that have come together to provide advice and support to EU nationals under the Living Rights Project funded by the EU.

Financial review

The charity's financial position at the end of the year ended 31 March 2017

The financial position of the charity at 31 March 2017 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2017	2016
	£	£
Net income	11,941	14,643
Unrestricted Revenue Funds available for the general purposes of the charity	29,099	16,658
Restricted Revenue Funds	2,040	2,540
Total Funds	31,139	19,198

Financial review of the position at the reporting date, 31 March 2017 .

The accounts reflect the current financial difficulties affecting much of the voluntary sector, however the Law Centre has managed to balance the books for the year end. The Law Centre has increased its income over the last year and shows a small increase in reserves. Income from legal aid has increased by approximately 35%.

Policies on reserves.

The trustees have set a policy to maintain reserves at a minimum level required if the Centre was to cease operations. At present the trustees assess the charity as a going concern and therefore do not envisage that reserves to cease operations would need to be called upon in the near future.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Plans For the Future

Summary of plans for the future and the trustees' perspective of the future direction of the charity.

The main aim for the Law Centre is to continue to meet the demand for legal advice locally. We expect the demand to continue to increase with further welfare reforms. We therefore aim to increase provision for representation at Tribunals in Welfare Benefits cases.

Trustees' Annual Report for the year ended 31 March 2017

Statement of the Directors Trustees's Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) .

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that , on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2017

I report on the financial statements of the charitable company on pages 10 to 27 for the year ended 31 March 2017 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2015 (The SORP), under the historical cost convention and the accounting policies set out on page 16.

Respective responsibilities of the Trustees and the Independent Examiner

As described on page 6, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under any legal provision, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under Section 145 of the Act;
- b) follow the procedures in the General Directions given by the Charity Commission under section 145(5)(b) of the Act and;
- c) state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commission under section 145(5)(b) of the Act, setting out the duties of an Independent Examiner in relation to the conducting of an Independent Examination. An Independent Examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the Independent Examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that :-

Harrow Law Centre

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

The gross income of the charitable company in the year ended 31 March 2017 appears to exceed the sum specified in Section 145(3) of the Act, namely £250000, and that I am qualified to act as Independent Examiner in accordance with that section by virtue of my being a qualified member of The Chartered Institute of Management Accountants;

This is a report in respect of an examination carried out under 145 of the Act and in accordance with General Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements :-

to keep accounting records in accordance with Section 386 of the Companies Act 2006 and Section 130 of The Charities Act 2011;

to prepare financial statements which accord with the accounting records and comply with the accounting requirements of Section 396 of the Companies Act 2006 and The Charities Act 2011 and;

have been prepared in accordance with the requirements of Section 396 of the Companies Act 2006 and and with the methods and principles set out in the FRS102 Statement of Recommended Practice - Accounting and Reporting by Charities (effective January 2016)

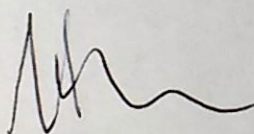

have not been met or to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

Notes to the Accounts for the year ended 31 March 2017

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW) ,effective January 2016, (The SORP), and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Risks and future assumptions

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents grant income, donated income, or the value, net of value added tax and discounts, of work carried out in respect of services provided on behalf of clients.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Harrow Law Centre

Notes to the Accounts for the year ended 31 March 2017

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Policies relating to assets, liabilities and provisions and other matters.

Stocks and work in progress

Stocks comprise work in progress and are valued at the lower of cost and net realisable value.

Financial instruments including cash and bank balances

The charity has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value. Cash and bank balances include only cash and short term highly liquid investments with a maturity of three months or less.

Leasing and hire purchase contracts and commitments

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

2 Liability to taxation

The Trustees consider that the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not fully recoverable by the charity, and the irrecoverable element is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There are no significant implications of the use or importance of financial instruments to the operation of the charity.
