(1) THE RELIEF OF POVERTY, HARDSHIP AND DISTRESS AMONG ASYLUM SEEKERS, MIGRANTS AND THOSE WHO HAVE BEEN GRANTED REFUGE STATUS IN THE UNITED KINGDOM BY THE PROVISION OF ITEMS, TRAINING AND ADVICE TO SUCH INDIVIDUALS WITH A VIEW OF IMPROVING THE CONDITIONS OF

<p>LIFE FOR THESE PEOPLE IN THEIR COMMUNITIES.</p> <p>(2) TO ADVANCE EDUCATION AND TRAINING OF ASYLUM SEEKERS AND THOSE GRANTED REFUGE STATUS IN THE UNITED KINGDOM SO AS TO IMPROVE THEIR QUALITY OF LIFE AND ASSIST THEM TO ADAPT WITHIN THEIR NEW COMMUNITY.</p>	
<p><b>The charity's main activities</b></p> <p>The aim of Global Community Outreach is to serve the needs of asylum seekers, migrants and refugees with a view to improve the condition of their lives and help them to successfully adapt within a new culture. The people we work with often experience significant levels of discrimination and marginalisation. We want to make a difference in their lives that exceeds just practical support but equips and enables them to experience a better quality of life, fully integrated into the community they are now living. Throughout the year we run a drop-in session on Saturday afternoons at the Park Lane Centre in Little Horton, Bradford. We provide beneficiaries of all ages support in English language, employment readiness and civic responsibilities. We partner with other organisations to deliver ESOL English classes, homework clubs and street work during the drop-in. Throughout the drop-in a hot meal is provided to encourage people to gather together and build relationships, encouraging each other in the progress they are making and providing peer support. In addition, we host a range of sports and craft activities for adults and children, providing people with an opportunity to explore alternative means of communication and express creativity whilst having fun. Additionally, we conduct home visits twice weekly, supporting people by communicating with landlords, GPs and signposting to other organisations where necessary.</p>	
<p><b>Public benefit statement</b></p> <p>In setting our objectives and planning our activities our trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular the advancement of education.</p>	

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

#### Achievements and performance

During the year we have regularly had 80-90 people attending our drop-in on a Saturday afternoon, however we want to do more than just support people's short term needs through food, fun and games. By creating a safe, welcoming space where migrants, asylum seekers and refugees can come together to access classes, training, a hot meal and leisure activities we are reducing the levels of isolation felt by them. We help to create community by providing a place where service users can meet other people who speak the same language or practise their English with our volunteers, who also work hard to create an inclusive atmosphere where people can have fun, where friendships can develop and people feel like they are accepted and part of a community. Through our ESOL classes we have enabled people whose first language is not English to communicate well so that they are able to live in independence, access employment and succeed educationally. By teaching good English skills we give our service users the confidence to get out into the community, meet new people, access support services and find employment or volunteering opportunities more easily. Throughout the year we have also provided practical ways for service users to share in the life of the whole community by giving back through partnering with Bradford City of Sanctuary, Thank U Bradford who encourage community members to take part in activities such as litter picking. Through this active contribution service users can feel connected with and part of their neighbourhoods whilst helping to combat potential negative perceptions of migrants, refugees and asylum seekers.

We are hugely grateful to the dedicated volunteers who give their time to the project, over this last year we have welcomed more volunteers who give their time on a weekly basis, ensuring that can deliver good quality services to those who are in need of them.
