

TRUSTEES ANNUAL REPORT 2016-2017

SSG Sustainable Living did not operate during the 2016-2017 annual report period. This was due to initial premises identified for the project being unsuitable.

SSG Sustainable Living did however continue to seek appropriate premises and successfully apply for various funding streams to deliver the project and were able to start operating in August 2018.

We are now successfully operating and we look forward to reporting progress in our next annual report.

TRUSTEES FINANCIAL REPORT 2016-2017

SSG Sustainable Living did not open a bank account nor make any financial transactions during the 2016-2017 reporting period as we wanted to ensure that we would be able to get free banking for as long as possible once we became operational.

We opened a bank account on 26/5/17 in preparation for starting to operate.
