**Trustees' Annual Report** 

1<sup>st</sup> April 2016 - 31<sup>st</sup> March 2017

Charity Number 1160474

#### Report of the trustees for the year ended 31<sup>st</sup> March 2017

The financial statements have been prepared in accordance with the accounting policies as set out in Note 1 to the Accounts and comply with the Statement of Recommended Practice: Accounting and Reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16<sup>th</sup> July 2014 and the Charities Act 2011.

#### **Objectives and Activities for the Public Benefit**

The purpose of the charity is for the advancement of animal welfare. For the public benefit by providing care and veterinary treatment for abandoned, lost and mistreated dogs in West Wales, prior to neutering and placing in animal rescue centres or rehoming in the UK. The trustees confirm that they have referred to the Charity Commission Guidance on public benefit when reviewing the charity aims for the year.

The charity is commonly known as "pound pullers" as the majority of the dogs we save have been taken from the council pounds after they serve the legal 7 days and face being put to sleep. The dogs are placed into our Emergency Boarding Kennels for assessment, neutering, health check, vaccinations and micro chipping before they are sent to established rescue centres for rehabilitation or are rehomed by ourselves under our strict rehoming rules. The purpose aside from saving the lives of the dogs in question, is for the public benefit, as the dogs will no longer be straying on the streets possible causing a public nuisance. As per the law, all of the dogs are microchipped so are easily traceable, all dogs are neutered so can no longer contribute to the massive problem of unwanted dogs and all of our dogs are vaccinated so will help eradicate the issue of infectious diseases in the canine population. We also aim to educate people about the importance of neutering at fund raising events.

In the year ending 31<sup>st</sup> March 2017, we actively rehomed 107 dogs and saved in total 192 (171 from local council pounds), with 39 being in our care at the end of the financial year.

#### **Contributions made by Volunteers**
