M ST J WAY CHARITABLE TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2017

The trustees present their report with the financial statements of the charity for the year ended 30 June 2017. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's main area of activity remains in West Bengal, India, it is involved in the following projects:-

St Stephens Academy, Kaffir - This is a modern purpose built school with the assistance of the Luxemburg Government and under the same principal-ship as St Josephs School but with higher academic standards. We have paid for the construction of a basketball court, perimeter fencing for the site, a new KG extension and a clean water supply. We also assist with the general running costs.

Lepcha Association - The Lepchas are the original Indigenous people of the Darjeeling Hills with a rich cultural heritage which has been swamped by the arrival of the more recent Nepali immigrants. We have organised cultural events of dance, music, archery and poetry. We have published Lepcha text books, diaries, poetry, history and other literature to foster and enhance their culture. We have supported the Lepcha Night Schools with materials and teacher training.

Education remains a key task and we offer scholarship coaching in Kalimpong. We have brought a young female Lepcha student to England for education at a prestigious North of England School and she is now attending university at Newcastle.

British Gurkha Veterans Association, Kalimpong - We have made small financial grants and have been supportive and active in the Association demonstrating that there remains a strong British affection for them and their deeds which is important for them. .

The British Association for Cemeteries in South Asia - we have contributed to the British Association for Cemeteries in South Asia. This is an organisation which operates with very able volunteers and no administrative costs. They seek with great success to record and maintain pre 1947 British graves in South Asia.

Public benefit

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives, in planning future activities, and setting grant making policy for the year.

The Trust furthers its charitable purposes for the public benefit through its grant making policy which aims at:

- improving the cultural and economic life of Lepcha's, benefiting the Lepcha community as a whole.
- providing additional grants to other charitable organisations in order that they may benefit the public in accordance with their charitable objectives.

M ST J WAY CHARITABLE TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2017

ACHIEVEMENT AND PERFORMANCE

In July 2016 the Charity was represented at the prestigious annual celebration for the birth of the Lepchas greatest hero General G. B. Mainwaring and one of our senior teachers delivered a paper entitled "The recovery of the Lepcha language, culture and history based on our experience with the Lepchas".

Visits and financial contributions were made to St Stephan's Academy and the British Gurkha's Ex-servicemen's Association together with teaching practice at the Lepcha Night Schools.

In April 2017 the Charity funded construction of Traditional Lepcha Houses which have continued apace and our completed Lepcha Night School and water Projects were inspected. Financial contribution was also again made to the British Gurkha's Ex-Servicemen's Association.

The Lepcha student who is being educated in England continues to make good progress and is now studying at University.

The Charity has become a major donor to the British Association for Cemeteries in South Asia (BACSA) and in this regard the British Cemetery in Darjeeling was inspected. It is in a sorry state and the Charity expects to be involved in its renovation.

St James's Church and the Nicholson Cemetery in Delhi were visited since much of our grant is to be used for the cemetery renovation. Substantial work has yet to start but we are assured that by April 2018 matters will be well in hand. A visit was made to St John's Church Meerut where the church and to a lesser extent the cemetery were well cared for. A direct grant was paid to the very able Minister at the Church for continued maintenance. Agra Cantonment Cemetery was also visited and the previous BACSA expenditure was checked (boundary wall, maintenance). Efforts are being made to clear the large vegetation.

A financial contribution was also made to the UK based Species Recovery Trust which seeks to save rare plants and flowers from extinction.

FINANCIAL REVIEW

Reserves policy

The reserves of the charity have grown to £4,957,973 (2016: £4,541,513) a increase of 9.2% from the 2016 annual report.

The Trustees have again made further donations towards the advancement of certain projects in the present year.

Further expenditure has been made in maintaining the standards of the charity's investment properties.

The charity still intends to hold a cash reserve of approximately £50,000 to take account of the following:-

- (1) Ongoing maintenance to the rented properties,
The fact that major donations made to causes in India are given and supervised at six monthly
- (2) intervals; and
- (3) Continued provision for protection against future currency rate fluctuations.

The reserves policy is managed and reviewed at each of the trustees' quarterly meetings.

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF M ST J WAY CHARITABLE TRUST

Opinion

We have audited the financial statements of M St J Way Charitable Trust (the 'charity') for the year ended 30 June 2017 on pages seven to twelve. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 June 2017 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
M ST J WAY CHARITABLE TRUST**

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities set out on page four, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

1. STATEMENT OF COMPLIANCE

M St J Way Charitable Trust is an unincorporated charity (charity number: 1016457) based at 2 Ladore Road, Newcastle upon Tyne.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The financial statements have been prepared on a going concern basis on the ground that current and future sources of funding or support will be more than adequate for the charity's needs. The Trustees have considered a period of 12 months from the balance sheet date and consider no further disclosures relating to the charity's ability to continue as a going concern need to be made.

The financial accounts are prepared in Sterling (£).

Significant estimates and judgements

The preparation of the financial statements requires the trustees to make judgements and estimates. The main areas where such judgements and estimates are made are in respect of investment property and fixed asset investments valuation.

The charity has applied the following accounting policies:

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on reducing balance

Investments

The trustees have adopted the recommendations of the SORP and follow a policy of revaluing investment property informally on an annual basis and undertaking a professional valuation at least every five years.

Listed investments are valued at closing bid prices at the end of the year.

The change in market value of investments during the year comprises all increases and decreased in the market value of investments held at any time during the year including profits and losses realised on the sale of investments during the year.

Taxation

The Trust is not registered for Value Added Tax and accordingly, any such irrecoverable tax is included within the expenditure concerned.

**NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
