## Trustees Report for the Year Ended 31 August 2017

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of YMCA South Devon (the company) for the year ended 31 August 2017. The legal and administrative information set out on page one forms part of this report. The Trustees confirm that the Annual report and financial statements of the company comply with the current statutory requirements, Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102). The accounts have also been prepared in accordance with the special provisions of the Companies Act 1985 relating to small companies.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

YMCA South Devon is a registered charity (number 1086783) and a company limited by guarantee (number 41830500). As such our governing documents are in the form of Memorandum and Articles of Association.

Trustees are elected to the board at the annual general meeting. All trustees have to be a full member of the association. The board has the power to co-opt someone to the board in between Annual meetings but that person must either step down or be fully elected at the following AGM. Only full members are able to vote and there must be at least 5 full members present to form a quorum.

The Board of Trustees of up to 15 members who meet at least quarterly administers the charity. A Chief Executive is appointed by the Trustees to manage the day-to-day operations of the charity.

It is the policy of YMCA South Devon not to unduly put any of its financial assets, staff or operations at risk. Internal risks are minimised by the implementation of procedures of policies for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operation aspects of the charity. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

### **OBJECTIVES AND ACTIVITIES**

#### Charity Commission guidance

YMCA South Devon is a charity and is a Christian based association, which seeks to lead young people to Lord Jesus Christ and fullness of life in Him.

The objects include:

- To provide or assist in the provision, in the interest of social welfare, of facilities for recreation and other leisure time occupation for men and women, with the object of improving their conditions of life.
- To provide or assist in the provision of education for persons of all ages with the object of developing their physical, mental and spiritual capacities.
- To relieve or assist in the relief of persons of all ages who are in conditions of need, hardship or distress by reason of their social, physical or economic circumstances.

To this end YMCA South Devon seeks to meet the needs of children and young people in the South Devon area in the delivery of quality, efficient, effective and economic programmes.

In order to achieve this objective the charity offers a number of programmes and projects tailored to the diverse needs of the community and to give public benefit to that community.

Our three main programmes for the public benefit are 'Fit for Life' aimed at children and young people needing an alternative approach to education, a play scheme for after school and holiday time for primary aged children and a nursery for 2-4 year olds.

## Trustees Report for the Year Ended 31 August 2017

Fit for Life provides an alternative approach to education for young people who have fallen out of the traditional education system. This enriches young people's lives who otherwise may well be completely out of the education system and unsupervised during the school day. The wider community also benefits as young people become a constructive part of their community.

Our After School and Holiday Clubs offer a range of stimulating activities in a free flow environment, the different spaces available allow the children freedom to explore in a safe way and encourage creative fun, rather than reliance on electronic devices.

Our purpose built nursery uses a free flow approach, so all ages are learning through play together, we make the most of our amazing outdoor space of gardens, woodlands and playground to encourage physical activity and exploration of the environment around us.

### ACHIEVEMENTS AND PERFORMANCE

We had an Ofsted inspection in August 2017 and were rated Good in the following areas:

- 1. Effectiveness of leadership and management
- 2. Quality of teaching, learning and assessment
- 3. Personal development, behaviour and welfare
- 4. Outcomes for children.

The report highlighted that staff were good role models, providing the children with constant praise and encouragement and that the children with special educational needs receive good support from our passionate and knowledgeable staff.

It is hoped that our nursery will continue to grow in the coming year as we build on this success.

Our Fit for Life programme continues to perform to a high standard and we are able to evidence some exceptional results meeting the outcomes for the young people we support.

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

#### SHOPS

We have five shops in our area and work closely with them to ensure a good relationship between our staff and volunteers, we receive a percentage of the shop profits; we also have a clothes bank on our site that local people are able to use, all of which goes directly to supporting the work we do.

## Trustees Report for the Year Ended 31 August 2017

### FINANCIAL REVIEW

Having considered the fluctuating nature of our work and the fact that many of the organisations who pay for our services are themselves under considerable financial pressure, the YMCA would ideally aim to hold reserves amounting to approximately three months' average expenditure. This equates to a reserve of around £60,000 however due to the inclusion of the pension deficit liability under FRS102, we held negative unrestricted reserves at the end of the period.

Since the period end we have been working hard to build on our programme to ensure greater profitability so that we can meet our costs and begin to build our reserves.

The gross incoming resources for the period were  $\pounds$ 461,839 and the net outgoing resources expended were  $\pounds$ 443,356. This leaves a positive movement in funds of  $\pounds$ 18,483. Total funds at 31 August 2017 were a negative  $\pounds$ 76,876 as a result of the requirement under the Charities SORP (FRS102) to recognise the agreed contributions relating to the pension deficit as a liability.

The period has not been without difficulty, but we have continued to work hard during the year to ensure we streamline our current services to make them as cost-efficient as possible whilst providing an excellent service for the community we serve.

The Chief Executive is working hard at identifying other ways we can grow and achieve sustainability, looking at how we can best serve our local community for the future years to come. The strategy continues to include pursuing funding sources for new projects that meet our overall objectives and raising awareness of the work we currently do.

## Trustees Report for the Year Ended 31 August 2017

### PLANS FOR THE FUTURE

We will continue to offer our core youth services – Fit for Life. The need for this type of provision within our community is growing each year, it is our intention to improve and develop so that we can continue to offer this service.

The After School and Holiday Club continues to cater for all local children, including those with additional needs, our future plans are to develop this further, so that we can cater for slightly older children too.

The nursery will continue to offer high quality child care for local families and we will endeavour to publicise this more widely to attract larger numbers of children.

The plan for the coming year is to improve the marketing of our services, so that more people know about our offer and also to become more involved in other aspects of the local community.

#### **Trustees' Responsibilities Statement**

The Trustees (who are also directors of YMCA South Devon for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including income and expenditure of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Small company provisions

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Approved by the Board and signed on its behalf by:

J Inett Trustee

Date: 28 March 2018

## Independent Examiner's Report to the Trustees of YMCA South Devon

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 August 2017.

### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act.

### Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ended 31 August 2017, the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Approved by the Board on 28 March 2018 and signed on its behalf by:

J Inett Trustee

(Registration number: 04183050)

### The notes on pages 8 to 18 form an integral part of these financial statements.

Notes to the Financial Statements

Year Ended 31 August 2017

### 1. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### **Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

YMCA South Devon meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

### Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. The date of transition was 1 September 2015.

At the date of transition in applying the requirement to recognise liabilities relating to agreed additional pension contributions in respect of the multi-employer defined benefit pension plan, an agreement had been made for the payment of additional contributions of £164,437 in respect of the charity's share of the deficit. Accordingly a liability for this amount has been recognised in the balances brought forward at 1 September 2015 and the opening reserves reduced accordingly.

During the year ended 31 August 2016 the charity made contributions towards the pension deficit of £9,518 which had previously been treated in those accounts as an expense. In applying the requirement to recognise liabilities relating to agreed additional pension contributions it has therefore been necessary to add these back in the comparative figures of these accounts as these contributions are now deducted from the liability.

No other restatements were required. In accordance with the requirements of FRS 102 a reconciliation of opening balances and net income is provided.

Reconciliation of funds and balances	1 September 2015 £	31 August 2016 £
Fund balances as previously stated Agreed additional pension contributions	60,469 (164,437)	59,560 (154,919)
Fund balances as restated	(103,968)	(95,359)
Reconciliation of net income		Year Ended 31 August 2016 ົ
Net expenditure as previously stated Pension deficit contributions added back		(909) 9,518
Net income as restated		8,609

Notes to the Financial Statements

Year Ended 31 August 2017

#### 1. Accounting Policies (continued)

#### Going concern

The trustees have reviewed the future prospects of the charity, and produced cashflow projections up to 31 August 2019 which take into account proposed cost saving mechanisms introduced since 31 August 2017. On the basis of the projections, the trustees are confident that the company will continue to operate as a going concern for the foreseeable future.

#### Fund accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Designated funds are unrestricted funds set aside at the discretion of the trustees for specific purposes.

Further details of each fund are disclosed in note 18.

#### Incoming resources

Voluntary income including donations and grants that provide core funding or are of a general nature is recognised where there is entitlement, receipt is probable and the amount can be measured with sufficient reliability.

Shop income and income derived from events is recognised as earned (that is, as the related goods or services are provided).

Income from charitable activities includes income recognised as earned (as the related goods or services are provided) under contract.

#### **Resources expended**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### Governance costs

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees on governance or constitutional matters.

#### Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### Fixed assets

Individual fixed assets are capitalised and recorded at cost.

## Notes to the Financial Statements

## Year Ended 31 August 2017

### 1. Accounting Policies (continued)

#### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Long-term leasehold property 2% of cost Property improvements 10% of cost Camping equipment 33% straight line Motor vehicles 25% reducing balance Furniture and equipment 15% reducing balance

#### Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs. Items donated for resale or distribution are not included in the financial statements until they are sold or distributed.

#### **Operating leases**

Rentals payable under operating leases are charged in the statement of financial activities on a straight line basis over the lease term.

#### Pensions

The charity participates in a defined contribution scheme. In accordance with SORP (FRS102) contributions to the scheme are charged to the Statement of Financial Activities as they fall due.

YMCA South Devon also participated in a multi-employer defined benefit pension plan for employees of YMCAs in England, Scotland and Wales, which was closed to new members and accruals on 30 April 2007. Due to insufficient information, the plan's actuary has advised that it is not possible to separately identify the assets and liabilities relating to YMCA South Devon.

As described in note 19 YMCA South Devon has a contractual obligation to make pension deficit payments of  $\pounds$ 15,077 pa over the period to April 2027, accordingly this is shown as a liability in notes 12 and 13 to these accounts. In addition, YMCA South Devon is required to contribute  $\pounds$ 2,585 pa to the operating expenses of the Pension Plan and these costs are charged to the Statement of Financial Activities as made.

#### Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, which are described above, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. There are no critical estimates or judgements that the Trustees have made in the process of applying the accounting policies.

#### **Financial Instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Notes to the Financial Statements

Year Ended 31 August 2017

#### 19. Pensions

#### **Defined Contribution Scheme**

During the year ended 31 August 2017, the charity made payments towards its defined contribution scheme of  $\pounds$ 4,230.

#### YMCA Pension Plan

YMCA South Devon participated in a contributory pension plan providing defined benefits based on final pensionable pay for employees of YMCAs in England, Scotland and Wales. The assets of the YMCA Pension Plan are held separately from those of YMCA South Devon and at the year end these were invested in the Mercer Dynamic De-risking Solution, 40% matching portfolio and 60% in the growth portfolio and Schroder (property units only).

The most recent completed three year valuation was as at 1 May 2014. The assumptions used which have the most significant effect on the results of the valuation are those relating to the assumed rates of return on assets held before and after retirement of 5.35% and 3.85% respectively, the increase in pensions in payment of 3.3%, and the average life expectancy from normal retirement age (of 65) for a current male pensioner of 22.6 years, female 24.6 years, and 24.8 years for a male pensioner, female 26.9 years, retiring in 20 years time. The result of the valuation showed that the actuarial value of the assets was £90.8m. This represented 70% of the benefits that had accrued to members.

The Pension Plan was closed to new members and future service accrual with effect from 30 April 2007. With the removal of the salary linkage for benefits all employed deferred members became deferred members as from 1 May 2011.

The valuation prepared as at 1 May 2014 showed that the YMCA Pension Plan had a deficit of £38.7 million. YMCA South Devon has been advised that it will need to make monthly contributions of £1,256 from 1 May 2017. This amount is based on the current actuarial assumptions (as outlined above) and may vary in the future as a result of actual performance of the Pension Plan. The current recovery period is 12 years commencing 1st May 2015.

		Repayable			_		
	Within One year £	One to two years £	Two to five years £	After five years £	After more than one year £	Total 2017 £	Total 2016 £
As at 31 August 2017	15,077	15,077	60,308	54,026	129,411	144,488	
As at 31 August 2016	14,638	14,638	58,552	67,091	140,281		154,919

In addition, YMCA South Devon may have over time liabilities in the event of the non-payment by other participating YMCAs of their share of the YMCA Pension Plan's deficit. It is not possible currently to quantify the potential amount that YMCA South Devon may be called upon to pay in the future.

During the year ended 31 August 2017, the charity made payments towards the deficit and administration costs of £17,232.
