Trustees Report

Abbeyfield Community Heritage Hub is a Charitable Incorporated Organisation formed on 8th October 2014. Our governing document is our constitution, a CIO by Association model. Trustees were appointed at the foundation of the charity.

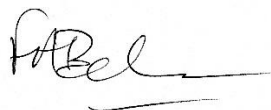

The charity was formed to explore the possibility of a community asset transfer of Abbeyfield Park House, with the object of developing the building as a community resource for the benefit of the people of Burngreave and the surrounding area.

While the building remained in use by groups in the community during 2016/17, the trustees considered that planning and resources were insufficient to pursue a community asset transfer in 2016/17. However, interest remains in developing the building and the trustees agreed to continue to operate the charity while plans are further developed.

Financial Review

No financial activity took place in 2016/17. The charity does not have a bank account and so there was zero income and expenditure in this period.

This report was approved by the trustees on 24th April 2018 and is signed on their behalf by:
