### **Report of the Trustees for the Period 11 September 2016 to 30 June 2017**

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of Lymm RFC Limited for the period ending 30 June 2017. The Trustees confirm that the annual report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)(effective 1 January 2015).

Lymm RFC Limited (LRL, the Charity or the Company) was formed as a result of the restructure of Lymm Rugby Football Club (a Community Amateur Sports Club). As part of this restructure, LRL has two wholly owned subsidiaries Lymm Beechwood Limited (LBL, a trading subsidiary) and Lymm Garden Limited (LGL, a non trading subsidiary).

#### **INCORPORATION**

The charitable company was incorporated on 11 September 2016.

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The principal purpose of the company, as set out in Article 2 of its Articles of Association, are:

- (a) To promote community participation in healthy recreation by providing facilities for playing rugby football union and other sports; and
- (b) To provide and assist in providing facilities for sport, recreation or other leisure time occupation who have need for such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving their conditions of life.

##### **Significant activities**

We have a large number of members and membership is open to anyone interested in sports or social fellowship regardless of sex, age, disability, ethnicity, nationality, sexual orientation, religion or other beliefs.

##### **Rugby Section**

We utilise three full sized rugby pitches and two, smaller, training areas suitable for mini-rugby matches and associated car parking. We support 4 senior rugby teams, each of which competes within league structures, and mini and junior rugby age groups from U5 to U18. Competitive fixtures take place between September and May in each year on a Saturday and a Sunday with occasional week night fixtures under flood lights. Training for teams takes place on Tuesday and Thursday evenings and for mini and juniors on a Sunday morning. The pitches are available for teams to practice on and train at other times throughout the week. There is also an established and growing Touch Rugby section which is part of the RFU's "O2 Touch" programme.

##### **Squash section**

The Squash Section operates a number of teams and also operates a minis and juniors section. There is a men's squash league which is also open to ladies who wish to compete and a Ladies Only squash league. The mini and junior section is supervised by a qualified coach and, when appropriate, junior members are encouraged to attend the Sunday squash club nights.

##### **Hockey Section**

The Hockey Section operates a number of men's, ladies and youth teams. A total of 3 men's teams play in the North West Hockey League and 5 ladies teams play in the North Hockey Women's League and Cheshire Women's Hockey League. A number of youth teams play locally in ad hoc arranged matches. The Hockey section play their matches at local hockey standard 3G pitches and utilise Lymm RFC Limited as their club house and social environment.

Sporting activities are supplemented through active social engagement throughout the year which underlines the Charity's position in the local community and helps raise much needed funding to support its sporting objectives.

### Report of the Trustees for the Period 11 September 2016 to 30 June 2017

#### OBJECTIVES AND ACTIVITIES

##### Public benefit

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aim and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

##### Volunteers

Our volunteers play a huge part in the success of the Charity's activities, whether participating in or supporting on-field sporting activities or in leading or assisting a programme of fund raising activities that are scheduled throughout the year, such as the annual pantomime; beer festival; potato sale; or summer marquee events.

#### ACHIEVEMENT AND PERFORMANCE

##### Charitable activities

There have been no charitable activities in the period as they will commence from 1st July 2017.

#### FINANCIAL REVIEW

##### Financial position

In the period, the Charity recorded a surplus of £108,272, which was predominantly comprised of the profits of LBL for the period from its incorporation on 14 March 2016 to 30 June 2017 of £114,851 which have been gift aided to the Charity. LBL's profits were derived from a number of fund raising activities and the operation of the clubhouse bar.

##### Principal funding sources

The Charity's main funding source in the period was from gift aided donations received from the trading subsidiary LBL.

Future income will also be derived from subscriptions, grants and fundraising events.

##### Reserves policy

The Company has historically predominantly relied on, and will for the foreseeable future rely on, volunteers to organise and execute its fund raising and commercial activities which support the level of charitable activities that are undertaken as well as covering the costs of running the organisation. As these activities continue to grow in scale and complexity, consideration will be given to the desirability of employing an individual committed to sustaining and building these income streams.

##### Going concern

The Trustees consider that the Charity has sufficient forecast income and available reserves to cover the ongoing activities of the Charity for the foreseeable future.

#### FUTURE PLANS

On 1st July 2017, Lymm Rugby Football Club (a Community Amateur Sports Club) transferred all assets and activities, other than its properties, to LRL.

For some time, plans to develop the clubhouse and further improve playing facilities have been actively pursued. To this end, significant progress was made in the period as Planning Consent was received for a major development plan which would see the construction of a new clubhouse in the "Walled Garden" area, land that was acquired in January 2017 by Lymm Rugby Football Club.

The plan also includes the conversion of one of the current grass pitches into an Artificial Grass Pitch (AGP). This exciting project will be funded by the development and sale of some of the existing land for housing. At the date of this report the S106 Agreement with the Local Authority is being finalised and negotiations with the RFU for the charity to receive one of the RFU funded AGPs under its exciting development programme, are at an advanced stage. Assuming that these discussions reach a successful conclusion, it is expected that an AGP will be in place in time for the start of the 2019/20 season, with the remainder of the development plan being delivered thereafter.

**Report of the Trustees  
for the Period 11 September 2016 to 30 June 2017**

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Risk management**

The Trustees acknowledge their responsibility to identify, assess and manage risks which they do in conjunction with the Executive. The three main risk areas, together with the steps taken to mitigate these risks are as follows:

**Safeguarding**

- There is a regularly reviewed safeguarding policy in place.
- All individuals with direct contact with vulnerable adults and children have had appropriate training and DBS checks.
- An appropriately trained and experienced Safeguarding Officer is in place.
- All age groups have multiple coaches and training is delivered by more than one coach.
- Appropriate coach education courses are run and participated in by coaches.

**Ability to generate sufficient income**

- Lymm Rugby Football Club has built an outstanding record of organising successful fundraising events and delivering other fundraising initiatives. The Charity will continue to organise these events and initiatives.
- It is the intention to build on these activities with the recent launch of a 500 Club, being a tangible example.
- It is recognised though that broader commercial activity - such as sponsorship - has often taken a back seat and there is considerable scope to improve performance in this area. Accordingly, the potential employment of an individual to focus on this area is presently under consideration.
- Costs are carefully managed and controlled so that the Company continues to operate within its means.
- There is a focus on building sufficient reserves.

**Health and safety**

- All training sessions are covered by at least 2 coaches.
- Appropriate first aid training is provided to coaches and/or parent helpers in each age group
- The clubhouse sites a defibrillator.
- All relevant volunteers are trained to deliver coaching to an appropriate standard.
- A risk assessment is carried out by coaches before coaching begins.
- All activity is carried out in suitable locations for the activity.
- Current laws and regulations are complied with.
- Monitoring and reporting procedures are in place.

**TRUSTEES RESPONSIBILITY STATEMENT**

The trustees (who are also the directors of Lymm RFC Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the 2011 Act). **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

Notes to the Financial Statements - continued  
for the Period 11 September 2016 to 30 June 2017

1. ACCOUNTING POLICIES - continued

**Cash and cash equivalents**

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation include uncertainties at the reporting date, which may have a risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial periods, are discussed below.

**Cash and cash equivalents**

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with bank, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

**Financial instruments**

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's statement of financial position when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the net asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised costs using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Other financial assets**

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in the Statement of Financial Activities, except that investments in equity instruments that are not publically traded and whose fair values cannot be measured reliably are measured at cost less impairment.

**Impairment Fixed Asset investments**

Interests in subsidiaries, associates and jointly controlled entities are initially measured at cost and subsequently measured at cost less accumulated impairment losses. The investments are assessed for impairment at each reporting date and any impairment losses or reversals of impairment losses are recognised immediately in the Statement of Financial Activities.

**Impairment of financial assets**

Financial assets, other than those held at fair value through profit or loss, are assessed for indicators of impairment at each reporting end date.

Lymm RFC Limited

Notes to the Financial Statements - continued  
for the Period 11 September 2016 to 30 June 2017

I. ACCOUNTING POLICIES - continued

**Cash and cash equivalents**

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the Statement of Financial Activities.

**Derecognition of financial assets**

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

**Employee benefits**

The costs of the short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the costs of stock or fixed assets. The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received. Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Interest received is recognised when receivable and the amount can be measured reliably by the charity.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Governance costs**

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees.

**Support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the Charity's core activities

**Taxation**

The charity is exempt from corporation tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
