

Trustees Report 2016

Objects and Public Benefit Statement

The RSPCA Aberconwy branch is an unincorporated charitable association and a separately registered branch of the Royal Society for the Prevention of Cruelty to Animals (the society), carrying out its direct animal welfare work in the areas of Aberconwy.

The objects of the branch are to promote the work and objects of the society- to promote kindness and to prevent or suppress cruelty to animals by all lawful means- with particular reference to the area of the branch, in accordance with the policies of the society.

The Trustees have reviewed the outcomes and achievements of our objectives and activities for the year, to ensure they remain focused on our charitable aims, and continue to deliver benefits to the public. We have complied with the duties under the Charities Act 2006 to have due regard to public benefit guidance published by the commission.

Advancement of animal welfare

Under the Charities Act 2006, the advancement of animal welfare is recognised as a distinct statutory charitable purpose. This legislation and the Animal Welfare Act of the same year indicate an acceptance by society that treating living creatures with compassion has a moral benefit for the public as a whole. Whilst this public benefit is clear, it is sometimes difficult to quantify and must be balanced against any detriment.

The Branch's animal welfare work, although local in nature, benefits society at large, and also aims to help people in need with the care of their animals. The next section of this report highlights the Branch's main activities and demonstrates the benefit provided to the public. All our charitable activities, as described in more detail in the following pages of this report, focus on promoting kindness and preventing or suppressing cruelty to animals and are undertaken to further these purposes for the public benefit.

Charitable activities pursued for the public benefit

We support our local Inspectors by taking in, free of charge, mistreated or abandoned animals, including pets whose owners suffer ill health or financial difficulties or pass away. The society's Inspectorate (as well as providing education, information and advice) rescues animals in distress and enforces laws against the cruel mistreatment of animals in England and Wales by bringing prosecutions. This work is key to 'the prevention or suppression of cruelty' part of the RSPCA objects, and promotes humane sentiments towards animals which involves moral benefit to humankind as a whole.

We provide subsidised veterinary treatment for animals which are sick or injured and belong to local people on low incomes. This work benefits those on means tested benefits by giving them financial help to obtain care for companion animals in need of veterinary treatment.

We provide subsidised neutering and micro chipping of companion animals for those in the Branch area on low income. This work helps to control dog/cat populations through neutering and benefits those on means tested benefits by giving them financial help to neuter and microchip companion animals, thereby promoting responsible pet ownership.

We support our local Inspectors by assisting in emergency payments for veterinary treatment, contributing to the Regional Board's Emergency Boarding and Voucher Schemes.

We rehome a small number of animals in need to people willing and able to have a companion animal. We visit every home first to make sure it is suitable for the animal concerned and make follow up check afterwards to ensure the animal welfare comes first.

We take in, where possible, lost animals and publicise them on our branch website and social media and take steps to reunite them with their owners by keeping records of lost and found animals and offering advice.

We respond to enquiries and requests for assistance via e-mail, telephone calls and face to face and via the Society's National Control Centre from the public about animals locally.

We offer free animal care advice from our own experience and knowledge, or referring them to our own or other websites, RSPCA literature, the NCC, local vets or other bodies.

Within the terms of our governing document, we support the National Society, Regional Board, RSPCA Bryn Y Maen Animal Centre and other RSPCA branches through collaborating on joint projects such as the Friends of Bryn Y Maen Dog Show and providing additional funds.

We provide volunteering opportunities for those who wish to support our work, including trusteeship, fostering and fundraising.

We always strive to spend as little as possible on administrative costs and ensure the maximum amount of donations is spent on animal welfare.

Achievements and Performance

This year has been a successful one. Our charity shop income remains to be stable thanks to Shelia our shop manager and her dedicated volunteers. The shop continues to be our main source of income and the volunteers do a fantastic job of running it on a daily basis.

Our mobile clinic service has now expanded to Deeside, Caernarfon and Llangefni and Jim Mason the mobile clinic vet continues to provide a fabulous service and we now have a dedicated team of volunteers that continuously help Jim out on the mobile. A big thank you to Jan, Nan, Terry, Lauren, Sue, Linda, Phil, Kath and Lynne. Our partner branches West Gwynedd, Clwyd and Colwyn, Wrexham and Ynys Mon have been a fantastic support and the volunteers from each branch have been dedicated and keen to help. We were delighted when these branches joined with us to help and support us and now the mobile clinic is busier than ever before and we are so proud that we can offer this unique service to the animals of North Wales.

Our animal welfare clinic has had a busy year and has treated 3277 animals. This total includes 2348 dogs, 849 cats, 50 rabbits and 30 small animals. This year we have neutered 101 animals. This includes 35 dogs, 59 cats, 6 Rabbits and 1 small furry. We have implanted 190 animals with microchips. This includes 127 dogs, 62 cats and 1 rabbit. We have also treated 59 cases of wildlife and 42 of these animals were released safely back into the wild.

All of this would not be possible without our amazing clinic staff who work so hard to do an excellent job putting animal welfare first. Pam and Kelly go above and beyond the call of duty to put the animals first alongside Emma and our fantastic team of volunteers. We are very lucky to have Jan, Nan, Angie and Linda to help the girls do a fantastic job. We also have a brilliant team of vets to include Jim, Chris, Ann, Lowri and Alison. I would also like to thank Ellie, Michelle and Evanne who have been standing in this year when our vets have not been available, we really do have a great team who all work really well together.

This year Pam, Kelly and Emma have managed to re-home 56 animals, to include 2 dogs, 53 cats and 1 rabbit. This is not part of their job description but they take it upon themselves to help these animals find a forever home. Kelly will go out to inspect these new homes and deliver them safely and then takes the time to follow up contact to make sure these animals have the best homes. Pam and Kelly constantly use their own time and their own expenses to ensure the animals come first and I have never met two people more dedicated to animal welfare.

A huge thank you to our lovely fosterers who look after the animals while they are waiting for their forever homes, we would not be able to re-home so many animals without them. Also a big thank you to Michelle, one of our vets from Caters, who has been so kind to foster lots of kittens since arriving from Australia and who recently took on some week old kittens and hand raised them until they were old enough to be re-homed. This was not an easy job as it meant round the clock feeding (even all night) and her giving up all social events!

Pam continues to do an excellent job organising fundraising and this year the team have had a great year raising funds to help keep the clinic running. This includes:

- Trax event in Llandudno Junction where they organised a dog show, cake stall and tombola.
- The Santa run where Pam, Kelly, Emily and Linda all ran into the sea on Boxing Day dressed in festive clothing.
- Brenig walk completed by Kelly and Mikah.
- Pets at Home collection week
- Tesco collection week
- Bryn Y Maen dog show where they held a table top sale and tombola
- Zip line challenge completed by Emma
- Deganwy Prom day
- Blind Veterans dog show
- Xmas Fayre.

This year the branch participated in the PAN Wales Cat Neutering programme in collaboration with Cats Protection and neutered approx. 7000 cats during the year. All parties concerned played a huge

part and worked well as a team. This year we have enjoyed working closely with the Colwyn and Ceiwyd branch and the West Gwynedd branch and we would like to thank them for their support.

I also think we are very lucky to have such a great team of Inspectors and a fantastic Branch Support Specialist who has been my rock on several occasions.

I would also like to thank our lovely committee which I sometimes think is overlooked. Our committee give up their free time to make monthly meetings and quite often last minute meetings to discuss certain items. Every one of the committee members has strength to bring to the meetings and make decisions to enhance the clinic. This year we have been lucky to have Dawn join us as secretary and she is a great asset to our committee always bringing new exciting ideas to the meetings. She is so positive and full of fun and inspiration and always likes to help out with our fundraising events even taking holidays from her full time job to help organise events.

Everything we have achieved this year could not have been done without our loyal staff and volunteers who we are very lucky to have so a big thank you to everyone.

INVESTMENT POLICY

Our policy remains unchanged, at least 50% of our investments to be held in fixed interest securities. This policy has served us well during the present economic downturn.

STATEMENT OF TRUSTEES RESPONSIBILITIES

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which gives a true and fair view of the charity's financial activities during the year, and of its financial position at the end of year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and;

1. Select suitable accounting policies and then apply them consistently;
2. Make judgements and estimates that are reasonable and prudent;
3. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
4. Prepare the financial statements on the going concern basis unless it is inappropriate that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy, the financial position of the charity and which will enable them to ensure that the financial statements comply with applicable law, regulations and trust code. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]].

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
