REPORT OF THE DIRECTORS AND TRUSTEES TO THE MEMBERS
OF
THE FRIENDS OF THE HEART FOUNDATION OF JAMAICA LIMITED

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 November 2017. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). (effective 1 January 2015)

Objects of the Charity, principle activities and organisation of our work

The charity is constituted as a company limited by guarantee, and is therefore governed by a memorandum and articles of association.

The charity's object and its principal activity continues to be:

- (a) To promote such research and post graduate training by creating fellowship by making grants and providing equipment and other facilities for research and training in cardiology in established cardiological centres and if thought advisable elsewhere and the results of useful research to be published for the benefit of the public at large.
- (b) To promote health education in such subjects relating to the heart and circulation and the rehabilitation and relief of those who suffer from diseases of the heart and circulation.

The charity is organised so that the trustees meet regularly to manage its affairs. We are grateful to volunteers from various sources who maintain the day to day running of the charity.

There has not been any changes in the policies of the charity during the year.

Development, activities and achievements this year.

The trustees consider that the performance of the charity this year has been most satisfactory.

Transactions and Financial Position

The statement of financial activities shows a deficit of £3,640 (2016 surplus of £8,111) for the year and reserves of £24,017 (2016 - £27,657).

The charity is dependent upon the services of unpaid volunteers and donations in kind.

REPORT OF THE DIRECTORS AND TRUSTEES TO THE MEMBERS
OF
THE FRIENDS OF THE HEART FOUNDATION OF JAMAICA LIMITED

Investment policy and returns

Under the memorandum and articles of association, the charity has the power to make any investment which the trustees see fit. The trustees have considered that most appropriate policy for investing funds and have found that a deposit account meets their requirements.

Reserves

The present level of funding is adequate to support the continuation of the charity for the medium term, and the trustees consider the financial position of the charity to be satisfactory.

Directors and Trustees

All directors of the company are also trustees of the charity and there are no other trustees. All of the trustees named on page 1 served throughout the year. The Board has the power to appoint additional trustees as it considers fit to do so.

Trustees' responsibilities in relation to the financial statements

The trustees are required by law to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its financial position at the end of that year. In preparing those financial statements the trustees are required to:

1. select suitable accounting policies and then apply them consistently
2. make judgement and estimates that are reasonable and prudent
3. state whether the policies adopted are in accordance with Companies Act 2006 and with applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the financial statements.
4. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the safeguarding of the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
