Structure, governance and management

The company is Limited by Guarantee. The directors of the company are also charity trustees for the purpose of charity law and under the company's Articles are known as members of the council. Under the requirements of the Memorandum and Articles of Association members of the Council are elected to serve for a period of 3 years after which they must be re-elected. Its activities are regulated by the company's Memorandum and Articles of Association. Meetings of the members of Council are held 3-4 times per year to discuss the activities of the charity.

New trustees are usually recruited by the existing trustees from the members although applications are always considered from interested parties. Training is provided to all new trustees by the board.

All operational decisions are made by the board with no such powers delegated to staff members.

The Hackney Horse Society Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 30 September 2017

Objectives and activities

The objectives of the charity are to promote the breeding of Hackney Horses and ponies which are now a critically endangered breed on the RBST's watch list. The objectives include:-

Maintaining the purity of the breed by confirming that any registrations are strictly adhered to as per our Stud Book policy.

As Defra approved Passport Issuing Organisation (PIO) to maintain and uphold European/Defra legislation on Equine Passports.

To promote the Hackney in the equine world and hold shows and most importantly an Annual Breed Show for Hackneys.

The principal funding sources are investment income, donations and subscriptions, sale of goods, charity auctions and raffles, funds from charitable activities and stud book activities and the Horse Racing Levy Board grant.

The Society has continued to protect the breeding of Hackneys through the process of DNA testing. It had tried to increase the breeding of animals by allowing the use of artificial inseminating both at home and overseas. The Horse Race Betting Levy Board (HBLB) grant helps the Society to encourage owners to breed animals, therefore maintaining numbers. The society provides grants to members to assist with the certain costs including the costs of registration and DNA testing. Also the HBLB grant helps by alleviating some of the cost involved in showing animals at the society's showcase show, the Annual National Breed Show. The Society continues to maintain and publish an annual year book and five yearly Stud Book.

The society website offers compressive information on the breed, shows, etc, and it is a source for necessary EU/Defra legislation. It continues to be expanded and improved to facilitate the promotion of the breed.

How Our Activities Deliver Public Benefit

All our charitable activities focus on the above objectives and are undertaken to further our charitable purpose for the public benefit. The Charity Trustees have complied with the duty in the The Charities Act 2011 to have due regard to guidance published by the Charity Commission in regard to a public benefit statement.

Achievements and performance

In today's climate it is difficult for a critical rare breed to be able to increase their numbers. The Society strives to maintain the numbers of animals registered so that this pure British breed will continue.

The Hackney Horse Society Limited

Company Limited by Guarantee

Year ended 30 September 2017

Financial review

The attached Financial Statements show the current state of finances which council considers to be sound. The charity operates on tight margins. As a result a policy has been taken to maintain the Fixed Assets Investments of the organisation in order to generate the necessary level of income each year to allow the charity to maintain its current level of operations. The funds of the charity have also been assisted in recent years by the receipt of an annual grant from the Horserace Betting Levy Board. Investment have performed in line with expectations over recent years and are managed under the advice of charity's stockbrokers, Barclays Wealth.

A majority of the charity's income and expenditure is unrestricted. The restricted funds predominately relate to the grant from the Horserace Betting Levy Board which is provided annually for certain specific purpose as detailed within the enclosed accounts and certain show event sponsorship by breeders. All funds are held in furtherance of charity's objectives.

Unrestricted Funds at 30th September 2017 totalled £265,569 (2016: £253,272). No Restricted funds were held.

The trustees are required to safeguard the assets of the company and take reasonable steps for the prevention and detection of fraud and other irregularities. All major risks that the charity is exposed to reviewed on a regular basis by the trustees and systems have been established to mitigate those risks. In particular, as the charity operates on tight margin the committee ensure that the costs of the charity are kept under close control. The income and expenditure of the charity is reviewed regularly to ensure that deficits are very tightly monitored and mitigated

The society is prohibited by its Memorandum and Articles of Association from paying dividend.

As a result of formal changes to Memorandum and Articles of Association during the year ended 30th September 2007 the company financial statements are no longer require a statutory audit.

Plans for future periods

Going forward the charity intends to continue its current activities including the breed show and grants to owners in order to support the ongoing breeding of Hackney Horses.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of The Hackney Horse Society Limited

Year ended 30 September 2017

I report on the financial statements for the year ended 30 September 2017, which comprise the statement of financial activities (including income and expenditure account), statement of financial position and the related notes.

Respective responsibilities of trustees and examiner

The trustees are also the directors of the company for the purposes of company law are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

The Hackney Horse Society Limited

Company Limited by Guarantee

Independent Examiner's Report to the Trustees of The Hackney Horse Society Limited *(continued)*

Year ended 30 September 2017

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached."

For the year ending 30 September 2017 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The Hackney Horse Society Limited

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 30 September 2017

1. General information

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Haydon Farm Cottages, Sutton Parva, Tytherington, Wiltshire, BA12 7AF.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Transition to FRS 102

The entity transitioned from previous UK GAAP to FRS 102 as at 1 October 2015. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 29.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102: (a) No cash flow statement has been presented for the company.
(b) Disclosures in respect of financial instruments have not been presented.

The Hackney Horse Society Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 September 2017

3. Accounting policies *(continued)*

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. The key assumptions and other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are as follows: The charity includes an accrual at the year end in respect of Registrations and Grants the society is obliged to pay after the year end in respect of animals born before the end of the financial year but not yet registered by that date. As there can be a considerable length of time between the birth of a foal and the application, the level of this accrual has to be based on assumptions and estimates based on prior years.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

The Hackney Horse Society Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 September 2017

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings - 3-10 Years Straight Line for General Equipment

Investments

Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

The Hackney Horse Society Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 September 2017

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted. Debt instruments are subsequently measured at amortised cost. Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment. Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship (see hedge accounting policy). Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
