## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

For the public benefit, the relief and assistance of people in need in Bristol, and its surrounding suburbs, who may suffer the effect of homelessness by supplying them with, in particular but not exclusively by, food, clothing and related support.  
To provide assistance and advice to like-minded charitable groups, not limited by geography.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

We have undertaken weekly distribution of hot, cooked meals and care packs to the homeless and rough speakers in Bristol City Centre, each weekend in the year.

Initially this was run on every day across the weekend, but this was limited down to Friday & Saturday around autumn 2017 due to the intense workload, logistics and volunteers required to support.

We have successfully run these food distribution services since.

We have looked to engage the local community through engaging volunteers (recruited through social media posts), the local university, local schools and by engaging local businesses.

We have run a small number of engagement & support events. These have included a summer barbecue, attendance at a large fair in Bristol and a clothes giveaway drive for winter.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

Distribution of around 100 meals each evening of walking.

Walks have occurred on every weekend

We have run 3 events over the year (Eid barbecue and giveaway, stall at Bristol Fair and Christmas giveaway)

## Section E

The aim for the following year is to increase our donations and supports to invest in better services, maintain/purchase equipment, enable the more efficient administration of the charity.  
This means that reserves should be actively invested into the running of the charity.
