TRUSTEES' ANNUAL REPORT cont'd. FOR THE YEAR ENDED 31 OCTOBER 2017

Report of the Trustees for the year ended 31st October 2017

The Trustees present their report along with the financial statements of the charity for the year ended 31st October 2017. The financial statements have been prepared in accordance with the accounting policies set out on pages 7 and 8 and comply with the charity's Trust Deed, the Charities Act 2011 and the requirements of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in July 2014.

Structure, Governance and Management

The Charity is managed by the Trustees who are appointed under the terms of the Trust Deed, with daily administration being dealt with by the Corporate Trustee, Messrs Hoare Trustees. No fund raising activities are undertaken to support the work of the Charity.

Objectives and activities

The objects of the Charity are to pay or apply the capital or income of the Trust for:

- i) such charitable purposes and in such proportions as the Trustees shall think fit, or
- ii) for the charitable purpose of the body corporate of the Provost and Scholars of the House of the Blessed Mary the Virgin in Oxford, commonly called Oriel College.

Grant making policy

Donations are decided periodically and paid at the Trustees' discretion. Unsolicited appeals are considered as well as causes which have been supported in the past. Only successful applicants are notified of the Trustees' decision. During the year under review the Trustees made one donation totalling £40,000 (2016: three donations totalling £1,050) as detailed in note 4 of the financial statements.

As required by Charities Act 2011 the Trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities.

Achievement and Performance

The activities of the Trust remain satisfactory and the objects of the Trust were achieved during the year. All the funds of the Trust are considered to form part of one Unrestricted Fund, which may be used in general furtherance of the Trust's objects. The Trustees are satisfied that the Trust's assets are available and adequate to fulfil the obligations of the Trust.

Financial Review

Total unrestricted income during the year amounted to £445,645 (2016: £139,005). Total unrestricted expenditure, including grants, amounted to £45,873 (2016: £5,833). The net inflow of funds amounted to £471,384 (2016: inflow of £148,996). The financial statements for the year are set out on pages 5 to 10.

The Trustees are satisfied with the financial position of the Charity and that they have sufficient assets available to fulfil their obligations.

Related Parties

The Charity does not have a relationship with any other charity or charitable organisations.

Risk Management

The Trustees have considered what risks the charity faces and believe these to be fraud or poor investment performance. Adequate systems are in place to mitigate fraud and investment performance is regularly monitored.

Investment Policy and Performance

The Trustees may use their absolute discretion to invest the funds of he Charity as they think fit. The investment strategy is overseen by the Trustee, Mr Ewen Macpherson, whose performance is benchmarked against the targets as per the Trust's Investment Policy Statement. The overall investment strategy is to achieve long term capital growth in real terms.

TRUSTEES' ANNUAL REPORT cont'd. FOR THE YEAR ENDED 31 OCTOBER 2017

Reserves Policy

It is the Trustees' intention to maintain an unrestricted fund at least equivalent to the historical cost of investments together with a small cash balance of income, to enable them to respond quickly to appeals requiring more significant support where appropriate, the timing of which is unpredictable. The current level of unrestricted funds is £599,830.06 (2016: £199,561.68) which the trustees consider adequate.

Future Plans

The intention of the Trustees is to continue with the present policy with regard to investments and donations.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2017

1 ACCOUNTING POLICIES

(a) General Information

The GPS Macpherson Charitable Trust is an unincorporated registered charity with the Charity Commission for England and Wales, charity number 261045. The registered office for the Trust is Messrs. Hoare Trustees, 37 Fleet Street, London, EC4P 4DQ.

(b) Basis of Preparation

The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared in accordance with the Financial reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charity is a public benefit entity for the purposes of FRS 102 and therefore the charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

(c) Fund Structure

Income funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Capital funds comprise expendable endowments, where there is no requirement to spend the capital unless, or until, the Trustees decide to do so. These funds are invested to produce unrestricted income which can be spent in accordance with the charitable objectives.

Investment income, gains and losses are allocated to the appropriate fund.

(d) Income

All income is recognised in the Statement of Financial Activities (SOFA) when the conditions for receipt have been met and there is reasonable assurance of receipt. Where a claim for repayment of income tax has been or will be made, such income is grossed up for the tax recoverable. The following accounting policies are applied to different categories of income:

Grants and Donations Receivable

Grants and Donations are recognised in the SOFA when conditions for receipt have been complied with.

Investment Income

Interest receivable on deposit and securities is accounted for as it accrues. Dividend income receivable on securities is accounted for when received by the investment manager.

(e) Expenditure

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. The following accounting policies are applied to the different categories of expenditure:

Costs of Generating Funds

The costs of generating funds consist of investment management and certain legal fees.

Charitable Activities

Donations payable are recognised when they are approved by the trustees and the recipient of the grant has been informed of the amount to be paid.

Governance Costs

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit fees together with support costs.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2017

1 ACCOUNTING POLICIES (continued)

(f) Fixed Assets

Investments are stated at market value at the Balance Sheet date. The SOFA includes the net gains and losses on revaluation and disposals throughout the year.

(g) Realised and Unrealised Gains and Losses

All gains and losses are taken to the SOFA as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later).

(h) Going concern

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. After making enquiries the trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

(i) Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

With the exceptions of prepayments and deferred income all other debtor and creditor balances are considered to be basic financial instruments under FRS 102. See notes 7 and 8 for the debtor and creditor notes.

(j) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

(k) Key Estimates and Judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

2 TRUSTEES' REMUNERATION

Messrs. Hoare Trustees received a fee of £4,751.35 (2016: £2,392.81) for its services as Corporate Trustee.

No other trustees received remuneration during the year or received reimbursement for expenses.
