Trustees' Report

Some capital development has taken place in the Town Hall this year including a major renovation of the Supper Room, development of old toilets into a usable studio space/dark room, an old storage room that is now a let studio, a doorway created making the exhibition space more accessible to those needing to rely on the lift and various spaces decorated and a heritage room developed by The Princes Trust.

Financial review

Following the Trust's decision in 2016-2017 to align its financial year with HM Revenue and Customs and its stakeholders this year was a full 12-month reporting period and so caution should be exercised when making year on year comparisons with the previous period of 8 months duration.

The Trust was pleased that it was able to deliver all its key artistic objectives within the constraints of a tight budget and challenging economic environment. The Trust was able to successfully appeal its business rates making on-going savings of £2,734 per annum backdated to November 2015. The Trust has also moved to on-line banking that has reduced overhead and administrative costs whilst maintaining financial control. These and other cost cutting measures were made from core costs without adverse effect on the artistic programme.

The Trust is very grateful to receive on-going support from Wiltshire Council who maintains the fabric of their premises, supports the utility costs and provides a grant to support the artistic programme. The Trust is also grateful to Trowbridge Town Council who also provide valuable funding towards the running of the centre. Without this continued support the Trust would find it difficult to deliver its objectives for the benefit of Trowbridge and the wider Wiltshire community.

As well as receiving Grant Income and donations, the Trust also earns significant revenue from providing affordable leisure space for local organisations that also provides benefit for the community. The Trust rents space for local artists to use as studios at subsidised rates and earns commission on sales of artistic works through a shop on the premises. The Trust is also licensed to sell alcohol at performances and has recently purchased a coffee machine to further boost earnings.

The Trustees were satisfied with the financial performance of the business. Total free reserves declined marginally from £9,511 to £9,219 during the reporting period. The charity does not have a formal reserves policy. Whilst lower than it would prefer the Trustees nevertheless deem this to be adequate.

The financial statements have been prepared on a going concern basis however, as with many charitable organisations, it is challenging to obtain funding to cover core costs. The Trust is seeking new partners to establish long-term reliable sources of income and has an action plan to deliver this objective. The Trustees are confident of achieving these aims and will always take the necessary steps to ensure that the Trust remains solvent.

Trustee responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company and charity law applicable to charities in England/Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for that period. In preparing those financial statements the Trustees have:

- selected suitable accounting policies and applied them consistently,

Trowbridge Town Hall Trust Ltd

Registered number: 08142832

Trustees' Report

- made judgements and estimates that are reasonable and prudent,
- stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepared the financial statements on a going concern basis (unless it is inappropriate to presume that the Charity will continue in operation).

The Trustees have overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the detection and prevention of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small company provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the board on 0 January 1900 and signed on its behalf.

Trowbridge Town Hall Trust Ltd
Independent Examiners Report

Independent Examiners' report to the trustees of
Trowbridge Town Hall Trust Ltd

I report on the accounts for the period ended 31.03.18 set out on pages 7 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act) ; and
- to state whether particular matters have come to my attention.

Basis of the Independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Basis of preparation

Trowbridge Town Hall Trust Ltd is a charitable company established in the United Kingdom. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are described in the Trustees' report.

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' EFA, the and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

When applicable, designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Furniture, fittings, and equipment	over 5 years
------------------------------------	--------------

Trowbridge Town Hall Trust Ltd
Notes to the Accounts
for the year ended 31 March 2018

Debtors

Creditors

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Pensions

Contributions to defined contribution plans are expensed in the period to which they relate.

Going Concern

The financial statements have been prepared on a going concern basis however, as with many charitable organisations it is challenging to obtain funding to cover core costs. The Trust is working hard to find long-term reliable sources of income and have an action plan to deliver this objective. The Trustees are confident of achieving this aim and will always take the necessary steps to ensure the Trust remains solvent.
