TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2017

The Trustees present their report and accounts for the year ended 31 December 2017.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)".

Objectives and activities

The Macdonald-Buchanan Charitable Trust was created by Deed dated 9 December 1952. The Trustees shall hold the capital and the income of the Trust Fund upon trust to apply income and, as far as may be necessary, the capital for or towards such charitable purposes and to make donations to such charitable bodies or institutions at such times and in such manner as the Trustees may, in their absolute discretion, think fit.

Public benefit

The Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charities Commission.

The Trustees support a number of charitable organisations, as shown within note 16 to the financial statements. The Trustees believe all the donations made are for the public benefit.

Grant Making Policies

The Trustees meet annually to review applications for funding. Only successful applicants are notified of the Trustees' decision.

The Trustees had decided in 2016 that on an annual basis they would donate £15,000 to the charitable trust of each branch of the family so that the individual Trustees can take over the responsibility for allocating the more modest donations to the national and local charities with which they or their respective family members have a close personal affinity. In this way, it is hoped that this will reduce the administration burden on the Charity and reduce costs incurred in administration and accounts production. Following further review of the Charity's finances the Trustees decided they would make donation payments of £30,000 to the three family Charities to reduce the accumulated income from previous years. Following the same pattern established in the previous year.

The remaining annual income of the Charity is to be allocated by the Trustees to more substantial projects. The Trustees will individually research projects and bring proposals to their annual meeting for discussion and debate. It is acknowledged that some projects are likely to require significant funding and, therefore, there will be occasions when the income allocated to these projects will either need to be accumulated or committed for a number of years in order that a substantial donation can be granted. It is acknowledged that it is likely that this new regime will take a number of years in which to 'bed in' but the hope is that the Trustees will be able to identify two or three projects to support in order to make a contribution which would be meaningful and acknowledged as such.

Following the Trustees' meeting held in March 2016, the Trustees will no longer consider appeals which are directed to the Charity preferring to consider appeals that have been received by them individually. By defining the grant making policy, the Trustees hope to provide a more significant benefit to successful applications.

During the year under review, the Trustees resolved to make donations, as detailed in note 17 of these accounts.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

Main activities

The Charity was created by the Deed to make donations to such charitable bodies or institutions that the Trustees deemed necessary. The Trustees consider that they can continue to fulfil the terms of the trust by making grants of £30,000 to each of the Carriejo Charitable Trust and the Orrin Charitable Trust. Two donations where made to the Charities Aid Foundation accounts of Mr A R Macdonald-Buchanan and Mrs J R Macdonald-Buchanan for £48,000 and £2,000 respectively. These payments were made to enable those charitable trusts to take over the smaller regular payments previously made by the Charity which now wishes to focus support on providing greater funding to fewer charities. In addition, the Trustees decided to make payments of £7,000 to The British Racing School, £3,000 to The Light Dragoons Charitable Trust, £5,000 to Priors Court, £15,000 to Oracle Cancer Trust and £30,000 to Racing Welfare.

Achievements and performance

As a result of the income being produced by the Charity this has enabled the Trustees to fulfil their aim of making donations. The Trustees made charitable donations during the year of £170,000 (£105,000 in 2016).

Financial review

Total incoming resources were £165,018 (£130,015 in 2016), with £188,673 (£134,649 in 2016) being committed to charitable activities of which £11,573 (£10,509 in 2016) relating to costs of raising funds and £7,100 (£19,140 in 2016) relating to governance costs, resulting in net incoming resources of £370,903 (incoming £279,251 in 2016).

The total movement of resources in the year also include the realised loss in the year £30,144 (loss £91,009 in 2016) and an unrealised gain based upon the market value of the investments at the year end of £424,702 (gain £374,894 in 2016).

The Trustees have a balanced investment policy and therefore intend to only distribute income on an annual basis. Capital has been retained for the maintenance and growth of the Fund.

Policy on Reserves

It is the Trustees' aim to distribute or pledge the annual income arising from investments, less administration costs, in full each year to worthy causes. The capital of the Charity will be held to generate future income and to be available to allow individual donations should the Trustees so choose.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2017

Investment policy and performance

The investment objective for the Charity is for a balance between capital growth and income over the long-term, in-line with risk strategy 5 as defined by Rathbones' Terms of Business.

As at 31 December 2017, the portfolio was valued at £3,484,088 with an estimated gross annual income of £142,742 or a yield of 3.34%.

During the 12 months to 31st December 2017, the portfolio rose 14.71% on a total return basis. The Benchmark Index rose 8.91%. The Benchmark is composed of 70% FTSE 100 and 30% FTSE UK Gilts All Stocks Index. For information the FTSE 100, on a total return basis, rose 11.95%, the UK gilt market rose 1.83% and the WMA Balanced gained 9.92%.

Over the last year the Investment Manager has seen a period of synchronised global growth and continued low interest rates have been positive for global equity markets, despite the extreme political uncertainty that exists across the world. Those companies that can demonstrate consistent growth in this low inflation environment, especially within the technology sector have delivered good returns. The Investment Manager has seen good growth in markets from across the globe, led by strong gains from America, Asia and Japan. The bond markets continued to remain overvalued.

Over the period the Investment Manager has reduced exposure to UK equities, which now represents 53% of the portfolio. The Investment Manager has re-invested the proceeds into Japan, which they believe represents good value over the medium to long term. The Investment Manager is holding slightly more liquidity being 15% in cash and 8% in fixed income. The international equity exposure is now 24%.

The holdings are well diversified across different sectors both within the UK and overseas, generating income and capital growth, in-line with the risk profile and investment objectives of the Fund.

Risks

The Trustees are responsible for the management of the risks faced by the Charity. Risks are identified, assessed and controls established throughout the year.

A formal review of the Charity's risk management process is undertaken on an annual basis and the key risks identified are as follows:

Ineffective financial controls

* Investments

These risks are mitigated by engaging an independent investment manager who is regulated and in high standing in the market place.

* Cash

These risks are mitigated by having income mandated direct to the Trust's bank accounts and payments are only made to registered charities.

Through the risks management processes established, the Trustees are satisfied that the major risks identified have been adequately managed where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed. The major risks to which the Charity is exposed as identified by the Trustees have been reviewed and systems have been established to manage those risks.

Plans for the future

The Trustees do not envisage any further significant changes to their aims and objectives, they intend to continue supporting a fewer number of charities at an increased level.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

Structure, governance and management

The Trustees who served during the year were:

Mr A R Macdonald-Buchanan (Chairman) Mrs M C A Philipson Mr H J Macdonald-Buchanan Mrs J C Lascelles

Appointment of new Trustees

The statutory power of appointing new Trustees applies to the Charity and is vested in the continuing Trustees.

Trustees' training

The Trustees have been made aware of the need for training, particularly with regard to understanding risks inherent to the management of a larger trust fund.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland (FRS 102);
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees' Report was approved by the Board of Trustees.

Mr A R Macdonald-Buchanan (Chairman)

Trustee

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE MACDONALD-BUCHANAN CHARITABLE TRUST

I report to the Trustees on my examination of the financial statements of The Macdonald-Buchanan Charitable Trust('the Charity') for the year ended year ended 31 December 2017 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and related notes.

This report is made solely to the Charity's Trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the Charity's Trustees as a body, for my work, for this report, or for the opinions I have formed.

Respective responsibilities of Trustees and examiner

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (i) accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- (ii) the financial statements do not accord with those records; or
- (iii) the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Dated: 12 May Will

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1 Accounting policies

1.1 Accounting convention

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

1.2 Going concern

The Trustees consider there are no material uncertainties about the Charity's ability to continue as a going concern. The review of our financial position, reserves levels and future plans gives Trustees confidence the Charity remains a going concern for the foreseeable future.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.4 Incoming resources

Investment income is accounted for on an accruals basis in the period to which it relates.

Donations received by the Charity include the related gift aid credit where applicable. Donations are accounted for when any conditions for receipt have been met and there is reasonable assurance of receipt.

1.5 Debtors

Debtors are recognised at their expected settlement amount.

1.6 Cash and cash equivalents

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.7 Creditors

Creditors are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2017

1 Accounting policies

(Continued)

1.8 Resources expended

Management and administration costs comprise those costs incurred in running the Charity. They have been apportioned on the basis of time spent between charitable activities, cost of raising funds and governance costs.

Governance costs consist of those costs associated with the overall running of the Charity and meeting statutory and regulatory requirements.

Grants are included in the financial statements when approved by the Trustees and notified to recipients. The value of committed grants unpaid at the year end is accrued. Grants offered that are subject to conditions that have not been met at the year end are noted as a commitment but not accrued as expenditure. All funds are unrestricted.

1.9 Financial instruments

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in net income/(expenditure), except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

The Trustees do not invest in any complex financial instruments.

1.10 Investments

Fixed assets investments represent listed investments which are stated at market valuation, where market value represents the mid market value on the last trading day before the year end. Any unrealised or realised gains arising from investments are accounted for in the Statement of Financial Activities.

2 Returned donation

	2017 £	2016 £
The Hospital of John Langham	20,000	-

During the year The Hospital of John Langham returned a proportion of a donation made to them several years earlier following the completion of their refurbishment programme at the Alms Houses at Cottesbrooke.
