Age UK Selby District

Report of the Trustees for the year ended 31 March 2018

The Trustees, who are also Directors of the charity for the purposes of the Companies Act 2006, submit their report and independently examined financial statements for the year ended 31 March 2018 and confirm they comply with current statutory requirements.

These financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 Jan 2015) as detailed in the accounting policies.

Structure, governance and management

Age UK Selby District is a company limited by guarantee (company number: 07428157) incorporated on 3 November 2010 and a charity established by Constitution and registered with the Charity Commission (charity number: 1139928). The charitable company commenced activities on 1 April 2011.

Charitable Objectives

The aim and objective of the Charity is to promote the welfare of frail older people, together with their families and carers, within Selby and the surrounding district.

Trustees

The following Trustees have held office since 1 April 2017:

I White (Chair) (Appointed 27 July 2017)
R E Sayner
M J Meanwell
R Procter (Resigned 13 April 2018)

R H Drew (Vice Chair)
K Haggerty
J Thurlow

These Trustees constitute Directors of the Charitable Company for the purposes of the Companies Act 2006. None of the Trustees had an interest in any of the Charity's contracts either during or at the end of the financial year.

Report of the Trustees for the year ended 31 March 2018 (Contd)

Reserves Policy

The 50 Micklegate, Selby fund holds the additional costs made in purchasing the building along with the revaluation reserve required to recognise the value of the property at the time of transfer to the company structure.

The 53 Micklegate, Selby fund represents the purchase price of the building to be used for the replacement tearoom.

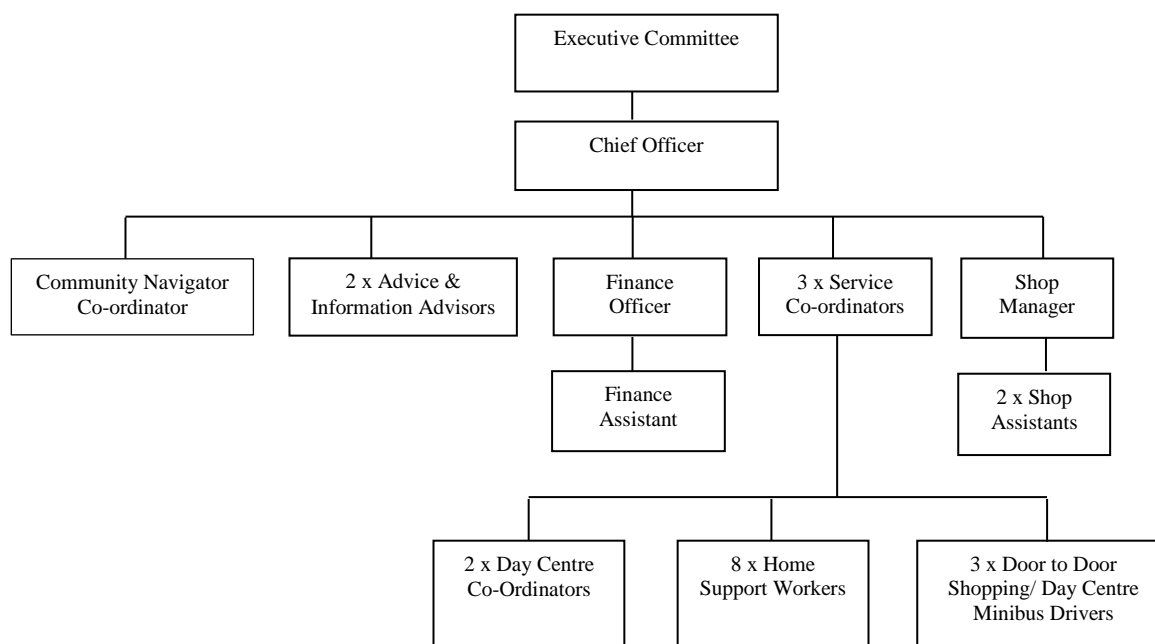

The minibus replacement fund has been maintained at £25,000 on the assumption that match funding will be available when the time comes for replacement. This fund will be transferred to the General Fund in 2018/19 following delivery of the new second minibus, which will be paid mostly by a grant already received in 2017/18.

The refurbishment fund of £30,000 has been transferred to the General Fund to cover most of the cost of refurbishment of the new tearoom at 53 Micklegate.

The Information and Advice fund has been reduced to £30,000 to reflect the lower level of activity/ resource allocation in line with the new NYCC contract awarded from October 2018.

Overall the organisation's unrestricted fund of £139,593 consists of the unspent accumulated profit from the charity shop. This sum represents roundly 5 months normal running costs, which is currently below the Charity Commission recommendation of having 6 months funding in reserve.

Organisational Structure

All the above Services are supported by Age UK Selby District Volunteers.

Age UK Selby District

Report of the Trustees for the year ended 31 March 2018 (Contd)

Trustees

All Trustees are required to retire at the Charity's annual general meeting but being eligible, those who wish to can offer themselves for re-election. New Trustees are either elected at the annual general meeting or appointed by the Board for the period to the next annual general meeting.

Review of Activities

A significant step in the development of the organisation was taken by acquiring the building at 53 Micklegate using £90,000 of accumulated funds as well as a mortgage of £100,000, to relocate the tearoom from the rented building in Ousegate which suffered from a poor footfall. It is pleasing to report that this has resulted in a significant increase in business.

Core Activities

Each year, we continue to see the organisation grow in terms of requests for service provision and general office enquiries for advice and information. It is a well-known fact that older people are living longer and need more support to enable them to live a comfortable and independent lifestyle. Core-funding is still an issue with our funders, who are reluctant to financially support this area of our work, without creating new innovative services.

The temporary post of Community Navigator Co-ordinator created to handle the work arising from the District funded project signposting clients to services available was removed during the year and subsequently replaced by a post fulfilling a Support role to the Chief Officer.

External Partnership

Age UK Selby District works with many other voluntary and statutory organisations to promote the welfare of older people living locally. Our links with our sister Age UK organisations within North Yorkshire through the REACT cooperative continue to strengthen. The county wide contract for a Home from Hospital service, coordinated by Age UK Knaresborough as the lead organisation, awarded by North Yorkshire County Council, has shown increased numbers taking advantage of the service and has also demonstrated the ability of the five independent Age UK organisations in North Yorkshire to work together to deliver a unified contract. The joint working arrangement with Selby DIAL funded by Selby District Council for the Community Navigator scheme was brought to a successful conclusion.

Charity Shop

The shop continues to be our main source of unrestricted funds. Shop takings reversed the trend of previous years by rising to £43,525 – an increase of £4,225 (11%) reflecting recovery from the forced closure to replace the shop frontage and door following a car accident last year and improved trading conditions.

Advice and Information

The two fully trained staff members continue to raise over £1million for elderly clients from advice and information which boosts spending in the local economy. The financial support from NYCC continued throughout 2017/18. One of the posts now offers advice to elderly clients on how to use computers funded by the Connect U grant.

Age UK Selby District

Report of the Trustees for the year ended 31 March 2018 (Contd)

Rural Social Centres

The two day centres run at Drax Power Station Sports and Social Club continue to be well supported. The Selby centre previously run in the rear room at the Tearoom, and now relocated, is growing in popularity.

Door-to-Door Shopping Trips

Using our two minibuses, a mixture of paid and voluntary drivers collect and escort older people from their homes and take them to the supermarket and then take them home and assist in carrying their shopping to their door. We now operate six separate services including four from the rural areas. Often older people cannot access the bus services or carry their shopping. For some elderly people this outing is the only one that they will have all week. Partial support from NYCC as part of the day activities funding has enabled these services to be put on a firmer financial footing.

The brand new minibus received in 2016/17 via NYCC, through a Government backed scheme, at no cost, has been well received by clients and staff.

Home Support

This expanding Social Enterprise activity is meeting a need not previously recognised in Selby District. Workload has steadily increased during the year with staff numbers rising to eight (including a relief position) to match the demand. Though much of the work relates to cleaning, shopping is also undertaken for the housebound while a dog walking service is also offered.

A regular exercise is carried out in order to ensure that the hourly rate that staff are being paid is in excess of the minimum wage when taking into account travelling time. As new clients come forward work rotas are adjusted to ensure that travelling time is kept to a minimum.

Telephone Befriending

This service, which is provided by a volunteer and overseen by a services co-ordinator, proves to be popular with those few clients who look forward to their weekly chat. The service is currently funded by North Yorkshire County Council.

Wheelchair Loan

These are loaned out on a short-term basis to assist older people to have days out and holidays.

Financial Review

Overall, net current assets reduced by £24,278 including the £30,000 Refurbishment fund spent on the new tearoom.

After excluding the value of the new minibuses received in the current and previous year, income fell by £17,179 (6%) to £270,890. Income from contracts (£67,787) and grants (£59,741) account for 41.9% of the total while service users, including the growing social enterprise work, now contribute income of £102,736 which is 33.7% of the total. Income from the charity shop takings have recovered to £43,522 which accounts for 14.3% of the total.

Excluding depreciation, expenditure for the year was £287,763. Staff cost (£221,089) now account for 72.6% of the cash expenditure. Cash in the bank is shown as £215,323 but this includes £46,000 received in advance for the new Minibus (£34,000), Morrisons Foundation re Connect You £10,000) and Sherburn Parish Council re I&A (£2,000). So excluding these, cash equates to 28.0% of the balance sheet value, down from 35.2% the previous year. At a time of continuing austerity and particularly with the uncertainty regarding the level of contract income from NYCC from October 2018 (now known), it is comforting to know the organisation has this safety net to allow any service adjustments arising from any financial changes to be done in a measured, thoughtful and compassionate way without any undue haste.

Age UK Selby District

Report of the Trustees for the year ended 31 March 2018 (Contd)

Financial Review (cont..)

The charity shop continued to trade profitably with takings rising by 10.5% to £43,522. With costs reducing marginally to £26,706 the net profit of £16,816 rose by £2,615 (18%). This reflects the recovery of the loss from the enforced closure due to the motor accident in the previous year and increasing trade.

The unrestricted reserves of £139,593 represent 5 months expenditure of the organisation including the charity shop. This is below the six months target that is recommended by the Charity Commission.

Pay policy for senior staff

The pay of the Senior Management Team is reviewed annually and is normally increased in line with inflation and comparable roles within the sector.

Risk Management

Internal controls for the handling of cash receipts, in the charity shop and the office (for service user contributions and home support payments) along with the processing of timesheets and expenses claims for payroll costs, were reviewed and the systems were found to be working well.

Age UK Selby District, knowing that its substantial contract with NYCC – which has been rolled on for longer than expected – was up for review, set off on a path of reducing its reliance on public finance by introducing its home support service and latterly its tearoom to generate income from users and customers. These measures are proving successful.

Insurances are reviewed annually for both of the buildings and the two minibuses. Health and Safety reviews are carried out annually for all activities that are operated by the organisation's staff who are encouraged to attend training sessions on matters such as moving and handling, food hygiene and first aid.

It was agreed that an experienced firm of consultants, Acton Jennings, be used to review and update our Health and Safety policies and procedures, which were found to be very good and comprehensive. They have produced staff handbooks and given us advice on all staff matters related to employment issues to ensure we meet current legislation requirements.

The Trustees believe that the organisation is a safe and secure place to work but acknowledge that there is no room for complacency and that vigilance must be the watch word.

Statement of Trustees Responsibilities

The trustees (who are also directors of Age UK Selby District for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure including of the charitable group for that year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

Statement of Trustees Responsibilities (cont..)

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's report to the trustees of Age UK Selby District

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2018.

This report is made solely to the Charity's Trustees, as a body, in accordance with Section 145 of the Charities Act 2011. My independent examination work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my independent examination work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ended 31 March 2018 the company was entitled to exemption from audit under section 477 Companies Act 2006. No member of the company has deposited a notice, pursuant to section 476, requiring an audit of these financial statements under the requirements of the Companies Act 2006.

The Directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year end of its profit or loss for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime within Part 15 of the Companies Act 2006.

Age UK Selby District

Notes to the financial statements for the year ended 31 March 2018

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

1.1 Charity information

The charity is a company limited by guarantee, and the liability of members is limited to £1 per member. The company is also a charity registered with the Charity Commission in England and the registered office is 50 Micklegate, Selby, YO8 4EQ.

1.2 Accounting convention

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Ireland (FRS 102), and the Companies Act 2006 and the Charities Act 2011.

Age UK Selby District meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at cost or transaction value unless otherwise stated in the relevant accounting policy notes.

1.3 Going Concern

The Trustees have at the time of approving the financial statements a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Income

Income in the Statement of Financial Activities is recognised when the charity has entitlement to the funds, any performance conditions attaching to the item(s) have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from donated goods is recognised at the point of sale. As a result of the high volume and low value of goods donated to the charity, the cost of recognising these items at fair value on receipt would outweigh the benefit of recognising them in the accounts.

1.5 Expenditure

Expenditure is included in the Statement of Financial Activities on an accruals basis.

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration, finance, human resources, and information systems which support the services provided.

Direct expenses are allocated to the specific fund to which they relate and any supporting costs are allocated pro rata.

1.6 Fund accounting

Funds held by the Charity are either:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the Trustees.

Designated funds – these are funds set aside by the Trustees out of unrestricted general funds for specific future purposes or projects.

Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the Charity. Restrictions arise when specified by the donor, contractual arrangement, or when funds are raised for a particular restricted purpose.

Age UK Selby District

Notes to the financial statements for the year ended 31 March 2018 (Cont..)

1. Accounting policies (cont..)

1.7 Staff costs

The costs of short term employee benefits are recognised as a liability and an expense where settlement of obligations does not fall within the same period.

1.8 Pension Costs

The charity operates a defined contribution scheme for the employees of the Charity. Contributions are charged as an expense to the Statement of Financial Activities in the period in which they fall due.

1.9 Operating leases

Rentals applicable to operating leases are charged to the Statement of Financial Activities over the period in which the cost is incurred.

1.10 Investments

Investments (other than investments in subsidiaries) are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.

The investment portfolio is held to generate returns and gains for the group and accordingly is designated as fair value through profit and loss ("FVTPL"). Under this designation the portfolio is revalued at each period end to its fair value, as determined by reference to quoted market prices and values determined by independent fund managers, with any gains or losses going through the Statement of Financial Activities.

Investment properties which are properties held to earn rentals and/or for capital appreciation, are measured using the fair value model and are stated at their fair value at the reporting date. The surplus or deficit on revaluation is recognised in the SOFA.

Investments in subsidiaries are stated at cost and the Trustees review the carrying value annually for indications of impairment.

Current asset investments relate to cash held on deposit in fixed interest fixed maturity deposit accounts.

1.11 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation, other than where assets were donated from the unincorporated charity when they were recognised at fair value. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Freehold buildings	2% Straight line
Minibus	25% Straight line
Equipment	33% Straight line

No depreciation is provided on freehold land and buildings as their residual value is considered to approximate or exceed cost so that any depreciation charge would be trivial.

1.12 Stock

It is impractical to estimate the fair value of goods donated for sale in the charity's shops due to the high volume of these items and to include it on the balance sheet. The value of these goods to the charity is instead recognised when they are sold.

1.13 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Age UK Selby District

Notes to the financial statements for the year ended 31 March 2018 (Cont..)

1. Accounting policies (cont..)

1.14 Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity held for working capital. Bank overdrafts are shown within borrowing in current liabilities.

1.15 Debtors

Prepayments and accrued income represent time apportioned expenses or income to be recognised in a future accounting period.

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. The impairment loss is recognised in the income and expenditure account.

1.16 Creditors, loans and provisions

Creditors, loans and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

Creditors, loans and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial liabilities are derecognised when, and only when, obligations are discharged, cancelled or they expire.

Amounts recognised as provisions are best estimates of the consideration required to settle the present obligation at the reporting end date, taking into account the risks and uncertainties surrounding the obligation.

2. Taxation

Age UK Selby District is a registered charity and as such is a charity within the meaning of schedule 6 of the Finance Act 2010. Accordingly, Age UK Selby District is entitled to tax exemption under part 11 of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992 in respect of income and gains arising.

3. Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are outlined below.

Residual values of freehold property

The charity owns a freehold property which is depreciated at cost less estimated residual value over its estimated useful economic life of 50 years. The residual value is estimated based on the current market value of the property assuming it is already of the age and condition expected at the end of its useful life.

The investment property was purchased at a market value of £190,000 on the 31 March 2017. The Trustees have agreed the purchase price with the seller after obtaining professional valuation of the property and consideration of its value with respect to recent market conditions and property transactions in the local area. The Trustees are of the opinion that the property purchase price still materially represents fair value at the balance sheet date.

Day Centres

The two Day Centres operating from Drax Power Station Sports and Social Club remain well supported. A minibus is used to transport the clients to and from the Centre. Attendance at the Selby "Pop-in" centre is growing, being available for Selby Town residents and surrounding villages. These centres are currently partly funded by NYCC with the new contract having been awarded until September 2018.

DDS Shopping

Primarily using the new minibus designed to hold shopping bags safely, the services for the residents of Selby, Tadcaster, Cawood, Hemingbrough, Hambleton/Thorpe Willoughby/Brayton, Chapel Haddlesey and Greenacres Caravan Park are much appreciated by the users. Funding is provided by NYCC along with grants obtained from the appropriate Town and Parish Councils with a contribution from the service users. The personal door to door service is particularly valued by the older community.

Community Fund - 50 Micklegate, Selby

The Community Fund provided the majority of the funding for the purchase of this property to allow the organisation to provide facilities and services for the local community for the long term.

New Minibus

The NYCC funded minibus which is specially adapted for handling of shopping has been well used during the year.

Social Enterprise

Recruitment activity of staff is an ongoing process both due to the growing workload and turnover of staff. While income now exceeds the direct costs, due to the high level of overheads that the activity attracts there is still a significant deficit.

Telephone Befriending

While NYCC would no longer support visiting clients the Council was keen to see the telephone befriending scheme extended. This activity is lead by one of the service coordinators who oversees the volunteer contacting the clients.

Community Navigator

This Selby District funded project was a joint scheme with Selby Dial and involved sign posting clients to the various service providers in the district. This project was completed during the year with the staff member being, subsequently, re-employed in another role in the organisation.

Connecting You

The new service assists older people to become familiar with the use of computers including Skype, Facebook and the internet, particularly for communication.

50 Micklegate, Selby

This fund represents additional costs of purchasing this building and the revaluation reserve required to recognise the value of the property (£212,000) at the time of transfer to the new Company structure.

53 Micklegate, Selby

The Charity Shop fund provided £90,000 towards the purchase and £30,000 towards the subsequent refurbishment property. The new property allowed relocation of the tea room services to the more central and accessible premises. The total, purchase cost of the property was £190,000 and the remaining balance of £100,000 was funded by a long term bank loan.

Refurbishment

This fund has been used during the year to pay for the creation of the new tea room in 53 Micklegate and therefore subsequently transferred to unrestricted funds in a year.

Information and advice

This scheme provides an information and advice service, particularly in rural areas. It is highly successful in bringing substantial increases in benefits to the client group. It is normally primarily funded from the organisation's reserves generated from the charity shop's profits but currently is again supported by NYCC in the new contract which is up for review at the end of September 2018.

17. Designated funds (continued)

Minibus fund

The fund has been kept at £25,000 on the assumption that match funding will be available to replace the second minibus which continues to need repairs. A new (mostly granted funded) minibus is to be received in 2018/19 and so this fund will be consequently transferred to unrestricted funds in that year's accounts.

18. Financial commitments

At 31 March 2018 the charity had outstanding commitments for future minimum lease payments under non-cancellable operating leases, which fall due as follows:

21. Related party transactions

Included within other debtors at the year end is a short term loan of £10,000 (2017 - £10,000) owed from Age UK (Trading) Limited a subsidiary undertaking. The loan is interest free and repayable upon demand.

At the balance sheet date £10,000 (2017 - £10,000) was included in debtors as amounts owed by subsidiary undertaking.
