STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

ASDA Foundation was originally established as a Charitable Trust. It was incorporated as a charitable company limited by guarantee on 22 January 2008 and ASDA Foundation's governing document is now its Memorandum and Articles of Association. ASDA Foundation is registered with the Charity Commission (charity number 1124268).

Appointment of trustees

There are currently seven trustees (also known as company directors) who are also the members of the charity. The chair of the trustees is currently appointed from amongst those trustees who are employees of ASDA Stores Limited ("ASDA Stores", company number 464777) and a deputy is appointed from the trustees who are not employees of ASDA to ensure that any potential conflicts of interest can be managed. All conflicts must be declared at the beginning of each trustee meeting. Any votes that are considered to have a benefit to ASDA Stores are voted on by independent trustees. The chair has a casting vote in the event of an equality of votes.

During 2018, the articles were updated to require that the board of trustees comprises between six and twelve trustees. Previously, during 2017, the articles required that the board of trustees must comprise between eight and twelve trustees.

The articles currently require that the board of trustees will be constituted at all times as follows:

- a minimum of three trustees who will be employees of ASDA Stores Limited;
- a minimum of three trustees who will not be employees of ASDA Stores Limited.

Per the articles in place during 2017, the board of trustees had to be (and were) constituted at all times as follows:

- · a minimum of four trustees who will be employees of ASDA Stores Limited;
- a minimum of four trustees who will not be employees of ASDA Stores Limited.

Trustees who are not employees of ASDA have relevant third sector and charity skills and experience, including grant-making experience.

Trustees are appointed by ordinary resolution, by a decision of the trustees or by ASDA. They retire by rotation from the board after three years in office, but are eligible for re-election.

Trustee induction and training

New trustees are provided with an induction pack including key constitutional documents, the Charity's accounts and relevant Charity Commission guidance. They are offered trustee training to ensure they are fully aware of their legal obligations under company law and charity law, and of the content of the Memorandum and Articles of Association and the decision making processes for the Charity. Before trustees may vote at any meeting of the trustees, they must sign a declaration confirming their willingness to act as a charity trustee and only in the best interests of the ASDA Foundation (and not as a representative of ASDA Stores Limited).

Achievements, performance and financial review

Achievements, performance and financial review of the Charity's activities in the year are detailed in the Strategic Report on page 8 of these accounts.

Management and administration

Trustees have delegated the recruitment, payroll and human resource requirements for all ASDA Foundation staff to ASDA Stores Limited. This team of six ASDA Stores colleagues is made up of the Foundation Manager, the Senior Coordinator and four Foundation Coordinators.

ASDA Foundation's operational management is performed by the Foundation Manager, who manages ASDA Foundation and issues reports to the trustees. The board of trustees make the final decision on all charitable donations.

The board of trustees meets quarterly (and, in any event, must meet at least once in each year) to agree donations and discuss matters requiring attention.

In line with the current grant agreement, financial support is provided to ASDA Foundation by ASDA Stores Limited, and the Foundation Manager meets on a monthly basis with a financial representative from ASDA Stores Limited to review the monthly management accounts.

Trustees' responsibilities in relation to the Financial Statements

The trustees must comply with the requirements of the Companies Act and of the Charities Act as to keeping financial records, the audit of accounts and the preparation and transmission to the Charities Commission and Companies House of:

- annual returns;
- annual reports;
- · strategic report; and
- annual statements of account.

Accounting records relating to ASDA Foundation must be made available for inspection by any trustee at any time during normal office hours and may be made available for inspection by members who are not trustees if the trustees so decide.

A copy of ASDA Foundation's latest available report and financial statements must be supplied on request to any trustee or member. A copy must also be supplied, within two months, to any other person who makes a written request and pays the Charity's reasonable costs.

Charitable objects, main objectives and activities

ASDA Foundation's charitable objects are as follows:

- to provide or assist in the provision for persons who by reason of their youth, age or infirmity or
 disablement, poverty or social and economic circumstances, have need of such facilities, or for
 members of the public at large in the United Kingdom, for recreation or other leisure-time
 occupation in the interest of social welfare with the object of improving the conditions of life for
 the persons for whom the facilities are primarily intended;
- to make donations or provide assistance for the relief of poverty, the advancement of education, the advancement of religion, the advancement of health or the saving of lives and the advancement of citizenship or community development; and
- to further such purposes which are charitable under the laws of England and Wales.

In furthering those objects, ASDA Foundation's main activities are:

- to fund local grant giving programmes and initiatives as agreed by the trustees;
- to administer funds raised for ASDA Foundation's national campaigns. During the year the main funds raised in relation to national campaigns were for Tickled Pink, Children in Need and Cash For Kids. Donation income and expenditure to all charities is disclosed on page 13;
- to provide financial support to those colleagues and immediate family members who have found themselves in significant financial hardship; and
- to provide emergency support in the event of a disaster. When overseas disasters occur, ASDA customers and colleagues support the appeal through the Disasters Emergency Committee.

Foundation guidelines

In line with its charitable objects, ASDA Foundation's main aim is to make donations to local good causes. Donations can be applied for in the form of Significant and Local Impact Grants and Green Token Giving funding. Colleagues of ASDA Stores Limited raising funds for their chosen local charities/communities may also apply to ASDA Foundation for further funding where the following guidelines are applied, for a minimum of two trustees to approve:

- teams of colleagues raising money for a good cause ASDA Foundation will make a
 reasonable donation depending on the number of colleagues involved, local good cause and
 amount raised (up to a maximum of £2,000)
- one or two colleagues raising money for a good cause up to a maximum of £300
- · sponsored activity e.g. 10k runs, marathons £100 per colleague

Compliance with Charities SORP requirements

In setting objectives, the trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Commission in exercising their powers and duties.

Fundraising

ASDA Foundation is principally funded by donations from ASDA Stores and commission income in relation to the National Lottery received by ASDA Stores. Where funds are received into the Foundation in relation to a fundraising campaign of ASDA Stores Limited, ASDA Foundation ensures that the campaign has been approved by the trustees in advance and that funds are spent on the purposes for which they have been raised.

ASDA Foundation is not aware of any complaints relating to such campaigns, but it works closely with ASDA Stores to ensure the compliance of charity law and to ensure any fundraising conforms to recognised standards. Should any such complaints ever arise, the Chairman would raise them with the trustees. ASDA Foundation and ASDA Stores are aware of the importance of protecting the public, including vulnerable people, from unreasonably intrusive or persistent fundraising approaches or undue pressure to donate and the nature of the way in which funds are raised means that the risks of abuse are inherently low.

Reserves policy

ASDA Foundation maintains reserves at a level sufficient to meet its objectives. This also enables funding to remain available for projects which last longer than one year.

Restricted and unrestricted reserves policy

ASDA Foundation's policy on restricted funds is to separately record donations and other sources of fundraising, where the fundraising is restricted to ASDA Foundation's chosen national charities or other specified charities. The majority of these incoming resources have been donated to the specified charities for their intended purpose. Restricted funds carried forward are £222,498, which will be distributed in a subsequent period in line with agreed terms, whilst ensuring sufficient reserves are maintained to meet ASDA Foundation's administrative costs.

The trustees have a policy of designating unrestricted funds for specific purposes. The majority of unrestricted funds are utilised on projects which make a real long-term sustainable difference to local communities, as well as supporting the local good causes our colleagues support. Unrestricted funds carried forward are £8,766,102. The majority of these are awaiting allocation by the trustees and will be distributed in a subsequent period.

A portion of the unrestricted funds carried forward will be designated for additional charitable activities linked to the ASDA Foundation's 30th anniversary in November 2018, and for new initiatives as part of the ASDA Foundation trustees' strategic review.

Relationship with other charities

As described above, our charitable fundraising is organised locally and ASDA Stores Limited colleagues work closely with local community charities. During the year, ASDA Foundation has supported major appeals and co-ordinated stores' fundraising for national campaigns including ASDA Tickled Pink, Children in Need and Cash For Kids. Donation income and expenditure to all charities is disclosed on page 13.

Trustees' statement as to disclosure of information to auditors

So far as each person who was a trustee at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow trustees and the Charity's auditor, each trustee has taken all the steps that he/she is obliged to take as a trustee in order to make himself/herself aware of any relevant audit information and to establish that the auditor is aware of that information.

In addition, during 2018 ASDA Foundation will administer funds raised to support the following charities and good causes:

- · Children in Need
- Disasters relief
- Cash For Kids

STRATEGIC REPORT (CONTINUED)

During the 2018 annual strategic planning process, trustees will review ASDA Foundation's grant-making priorities and how to build-on its strategic partnerships, grant-making capacity and impact at a community level. Within this process, trustees will consider the operational environment, such as the likely impact on the communities the ASDA Foundation reaches as a result of the UK leaving the European Union in March 2019. Trustees will analyse any potential statutory, regulatory, financial and operational risks arising from this process and identify any mitigating actions.

Principal Risks and Uncertainties

All monies are held as cash in bank accounts under the Charity's name. The key sources of income for the Charity are ASDA Stores Limited and The National Lottery, both of which are expected to continue generating funds for the foreseeable future, therefore the trustees have no concerns about the liquidity risk or the going concern of the Charity.

The trustees have reviewed the major risks to which the Charity is exposed. Appropriate systems and procedures have been established to manage or mitigate those risks. Risks identified included:

- the risk of funding causes/organisations which are not charitable or for the public benefit. ASDA Foundation has a detailed assessments system in place to ensure that projects funded are charitable and it undertakes due diligence on potential grantees. A number of trustees with considerable charity sector experience have been appointed and the Foundation is a member of the Association of Charitable Foundations. ASDA Foundation also specifies the purposes for which a grant is given and includes certain safeguards in its grant agreements;
- the potential risk to ASDA Foundation's assets. Investment advice has been sought and the trustees are reviewing their investment strategy and the way in which ASDA Foundation's assets are invested:
- the risk of fraud or other financial mishandling of charity assets. ASDA Foundation works with
 external advisors and ASDA Stores Limited to regularly review its approval systems and
 financial processes, to reduce the risk of fraud either internally or from third parties. The
 approval process is documented and is subject to review by the trustees, and ASDA Stores
 Limited's anti-corruption team help to audit successful applicants prior to payment;
- the potential risk to the independence of ASDA Foundation in its dealings with ASDA Stores Limited, given the necessarily close relationship ASDA Foundation has with its principal funder and the back-office support ASDA Stores Limited provides to the Foundation. ASDA Foundation ensures there are roughly equal numbers of trustees who are not employed by ASDA on the board, to ensure independent decision-making, and it takes independent legal advice. A conflicts of interest policy is in place, which requires trustees who have a conflict of interest to absent themselves from certain decisions and, where ASDA Foundation has a chair who is an employee of ASDA Stores Limited, the deputy chair must be independent of ASDA Stores Limited and leads on matters where the chair might have a conflict of interest;
- the risk that ASDA Foundation is inadequately publicised: the trustees consider that significant
 progress has been made in mitigating this risk and receive a considerable number of applications
 for grants. Actions have included the formation of a website and a wide range of promotional
 activities.

TRUSTEES' RESPONSIBILITIES STATEMENT

Company Law and Law applicable to charities in England and Wales requires the trustees to prepare the Report and Financial Statements for each financial year which give a true and fair view of ASDA Foundation's financial activities during the year and of its financial position at the year end. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume ASDA Foundation will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of ASDA Foundation and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the articles of association. They are also responsible for safeguarding the assets of ASDA Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ASDA FOUNDATION

We have audited the financial statements of The ASDA Foundation for the year ended 31 December 2017 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement and the related notes 1 to 9, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accounting Practice), including FRS 102 "The Financial Reporting standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2017 and of its
 incoming resources and application of resources, including its income and expenditure, for the year then
 ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast
 significant doubt about the charitable company's ability to continue to adopt the going concern basis of
 accounting for a period of at least twelve months from the date when the financial statements are authorised
 for issue.

Other information

The other information comprises the information included in the annual report on pages 3 to 7, and the strategic report on pages 8 to 9, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report, which includes the trustees' annual report and the strategic
 report prepared for the purpose of company law, for the financial year for which the financial statements
 are prepared is consistent with the financial statements; and
- the strategic report and the directors' report included within the trustees' report have been prepared in accordance with applicable legal requirements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ASDA FOUNDATION (CONTINUED)

Matters on which we are required to report by exception

In light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have identified no material misstatements in the strategic report or the trustees' annual report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of trustees' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit. [or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement on page 10, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the charitable company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparation

The financial statements of The ASDA Foundation have been prepared in compliance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The principal policies adopted in the preparation of the financial statements are set out below.

The key sources of income for the charity are ASDA Stores Limited and The National Lottery, both of which will continue generating funds as a going concern for the foreseeable future, therefore the trustees have no concerns about the liquidity risk or the going concern of the charity. These financial statements are therefore prepared on a going concern basis, under the historical cost convention.

Income

ASDA Stores Limited funds ASDA Foundation with an annual lump sum donation, agreed by the company and trustees each year. Profits from the mid-week National Lottery are also donated. This income is recognised on an accruals basis. These funds are donated by ASDA Foundation to projects and local good causes which have been nominated by colleagues. Supporting their local good causes and sustainable projects makes a real long term difference to local communities.

Additional income is received from fundraising for ASDA's national charities which during the year were, ASDA Tickled Pink, Orchid, Children in Need and Cash For Kids. This income is recognised as the donations are received.

Expenditure

Expenditure is recognised on an accruals basis and comprises:

- donations to local charitable good causes;
- governance costs, which relate to the salary of the Foundation Manager, for administering and distributing funds, and fundraising activities of all projects including ASDA Tickled Pink, Orchid, Children in Need, Disasters relief and Cash For Kids;
- legal fees for all documentation relating to the trust, trustee retirement and appointment;
- audit fees; and
- · trustees' expenses.

All other costs associated with organising and running charity events are borne by ASDA Stores Limited.

Debtors

Debtors are stated at their nominal amount (discounted if material) and reduced by appropriate allowances for estimated irrecoverable amounts, if applicable.

Creditors

Creditors are non-interest bearing and are stated at their nominal value.

As at 31 December 2017

2. RESTRICTED FUNDS

ASDA Foundation has a number of restricted income funds to account for situations where a donor requires that a donation must be spent on a particular purpose or where funds have been raised for a specific purpose.

3. UNRESTRICTED FUNDS

The income funds of ASDA Foundation include unrestricted funds comprising the following unexpended balances of donations and grants held on trust which the trustees are free to use in accordance with the charitable objects.

Within these funds are monies collected through ASDA Stores Limited for a particular purpose; these are hence transferred to that charity's restricted fund for distribution:
