Trustees Report 2017

Objects and Public Benefit Statement

The RSPCA Aberconwy branch is an unincorporated charitable association and a separately registered branch of the Royal Society for the Prevention of Cruelty to Animals (the society), carrying out its direct animal welfare work in the areas of Aberconwy.

The objects of the branch are to promote the work and objects of the societyto promote kindness and to prevent or supress cruelty to animals by all lawful means- with particular reference to the area of the branch, in accordance with the policies of the society.

The Trustees have reviewed the outcomes and achievements of our objectives and activities for the year, to ensure they remain focused on our charitable aims, and continue to deliver benefits to the public. We have complied with the duties under the Charities Act 2006 to have due regard to public benefit guidance published by the commission.

Advancement of animal welfare

Under the Charities Act 2006, the advancement of animal welfare is recognised as a distinct statutory charitable purpose. This legislation and the Animal Welfare Act of the same year indicate an acceptance by society that treating living creatures with compassion has a moral benefit for the public as a whole. Whilst this public benefit is clear, it is sometimes difficult to quantify and must be balanced against any detriment.

The Branch's animal welfare work , although local in nature, benefits society at large, and also aims to help people in need with the care of their animals. The next section of this report highlights the Branch's main activities and demonstrates the benefit provided to the public. All our charitable activities, as

described in more detail in the following pages of this report, focus on promoting kindness and preventing or suppressing cruelty to animals and are undertaken to further these purposes for the public benefit.

Charitable activities pursued for the public benefit

We support our local Inspectors by taking in, free of charge, mistreated or abandoned animals, including pets whose owners suffer ill health or financial difficulties or pass away. The society's Inspectorate (as well as providing education, information and advice) rescues animals in distress and enforces laws against the cruel mistreatment of animals in England and Wales by bringing prosecutions. This work is key to 'the prevention or suppression of cruelty' part of the RSPCA objects, and promotes humane sentiments towards animals which involves moral benefit to humankind as a whole.

We provide subsidised veterinary treatment for animals which are sick or injured and belong to local people on low incomes. This work benefits those on means tested benefits by giving them financial help to obtain care for companion animals in need of veterinary treatment.

We provide subsidised neutering and micro chipping of companion animals for those in the Branch area on low income. This work helps to control dog/cat populations through neutering and benefits those on means tested benefits by giving them financial help to neuter and microchip companion animals, thereby promoting responsible pet ownership.

We support our local Inspectors by assisting in emergency payments for veterinary treatment, contributing to the Regional Board's Emergency Boarding and Voucher Schemes.

We re-home a small number of animals in need to people willing and able to have a companion animal. We visit every home first to make sure it is suitable for the animal concerned and make follow up check afterwards to ensure the animal welfare comes first.

We take in, where possible, lost animals and publicise them on our branch website and social media and take steps to reunite them with their owners by keeping records of lost and found animals and offering advice. We respond to enquiries and requests for assistance via e-mail, telephone calls and face to face and via the Society's National Control Centre from the public about animals locally.

We offer free animal care advice from our own experience and knowledge, or referring them to our own or other websites, RSPCA literature, the NCC, local vets or other bodies.

Within the terms of our governing document, we support the National Society, Regional Board, RSPCA Bryn Y Maen Animal Centre and other RSPCA branches through collaborating on joint projects such as the Friends of Bryn Y Maen Dog Show and providing additional funds.

We provide volunteering opportunities for those who wish to support our work, including trusteeship, fostering and fundraising.

We always strive to spend as little as possible on administrative costs and ensure the maximum amount of donations is spent on animal welfare.

This year has been a successful one. Our charity shop income remains to be stable thanks to Shelia our shop manager and her dedicated volunteers. The shop continues to be one of our main sources of income and the volunteers do a fantastic job of running it on a daily basis.

Our mobile clinic service continues to thrive and Jim Mason the mobile clinic vet continues to provide a fabulous service with our team of dedicated volunteers that continuously help Jim out on the mobile.

Our partner branches West Gwynedd, Clwyd and Colwyn, Wrexham and Yyns Mon have been a fantastic support and the volunteers from each branch have been dedicated and keen to help. We were delighted when these branches joined with us to help and support us and now the mobile clinic is busier than ever before and we are so proud that we can offer this unique service to the animals of North Wales. Our animal welfare clinic has had a busy year and has treated 2451 animals. This total includes 1765 dogs, 634 cats, 24 rabbits and 28 small animals. We have implanted 52 animals with microchips. We have also treated 59 cases of wildlife and 42 of these animals were released safely back into the wild.

All of this would not be possible without our amazing clinic staff who work so hard to do an excellent job putting animal welfare first. Pam, Kelly and Emma go above and beyond the call of duty to put the animals first alongside our fantastic team of volunteers. Kelly has started Nurse clinic's this year which is a huge help to the vets and they are running well. Emma is also doing more hours to help us out in the clinic. We are very lucky to have them to help the girls do a fantastic job. We also have a brilliant team of vets to include Jim, Alison, Lowri, Chris and Ann.

This year Pam, Kelly and Emma have managed to re-home 50 animals, to include dogs, cat's rabbits. They do a great job helping these animals find a forever home. They go out to inspect these new homes and deliver them safely and then takes the time to follow up contact to make sure these animals have the best homes. A huge thank you to our lovely fosterers who look after the animals while they are waiting for their forever homes, we would not be able to re-home so many animals without them.

Pam continues to do an excellent job organising fundraising and this year the team have had a great year raising funds to help keep the clinic running. This includes:

- Trax event in Llandudno Junction where they organised a dog show, cake stall and tombola and raised £96.
- Deganwy Prom Day where they raised £188.
- Pets at Home collection week that raised £542.96.
- Llandudno church fayre where £222.40 was raised.
- Bryn Y Maen dog show where they held a table top sale and tombola and raised £112.
- Pub event in Old Colwyn that raised £700.
- Raffles that raised £214.50.

This amazing effort has raised a total of £2075.86. Pam and the team give up their weekends to raise this money and it makes a huge difference to our clinic so a big thank you to them all.

This year the branch continued to participate in the PAN Wales Cat Neutering programme in collaboration with Cats Protection and have neutered and micro chipped lots of cats. All parties concerned play a huge part and work well as a team. This year we have enjoyed working closely with the Colwyn and Clwyd branch and the West Gwynedd branch and we would like to thank them for their support.

I also think we are very lucky to have such a great team of Inspectors and a fantastic Branch Support Specialist who has been my rock on several occasions.

I would lastly like to thank our lovely committee who give up their free time to make monthly meetings and quite often last minute meetings to discuss certain items. Every one of the committee members has strength to bring to the meetings and make decisions to enhance the clinic.

Unfortunately one of our vets, Chris Cater, left us at the beginning of the year. He has been a huge part of the RSPCA Aberconwy since it first started up and will be sadly missed. We could not let him go without showing him how much he has been appreciated over the years so we would like to present him with an outstanding service award.
