DIRECTORS' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2017

The Directors present their report on the affairs of the charitable company together with the accounts for the above year.

The following report is prepared in accordance with the small company regime (Section 419(2) of the Companies Act 2006).

Objectives and activities

The objects of the charity are to promote the voluntary sector for the benefit of the public in Croydon and the surrounding area. The voluntary sector refers to charities and voluntary organisations and does not refer to local government or other statutory authorities.

The main activities undertaken in relation to those objectives are fundraising activities staged for the benefit of other charities including charity balls, comedy benefits, competitions etc and local community involvement projects with staff from local companies in Croydon and local charities.

The charity is supported in this endeavour by its subsidiary undertaking Croydon Commitment Events Limited, which organises fundraising events. This company was incorporated on the 11 September 2007 and started trading on 28 September 2007. The subsidiary's accounts have been made up to 31 December 2017. Its entire surpluses have been transferred to the parent charity by way of gift aid. No consolidated accounts have been prepared.

The trustees confirm that they have referred to the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

DIRECTORS' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2017

Achievements and performance

The Directors feel that the overall standing of the charity has reflected the economic pressures that have continued to impact on our broader operational environment. Performance was in line with expectations with predicted reductions in certain revenue streams resulting in the year end position. As we move in 2018 continued careful monitoring and management of the financial resources available will ensure that the Charity continues to operate within the acceptable parameters. We feel that the report and accounts are a true reflection of the charity's receipts for the financial year and the income generated has met with our previous cautious financial forecasts.

In 2017, Croydon Commitment undertook a comprehensive strategic review which included extensive consultation with stakeholders, beneficiaries and wider partners. The review explored the options for the future of the charity in a changing landscape. The review looked at the role and positioning of the organisation and the services it provides to its members. The review also undertook an audit of the charities governance, funding and resourcing. The review led to the directors adopting an improved delivery model for the charity that resulted in the appointment of a new role of Chief Executive Officer.

The Directors and CEO worked together with local stakeholders to create a new three-year Strategic Business Plan 2018-20 for the organisation. Croydon's Commitment new thematic programme addresses five key thematic areas; Education, Employment, Environment, Health and Wellbeing and Social Inclusion and offers a range of practical ways businesses can work together to address the issues of deprivation and inequality in Croydon.

The charity has developed two new strategic partnerships with London Youth and Teach First both addressing the significant issues surrounding youth unemployment within the borough. Our Corporate Social Responsibility brokerage continued to work with members on a range of team challenges. In 2017, we launched our lunchtime literacy programme with great success and look to roll this out to new members in 2018. In 2017 over 300 employee volunteers contributed 1448 hours to the local community.

As part of the improved delivery model and the new business plan, the Directors are working with the staff team to deliver an improved communication plan which has included a brand refresh and new website. The refreshed communications will roll-out in early 2018 with the aim of raising the impact and profile of the charity within Croydon.

The charity is confident in a changing climate that the organisation can grow and attract new members across Croydon. The charity will continue to work alongside local stakeholders to meet its charitable objectives and realise its vision of establishing the borough as a centre of excellence in Sustainable Development.

Financial review

Croydon Commitment has a policy regarding the level of reserves held at any one time in the bank, and this is that the amount of money held on reserve is a minimum of six month's of the charity's running costs. This in real terms currently amounts to £17,000 being held in the bank account and guarantees that the charity may still operate for at least that period if financial difficulties ensue. This requirement was satisfied as at the 31 December 2017. We feel this is a responsible action on our part and is in accordance with guidelines laid down by the charities commission.

The Directors have assessed the major risks to which the charitable company is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charitable company is a company limited by guarantee.

The governing document is the memorandum and articles of association.

The methods adopted for the recruitment and appointment of new directors is by invitation only in full agreement of the board.

INDEPENDENT EXAMINER'S REPORT

TO THE DIRECTORS OF CROYDON COMMITMENT LIMITED

I report on the accounts of the charitable company for the year ended 31 December 2017, which are set out on pages 5 to 12.

Respective responsibilities of Directors and examiner

The directors, who also act as trustees for the charitable activities of Croydon Commitment Limited, are responsible for the preparation of the accounts. The Directors consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met ;or:
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
