TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2017

The trustees present their report and financial statements for the year ended 31 December 2017.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's declaration of trust, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)"

Objectives and activities

The policies adopted in furtherance of these objects have been the purchase of housing for and the employment of Christian children and youth workers, support for the New Wine Discipleship Year Hub for West London and support for Discipleship Year Students based at St Paul's Church, Ealing.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the trust should undertake.

Achievements and performance

The trust's activities during the year have continued to be the support of Christian youth and children's pastors and also to support the local New Wine Discipleship Year training hub. The trust supports the Wormwood Scrubbs Community Chaplaincy through the employment of a support worker to co ordinate the voluntary mentors in their role of assisting suitable prisoners both while in prison and on release.

The trust acts as the host for Ealing Besom, which receives donations of good quality second-hand furniture and equipment and matches this with those in need in the local community. Referrals are received from the community, via Ealing Foodbank, Social Services and other community groups.

The trust expects to continue to work across these areas with no significant change in activities in the coming year.

Financial review

The financial transactions during the year and financial position at the end of the year are summarised in the attached accounts. Most of the trust's income for the year came from St Pauls Church Ealing and its members. The trustees consider that the financial position at the end of the year was satisfactory.

There were total reserves held at the balance sheet date of £760,946 (2016 - £769,822). Of these, £578,229 (2016 - £599,364) were restricted and £182,717 (2016 - £170,458) unrestricted.

The trustees aim to hold reserves equivalent to three to four months' average expenditure in order to allow for fluctuations in the timing of receipt of income and to ensure that the trust can meet all of its expenditure requirements.

In addition to this, the reserves at the end of the year include money held to cover costs incurred for the New Wine Discipleship Year as this runs on an academic year rather than a calendar year.

The trustees have reviewed the major risks facing the trust and are satisfied that all reasonable measures are in place to mitigate their effect. They intend to keep these matters under regular review.

Structure, governance and management

The trust was established by a charitable trust deed on 26 June 1998. The trust objects are to promote the advancement and awareness of Christianity throughout West London and the London Boroughs of Ealing and Hounslow, in particular by providing assistance and support to young people, the elderly, ex offenders or others in conditions of hardship or distress as a result of social circumstances or disadvantage.

The trustees who served during the year were: Sara Sinker

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF WEST LONDON COMMUNITY TRUST

I report to the trustees on my examination of the financial statements of West London Community Trust (the trust) for the year ended 31 December 2017.

Responsibilities and basis of report

As the trustees of the trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the trust's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the trust as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1 Accounting policies

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's declaration of trust, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The trust is a Public Benefit Entity as defined by FRS 102.

The trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Donations are credited in the accounts when they are received. Income tax recoverable on Gift Aid donations is credited at the same time as the related donation.

1.5 Resources expended

Expenditure is recognised in the accounts at the time when a liability to make payment is incurred.

1.6 Tangible fixed assets

Tangible fixed assets other than freehold land are stated at cost less depreciation.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Land and buildings
Plant and machinery

2% per annum on cost 25% per annum on net value

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost.
