STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is a registered charity and is governed by its Trust Deed dated 6 November 2000.

Organisation

The charity is administered by the governors who are the trustees. Every trustee holds office until he/she shall die or shall cease to hold office by virtue of the Trust Deed.

The day-to-day affairs of the charity are administered by the trustees whose Chair is Mr S Honig.

Where there is a requirement for new trustees, these would be identified and appointed by the existing trustees. The chair of trustees would be responsible for the induction of any new trustee, which involves awareness of a trustee's responsibilities, the governing document, administrative procedures, and the history and philosophical approach of the charity. A new trustee would receive copies of the previous year's annual report and accounts, with detailed explanation thereof.

All trustees give their time voluntarily and no benefit or expenses were paid to them in the year.

Related Parties

There are no related party transactions which require disclosure.

Risk Management

The trustees have identified and reviewed the major risks to which the charity is exposed, in particular those related to the operations and finance of the charity, and are satisfied that systems are in place to manage those risks.

It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

YEAR ENDED 5 APRIL 2018

OBJECTIVES AND ACTIVITIES

The Trust is established to further those purposes both in the United Kingdom and abroad recognised as charitable by English Law. In furtherance of these objects, the charity receives income from voluntary donations which it utilises in the provision and distribution of grants, donations for charitable purposes. It has concentrated its activities in support of established Jewish organisations engaging in education, advancement of religion in accordance with the Jewish faith and the giving of philanthropic aid to the Jewish needy.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

Grant Making Policy

The charity accepts applications for grants from representatives of Orthodox Jewish Charities, which are reviewed by the Trustees on a regular basis. The charity applies the income it receives mainly from voluntary donations in the provision and distribution of grants and donations to Orthodox Jewish Charities.

ACHIEVEMENTS AND PERFORMANCE

The main areas of charitable activity are the provision of financial support. During the year the charity has continued its philanthropic activities and has maintained its support of established Jewish organisations engaging in education, advancement of religion in accordance with the Jewish faith and the giving of philanthropic aid to the Jewish needy. The reserves remain available to organisations engaging in activities compatible with the aims and objectives of the charity. The trustees expect such demands to increase in future years.

The financial results of the charity for the year ended 5 April 2018 are fully reflected in the attached Financial Statements together with the Notes thereon.

Charitable donations in the year totalled £289,135 (2017 - £245,870).

FINANCIAL REVIEW

Financial Position

The financial position of the charity is satisfactory.

The Statement of Financial Activities shows a net surplus for the year of £7,558 (2017 - £14,127 deficit) and total reserves of £296,891 (2017 - £289,333).

Reserves Policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the trustees think appropriate after considering the future commitments of the charity.

The Reserves Policy of the trustees is to maintain unrestricted funds, which are the free reserves of the charity, at a level they consider appropriate to the charity's needs taking into account likely future requirements. A proportion of the reserves is held in readily realisable form to cover on-going grant-making activities and contingencies arising from additional calls made upon the charity for the support of organisations in times of need. The charity's reserves are represented by unrestricted funds arising from past operating results. The trustees are satisfied that the present balance of distributable reserves is sufficient to support anticipated expenditure.

The charity's reserves policy is based upon the application each year of a significant portion of such unrestricted funds as are available, whilst at the same time building up its income producing base. The intention is to strengthen the charity's ability to sustain a high level of charitable distribution for the foreseeable future.

Principal Funding Sources

The charity's principal funding sources in the year were from voluntary donations.

PLANS FOR FUTURE PERIODS

The trustees plan continuing the activities outlined above in the forthcoming years subject to satisfactory incoming resources to continue making distributions in accordance with their grant-making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

ZICHRON YECHESKEL TRUST
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ZICHRON
YECHESKEL TRUST
YEAR ENDED 5 APRIL 2018

I report to the trustees on my examination of the financial statements of Zichron Yecheskel Trust ('the charity') for the year ended 5 April 2018.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. ACCOUNTING POLICIES *(continued)*

Resources expended

Expenditure is recognised as soon as there is a present obligation committing the Charity to pay out resources, it is probable that a transfer of economic benefits will be required in settlement and the amount can be measured or estimated reliably.

Support costs

Support costs are those costs which are common to all areas of the organisation. These are allocated across all areas of activity on the basis of the number of service users for each activity.

Governance costs

Governance costs are associated with the governance arrangements of the charity and relate to the general running of the charity. These costs include audit, legal advice for Trustees and costs associated with meeting constitutional and statutory requirements such as the cost of Trustee meetings and the preparation of the statutory accounts.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.
