Structure, Governance & Management

Description of the Charity's Trusts

Type of Governing Document: Constitution

How the Charity is Constituted: Charitable Incorporated Organisation

Trustee Selection Methods: Trustees are to be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

How New Trustees are Inducted and Trained: New trustees are given a copy of the current version of constitution together with a copy of the CIO's latest Trustees' Annual Report and statement of accounts.

Additional Governance Issues

All trustees give their time voluntarily and receive no remuneration or other benefits

Objectives & Activities

Summary of the Objects of the Charity as set out in its Governing Document

To promote the conservation of the marine environment worldwide for the public benefit by engaging the public in scientific study and to facilitate research of marine plankton and the food chain in order to advance collective knowledge and understanding of the marine ecosystem and to maintain biodiversity for the public good.

Summary of the Main Activities Undertaken for the Public Benefit in Relation to the Charity's Objects

The focus of our activity is upon enabling the public in the scientific study of the marine plankton and the food web it supports for the public good. To that end The Secchi Disk Foundation promotes scientific study by the general public and creates and distributes to the public free online tools and educational materials, and maintains websites and databases accessible freely by the public.

Achievements & Performance

Statutory Declaration

The trustees declare that they have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their powers or duties.

Summary of the Main Achievements of the Charity for the Year

The Secchi Disk Foundation received one grant this year from the Marine Biological Association of the United Kingdom to enable the Foundation to fulfil its charitable objectives. As a result the Foundation has been able to update its online materials, smartphone applications, instructional videos and websites to engage the public in scientific study and to facilitate research of marine plankton and the food chain. In The Secchi Disk Foundation's first, full year it also published the first scientific output in the journal PLOS One (<https://doi.org/10.1371/journal.pone.0186092>). As a result, the Foundation has engaged the public to provide a greater understanding of the marine ecosystem for the public good.

Financial Review

Brief Statement of the Charity's Policy on Reserves

The Secchi Disk Foundation's Trustees aim to maintain a financial reserve to mitigate any one of the following:

- i) The risk of an unforeseen need for funds, e.g., an unexpected need to maintain services that the Foundation provides such as mobile apps, databases etc due to circumstances outside the Foundations control. This includes funds to cover unforeseen day-to-day operational costs.
- ii) Funds to enable the Secchi Disk Foundation to carry out work that cannot be met by future income alone, e.g., to promote the work of the Foundation or for a project that requires the Secchi Disk Foundation to provide 'matched funding'.
- iii) To fund short-term deficits in a cash budget, e.g., money may need to be spent before a funding grant is received.
- iv) To provide secure funding for long-term resources provided by third parties that the Secchi Disk Foundation relies upon such as internet services, and other similar longer-term costs as the Trustees see fit.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. *Delete [] if not applicable.*

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no matter has come to my attention ~~(other than that disclosed below *)~~

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
 have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
