BRISTOL REFUGEE RIGHTS TRUSTEES' ANNUAL REPORT YEAR ENDED 31 MARCH 2018

The Trustees present their report and the unaudited financial statements of the charity for the year ended 31 March 2018.

Reference and administrative information forms part of this report. The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the FRS102.

Structure, Governance and Management

Organisation

Bristol Refugee Rights was incorporated as a company limited by guarantee on 9th January 2006, originally under the name Holding Refugees and Human Rights in Mind, and registered as a charity on 11th November 2008.

The Charity is controlled by its governing document, Memorandum and Articles of Association. Governance of BRR is through a Board of Trustees elected by the membership at the AGM. The board has final legal authority and is responsible for overseeing the operation of the entire charity and its activities. The Chair and Vice chair and Treasurer are elected annually and Trustees are elected for a three year term. All new Trustees take part in a formal induction programme and receive regular training.

The Board meets six times in a year. It regularly reviews its structure and the individual and corporate responsibilities of Board members. The Board of Trustees can set up sub-committees (i.e. to deal with detailed finances, personnel issues etc.) but all key decisions have to be taken by the full Board and sub-committees have to report back to the Board. At the moment there is one sub-committee which meets regularly to deal with staffing, finance and fundraising. Other sub-committees such as premises, Early Years Project and media and campaigns meet only as required.

Risk Review

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees recognise the importance of identifying and putting in place effective arrangements for the management of risk. A risk register has been established and has been approved by the Board of Trustees. It is kept under continual review by the Board of Trustees and any changes to risk are reviewed at each Trustees meeting. Financial risks associated with reducing income streams from the government and trust funding has led to development of income generation strategy which allow for the diversification of funding and activities. Where appropriate, systems or procedures have been in place to diminish the risk the charity faces. These procedures are periodically reviewed to ensure they continue to meet the needs of the charity.

BRISTOL REFUGEE RIGHTS TRUSTEES' ANNUAL REPORT YEAR ENDED 31 MARCH 2018

The Directors

The Board of Directors, who are Trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

Objectives and activities

Objects of the Charity

To relieve the needs of asylum seekers and refugees by the provision of information, advice and support.

To preserve and protect the physical and mental health of asylum seekers and their dependants and those granted refugee status and their dependants.

To advance the education of the public in general about the issues relating to refugees and those seeking asylum.

To provide facilities for recreation or other leisure time occupation with the object of improving the conditions of life of those persons who have need of such facilities.

To advance the education and training of refugees, asylum seekers and their dependants.

To promote human rights (as set out in the Universal Declaration of Human Rights and subsequent United Nations conventions and declarations) by all or any of the following means:

- relieving need among the victims of human rights abuse
- conducting research into human rights issues
- educating the public about human rights
- raising awareness of human rights issues
- promoting public support for human rights
- promoting respect for human rights among individuals and corporations.

The charity provides a community hub (Welcome Centre) where asylum seekers and refugees can meet and be supported to play a full part in the life of the wider community. Most of our services are delivered by volunteers including around 40% who are asylum seekers or refugees themselves. From the Welcome Centre hub, a number of projects operate, all providing services to BRR's members (asylum seekers and refugees):

- Through the Advocacy and Information desk (AID) and Asylum support project (ASP), we offer one to one support, information and where appropriate advice to our members.
- We run several levels of ESOL and computer classes each week through our BRILL Project. The project also provides members with opportunities for non-classroom based learning and opportunities to learn about life in the UK
- Our Early Years project provides a crèche for children from 4 months to 5 years who would otherwise not have access to statutory child care; it provides an opportunity for children to learn and play.
- Our VOICE project supports members to volunteer as interpreters within the Welcome Centre and also trains and supports members to speak out about their experiences as asylum seekers and refugees.

BRISTOL REFUGEE RIGHTS TRUSTEES' ANNUAL REPORT YEAR ENDED 31 MARCH 2018

Achievements and performance

Bristol Refugee Rights was set up as a voluntary organisation in 2005 to uphold and champion the human rights of asylum seekers and refugees. We provide a place of welcome in Bristol where asylum seekers and refugees can meet and be helped to play a full part in the life of the wider community. We also campaign more widely for the human rights of refugees and asylum seekers. Bristol Refugee Rights aims to deliver a 'user-led' service that addresses the practical and psychological needs as well as the human rights of refugees and asylum seekers by:

- welcoming people into a safe place
- empowering people to achieve an independent and productive life
- enabling social inclusion
- focussing public attention on the need to reform the asylum system to remove the abuses of human rights experienced by our service users.

In 2017/18, BRR was open 3 days a week, 48 weeks of the year and in total received 9772 visits from members. 411 new members were welcomed to our services. Our Early Years Project provided support to 113 different children. We held a successful Human Rights Day and trip to the beach. We held 17 classes (English and computing) each week and 299 different students benefitted. We supported 389 members through AID and 139 through ASP. 86 members volunteered with us.

During the course of the year we had a number of successful public fundraising campaigns including for our Early Years Project. We were also successful in obtaining a grant from Children in Need for our Early Years Project.

Chair's report

At BRR we have had another year which we can take pride in, continuing to provide a wide range of support to our members across a number of services including advocacy and asylum support, our Early Years Project, our VOICE project enabling members to speak for themselves and engage with the wider community and English language classes via BRILL. All of course on top of the social opportunities we provide to members in the main hall at Malcolm X.

As ever, these are challenging times for refugees and for refugee charities. Nationally, the austerity agenda means that funding is hard to come by and more competitive, so we need to do more to raise our income from supporters so that we can continue to provide our services. In some ways the political environment may be improving for us as the public shock over the Windrush scandal means that wider questions around immigration and asylum, including indefinite detention now have a wider audience. We now have the possibility of getting a hearing on issues like

BRISTOL REFUGEE RIGHTS TRUSTEES' ANNUAL REPORT YEAR ENDED 31 MARCH 2018

destitution and family reunification.

As a Board, we have welcomed new members, Irene Zikusoka, Helena Milton-Thompson, Negla Abdul Hadi, Christina Stokes and Ayan Farah and said goodbye to Mahmoud Matan, Asia Yousif and our stalwart Treasurer, Glenda Roberts whom I thank for their hard work on behalf of BRR. Thanks also to Director Beth Wilson as well as our brilliant staff, volunteers and members, who together make BRR the fantastic organisation it is. During the past year we have had extensive discussions over the future direction of BRR and we have become increasingly conscious of the needs of a wider range of migrants beyond refugees as defined in the 1951 Geneva Convention. We now intend to work with members and staff to see how we can adapt our services to these different and more complex needs.

Chris Bertram, Chair of Board of Trustees

Financial Review

In 2017-18 BRR generated funding of £488,412 and spent £417,110. Most of our funding came from trusts, foundations, and Bristol City Council, while £112,001 of our funding came from individual donors, an increase on the £69,134 raised last year. All funding received has been vital in ensuring that we can continue to be here for our members, and we would like to thank all donors and funders for supporting us.

Public benefit

The Trustees have complied with their duty under the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

Reserves Policy

The reserves policy is reviewed at least every 3 years. The policy is to hold a financial reserve equivalent to 2 months operating costs. This level of reserve was set as it was deemed both reasonably achievable and to be of a sufficient level to ensure continuing operation of the charity, in light of the charity holding a number of multi-year grants. The Trustees have agreed to further review this policy following a calculation of the likely actual costs of wind down.

The budgeted expenditure for 2018/19 is £473,173 and therefore the target is £78,862 in general funds. Our general reserve at the end of March 18 is £132,220 which is 68% above the target.

Statement of Trustees' Responsibilities

The trustees (who are also directors of Bristol Refugee Rights for the purposes of company law) are responsible for preparing the Trustees' Report (incorporating the strategic report and directors' report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

BRISTOL REFUGEE RIGHTS
INDEPENDENT EXAMINER'S REPORT
YEAR ENDED 31 MARCH 2017

Independent examiner's report to the Trustees of Bristol Refugee Rights Charitable Company

I report on the accounts of the charitable company for the year ended 31 March 2018, which are set out on pages 10 to 21.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under Part 16 of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

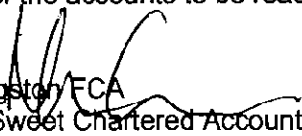

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006, and
 - (b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and the methods and principles of the Charities Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

have not been met; or
