EAST DURHAM COMMUNITY INITIATIVES LTD (A COMPANY LIMITED BY GUARANTEE)

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2017

Chairman's statement

The financial year ending 31st March 2018 has continued to be financially challenging. Despite no financial uplift from Government for the services we provide on their behalf we have continued to adapt and change to meet our obligations despite the continued austerity cuts to our service. East Durham Community Initiatives has maintained the radical restructuring undertaken in previous challenging years and have continued to maintain the reduction of our fixed and variable costs to a point where no further reductions in operating costs can be undertaken without reducing and adversely impacting on the quality of our service provision.

However, we still strive to seek other funding routes to supplement the funding we currently receive from the government to operate our homeless project. To enable us to continue to meet our obligations, we propose a new and proactive strategy for the following financial year that will assist us in improving our opportunities of receiving grant funding from other funders.

Our current office manager is approaching external grant trusts to fund an increase the hours she works. The additional extra hours will be specifically ring fenced for her to develop our fundraising capabilities and opportunities so that we can fully meet our charitable aims and our contractual obligations to support our overall aim of maintaining and improving our service provision for homeless young people in the East Durham area.

It is pleasing to note that this new fundraising strategy has started to provide results as we have been successful in receiving our first grant from Santander for £4940. I remain confident that our new strategy will secure additional funding in the next financial year.

The trustees recognise the hard work and dedication of the staff in managing the services we provide both to individuals and to organisations, and we also know that none of this is achievable without the commitment and dedication that enables us to carry out these services. It is impossible to emphasise enough our gratitude to the staff who give so much of their time to support the local community. The trustees would also like to thank all the organisations who provided financial or voluntary support; with their help and with good management we have continued to deliver our core requirements, and so we offer sincere thanks to all our staff, volunteers, supporters and friends. Looking to the future, we have many new challenges, not least in the reduction in funding for the services we provide.

We will continue to be a responsible and accountable charity as this is an integral part of delivering our aims and objectives as stated in our articles of association, this not only reflected in our culture, but also in our approach to governance and delivering our services whilst observing our commitment to our charitable works. Our commitment to serve the local communities in which we operate is stronger than ever.

As the Chairman I continue to be pro-active by ensuring The Charities policies and procedures are monitored and maintained to ensure we continue to promote a robust and effective system of internal controls and risk management, these processes are an essential part of EDCI governance strategy and a key part of operating as a responsible charity. I can confirm that the Board is committed to ensuring that we not only operate effectively, but that each Trustee remains committed to their role and continues to make a valuable contribution to the business.

As a Trust, We still concede that this year has been one of consolidation in an environment of government cuts to our projects however we remain confident that we will be proactive in developing new strategies and take appropriate actions in order to continue to meet the changing needs of the community and securing new income streams which will enhance our long-term growth prospects in our areas of operation. This reflects our belief that we will continue to support our community in future years.

INDEPENDENT EXAMINER'S REPORT Accounts for Year ended 31st March 2018

I report to the trustees on my examination of the accounts for the charity for the year ended 31st March 2018.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- the accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- · the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

In connection with my examination, I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
