### **Report of the Trustees**

The trustees present their annual report together with the financial statements of the charity for the year ended 31st March 2018.

This report and the financial statements cover the year 01 April 2017 to 31 March 2018, the second year of the Charitable Incorporated Organisation (CIO) since taking over all the assets and liabilities of Amos Trust, registered charity 292592 (The Trust) on 01 April 2016. The Trust continues to operate alongside the CIO for the sole purpose of collecting a number of pre-existing regular donations whose mandates prevented their transfer to the CIO. All funds received by The Trust are transferred to the CIO. The Trust's Annual Report and financial statements for the year ending 31 March 2018 should be read in conjunction with this report.

The reference and administrative information set out on page 1 forms part of this report.

The financial statements comply with the charity's constitution, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 01 January 2015). The financial statements have been prepared on an accruals basis.

### **Objectives and activities**

Amos Trust is a small, creative human rights organisation that:

- challenges injustice,
- builds involvement,
- creates change.

with vibrant grassroots partners around the world

Amos Trust's objects are:

- The promotion of human rights.
- The prevention and relief of poverty.
- The promotion of sustainable development.
- The promotion of the Christian religion.

At Amos Trust we aim to achieve these objects by:

- Working alongside global partners, nurturing innovative local responses to poverty, oppression and conflict.
- Using vibrant and creative ways to raise awareness.
- Building supporters involvement through visits, speaking tours and events.
- Campaigning for change, human rights and justice.

Amos Trust has three main areas of work:

- Amos Palestine supporting the call of local peacemakers for a just peace for Palestine and Israel.
- Amos Street Child supporting the operations and advocacy of local street child organisations in South Africa, India, Burundi & Tanzania and campaigning to change the perception and treatment of street children.
- Amos Communities promoting sustainable human rights with rural communities in Nicaragua.

#### **Public benefit**

We refer to the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, we consider how planned activities will contribute to the aims and objectives that we have set.

As such, the trustees are confident that Amos Trust has complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

### **Achievement and Performance**

### **Charitable Activities**

### **Governance and development**

#### St Clement's

Progress stalled for much of the year on securing the long term future of Amos Trust at St Clements. However, shortly after year end, in June 2018, the redrafted Pastoral measure scheme was finally agreed and, as of writing, we are waiting for confirmation of when this will be implemented.

In June 2017, Amos trust was joined in St Clements by Child Rescue Nepal and then in January 2018 by Glad's House UK, an NGO supporting children on the streets of Mombasa, Kenya.

#### **Trustees**

Simon Plater stepped down as a Trustee during the year. We are extremely grateful to Simon for the many years of wisdom, expertise, service and commitment he brought to his role as a Trustee. We were pleased to welcome Jane Walker as a new Trustee during the year.

#### Fundraising and building involvement

Amos Print communications were overhauled in summer 2017 with the production of a new newspaper 3 times a year.

In April 2017 we held a highly successful fundraising dinner at The Townhall Hotel in London as part of a new partnership with Ottolenghi. We are grateful for the corporate support we received in this highly successful new activity, particularly from Ottolenghi, The Townhall Hotel, Passione Vino and from Gemma Bell and Company for their in-kind support.

The public facing events that Amos delivered were predominantly associated with Just Walk to Jerusalem which marked the 100<sup>th</sup> anniversary of the Balfour Declaration, the 50<sup>th</sup> anniversary of the occupation of the Palestinian Territories on the West Bank & Gaza and the 10<sup>th</sup> anniversary of the blockade of Gaza.

In addition to this we undertook the soft launch of our new Campaign, On Her Terms, with young women from Cheka Sana Tanzania. They and two Amos staff participated in the First Zanzibar Half marathon, established by our friends at Right to Movement.

Amos Founder Garth Hewitt continued to tour extensively and both Garth and Amos Director Chris Rose spoke at events, rally's and services around the country.

#### **Amos Palestine**

On June 10<sup>th</sup> 2017 on the South Bank of the Thames we launched Just Walk to Jerusalem and sent the walkers off on their way. We would, over the next 147 days, complete the 3,400km walk from London to Jerusalem. Nine walkers undertook the whole walk, 5 others including Amos Director Chris Rose and the originator of the idea Justin Butcher undertook over half of it and a further 100 people walked at least 150km, with several hundred more joining for different days.

The walk was instigated to:

- Apologise for the impact of the Balfour Declaration and legacy of the UK's policies on the Palestinian people.
- Be an act of solidarity with Palestinian and Israeli Peace activists on the long road to peace and justice.
- Call on the UK and wider international community to Change the Record on their interventions within Palestine.

June 10<sup>th</sup> marked the 50<sup>th</sup> Anniversary of the Occupation of East Jerusalem, the West Bank, Gaza, and the Golan Heights. Our launch event was the only major event to commemorate this and was the third of a string of creative events.

- 15th May Nakba Songs of Exile Priory Church of St John, Clerkenwell, Kareem Samara & Yara Salahideen.
- 4th June St James Piccadilly- Galilee String Quartet
- June 10th South Bank DJ Luma, Kareem Samara, Hobbit, Mark Thomas and 47 Soul.

The walk followed ancient Pilgrimage Routes from Canterbury through France, Switzerland, Italy before veering off to traverse Albania, Macedonia, Greece and Turkey through to Istanbul. As passage through Syria was impossible, the walkers flew to Amman in Jordan and then walked into the West Bank from there. Seventy internationals and numerous local Palestinian joined the walk for the final stage through the West Bank.

The walk was set up in response to our local partners and we are particularly grateful for all the work carried out by Holy Land Trust who took care of the incredible logistics and local media interest. Thanks also to Alrowwad and Wi'am to working with us to help the walk to realise its full impact as well as Freedom of Movement network for arranging over 100 young Palestinians to join and lead us in a day's walk through the desert south of Bethlehem.

The length, difficulty and commitment of all those involved in the walk (including the volunteers who did so much of the logistical support) meant that the walk, and more significantly the apology for the Balfour Declaration, gained extensive media coverage. This generated considerable local interest and support at each location we walked through and at all levels of Palestinian society, which included a lunch reception for all the walkers with President Mahmoud Abbas. In addition to this there were events in Jericho, Bethlehem, Hebron, the South Hebron hills and Ramallah to honour the walkers and to commemorate the Centenary. The Walk finished on November 2<sup>nd</sup> on the Centenary of the Balfour Declaration, with us walking into Jerusalem to a final event at St George's Cathedral. The response to our apology and act of solidarity greatly outstripped any of our expectations as it painted such a different picture than the response of the UK government.

Many of us immediately returned to the UK and joined a large number of Amos supporters in a March through Central London to call for a change in the UK response to the situation in Palestine.

Nick Welsh Amos Communications Manager represented Amos at the first Palestine Music Expo (PMX) at the start of April in Ramallah and we have been delighted to be able to offer advice and guidance to this exciting development to raise awareness and to promote Palestinian Musicians. Amos' involvement in PMX is continuing as Nick has been invited to 'tour guide' the delegates in 2019 and work with the management group on various projects including Bethlehem 2020 and issues around BDS.

25 volunteers joined us the following week to undertake with our partners Holy Land Trust our 4<sup>th</sup> home rebuild in a village outside Bethlehem. 62% of the West bank is under complete Israeli civil and security control. Less than 2% of Palestinians living in these areas are given permission to undertake building work on their own land and it is a long and expensive undertaking which normally has a negative outcome. So many build without Israeli permission and as a result there are currently more than 10,000 structures facing demolition orders. Home demolitions have been described by many as family demolition and an act of collective punishment and for the least 8 years we have been involved in rebuilding such homes with local Palestinian labourers and community members as an act of nonviolent resistance and tangible solidarity.

Nive Hall Amos Operations Manager led the home rebuild trip and a further trip in May 2017 for 35 supporters of Let Yourself Trust, the Charitable Trust established by singer-songwriter Martyn Joseph and his wife Justine. We have worked closely with Let Yourself Trust and having taken Martyn and Justine to Palestine a number of times we were happy to lead a trip for their supporters.

In July Nick Welsh and Beth Rowley led a group of 27 to Aida Camp in Bethlehem where they stayed with our partners Alrowwad. This creative trip was intended to also include Bet Lahem Live festival which had to be postponed at the last minute because ongoing political tensions.

In October to mark Breast Cancer Awareness month we launched our second Women 4 Women campaign as part of our ongoing work to support breast cancer screening in Gaza and to raise awareness of the appalling consequences of the ongoing blockade and restrictions on movement there. The campaign grew significantly from the year before, raising over £11,000 and saw some new supporters putting on major events, not to mention several trustees. Highlights included Team Mcgivern, Gemma Bell and Gillian White running marathons/half marathon in Dublin, Lincoln and London respectively and raising well over £4,000 between them, Susan Harley organising a Women Artist's auction in Devon raising over £3,000 and a Harry and Chris gig organised by Jane and Naz Walker that raised over £2,000

In October Katie Hagley our Communities lead and Trustee Richard Elliott led 24 people on an Alternative Pilgrimage with a core group of 7 coming from St James Church in Shere who are committed to giving Amos Trust £2000 per year for Al Ahli hospital and 2 supporters from St Stephen's Ealing who are committed to giving £2,600 per year to the work of Amos Trust. The group also contained 3 members of the clergy.

We invited Sami Awad the Director of Holy Land Trust in Bethlehem and decided to build on the success of our annual Bethlehem Carol Service at St James Piccadilly by running similar events in Bristol and Canterbury and by holding speaking events for him in Leeds and Manchester. We are particularly grateful to all those who hosted him during the tour including Oasis Church, Waterloo, St James Piccadilly, St Mary Redcliff and Vineyard in Bristol, St Peter's Methodist Church, Canterbury and Friends of Sabeel in Leeds. Sami spoke to over 1000 people in total, the Christmas Appeal and carol services raised over £17,000. The fundraising was greatly increased by having a larger number of events and Sami's presence.

The year ended with the Bethlehem Marathon, sadly Jenny Baker, Amos chair had to pull out of leading the trip due to an injury. Chris Rose took over and took 12 supporters out to Bethlehem who completed their challenges and raised over £23,000.

#### **Amos Street Child**

For the last three years we had been working with our partners Cheka Sana (Mwanza, Tanzania), Karunalaya (Chennai, India) and Umthombo (Durban, South Africa) to develop responses for young women and girls, as they had been identifying with us that this was the area of their work that they often struggled with, facing obstacles and feeling discouraged. These included supporting peer group model support for young women on the streets in Mwanza, self-defence training for girls and young sex workers, girls' residential camps in Durban and developing a model of support for young women who have been living long-term on the streets there, and community awareness raising on the impact of early marriage for girls in Chennai.

Much of this work had been supported by Grants from Comic Relief (for Umthombo) and the BT Supporters Club. As this funding was drawing to a close we started to review how we wished to take this work forward and the steps which we should take to share our learning and to transform the situations young women and girls on the streets face.

In August 2017 Azey Bennetts Amos fundraiser and Jude Levermore a Trustee took 12 supporters to visit Karunalaya in Chennai to understand and experience the issues facing children, young people and families living and working on the streets and to learn from the workers about their creative responses and for them to return to the UK and share their stories, experiences and support Karunalaya. The overriding sense from this visit – which was to be further confirmed by a subsequent MEL visit to Umthombo, was of the essential role that the women workers play and the need to share their learning and to find ways to more effectively support them.

In order to achieve this, Amos Trustees recognised the need to increase Amos' capacity and bring in a dedicated lead worker to take forward Amos' work with street children and to lead a new campaign to build awareness of:

- the issues faced by young women and girls on the streets
- the key learning from our partners' and others organisations work with young women and girls on the streets
- the need for people to support and invest in this work

In February we launched the next phase of this work under the campaign heading "On Her Terms". Karin Joseph (the newly appointed lead worker for this work), Azey Bennetts, Kissa (a social worker at Cheka Sana Tanzania) and four young women supported by Cheka Sana, ran the Zanzibar Half Marathon to launch the campaign and promote gender equality.

Umthombo has made significant strides forward in 2017/18, bringing in a new team to develop their programme work, increased fundraising support and a new trustee board to strengthen their governance and to support their director. The progress in their girls' work, outreach, post 16's training, and community interventions brought these areas up to the high standards already established within their home reintegration and support work. We received a grant of £25,112 from Allan & Nesta Charitable Foundation which provided matched funds for our existing Comic Relief 'Completing the Cycle' grant. This grant supports the new Programme Manager role who focuses on the development and delivery of the preventative programmes and on further developing outreach, sports and arts provision. She will also manage the girls work and post 16 programmes. The need for this position was identified during year 1 of the current 3-year 'Completing the Cycle' programme.

In 2017, Cheka Sana officially changed their name from Caretakers of the Environment to Cheka Sana Tanzania. They have continued to strengthen their impressive intensive family support model with children and young people on the streets, alongside a group support model for the older young people (15-25 year olds) who they support. They have developed an Ambassadors programme (for young people who used to receive support from Cheka Sana) which has gone from strength to strength, and is now formed of a group of young people regularly advocating for the rights of their peers and inspiring children still living on the streets. In 2018 we submitted the final report to BT Supporters Club for their funding towards Cheka Sana, and received very positive feedback on the progress Cheka Sana had made over the funding period.

Karunalaya's 'On Side with Girls and young women in Chennai' programme has successfully seen an increase in Karunalaya working with increased numbers of girls and young women on the streets, at the railway station, working as child labourers or in pavement dwelling communities. Their work to challenge stigma around girls playing football has resulted in an increase from 7 teams to 12 teams participating this year. Karunalaya's Director, Paul Sunder-Singh, visited the UK in October 2017 to strengthen relationships with supporters who participated on the Amos India Encounter trip in the summer of 2017, and met with funders, including BT Supporters Club, currently giving to Karunalaya and also to meet with prospective funders. Paul spoke about Karunalaya's main advocacy campaign about children's right to legal identity, their work with girls and young women at their centre and in communities and about how Karunalaya are raising awareness about the importance of girls completing education rather than being forced into child marriage. Paul spoke at our annual Amos Day supporters conference and visited supporting churches and schools in Oxford and in London.

New Generation in Burundi's year was dominated by the move to the new site and relocation of their existing buildings. In addition to this there has been a significant reorganisation of the staffing and management structures, so as to end an over-reliance on Dieudonne Nahimana. Their programmes including back to school, accommodation, outreach, entrepreneurship, leadership and conflict reconciliation workshops, fall under three key areas of work which together form their unique leadership development model, seeking to build up a new generation of leaders for Burundi. At year end there is concern that in addressing their gaps in capacity, they may have overstaffed some areas, and we are following this up with them closely.

We received grants from The John Armitage Foundation ( $\mathfrak{L}25,000$ ) and J W Laing Foundation ( $\mathfrak{L}10,000$ ) for New Generation. These were contributions towards the Directors salary and mainly towards programme costs including outreach and street work, return to education, entrepreneurship and leadership training for young people and their advocacy work for children's right to legal ID.

#### **Amos Communities**

In February Katie Hagley and Peter Bone led a supporter trip to Nicaragua for 18 people, only 1 of which had been to Nicaragua before. The trip differed from past trips focusing solely on our partner CEPAD, asking people to raise funds for materials ahead of the trip and then help to dig micro dams and participate in other local initiatives during the visit. This resulted in raising £14,000 whilst continuing to honour our gift of \$15,000 per annum (through committed giving from 16 supporters). As a result of the trip people came back determined to raise a further \$5,600 for water filters through the Water For Life campaign, one supporter underwrote this work so that it could get started straight away, whilst the others got on and held events including raising over £1,000 busking for the afternoon! This campaign has had a strong start and takes us into the financial year 2018/19 with a summer appeal for this work.

In October Garth Hewitt Amos founder was invited to join CEPAD's Celebrations to mark their 45th anniversary

Shortly after year end the situation in Nicaragua took a dramatic down-turn as political protests led to a violent clampdown by the Sandinista Government, which had previously been the highly popular due to their work to improve conditions for the poor. This did not directly affect the work in Teustepe, the area that our current 5-year programme supports, but had a marked impact upon CEPAD's other work. As of writing the situation has somewhat stabilised.

### **Future Goals 2018-2019**

### **Governance and Development**

- Amos Trust's long term future at St Clements will be secured toward the end of the financial year with the completion of the new parochial scheme.
- Amos Trust to review object's to express Amos' creativity and to better reflect the organisation's understanding
  of faith and spirituality.
- Amos Trust to complete a comprehensive review of all its policies and how the trustees ensure that they meet their legal obligations while maintaining their commitment to innovation.
- Amos Trust to continue to widen the demographic of its supporter base by exploring how it can widen participation in Amos activities and those of our partners to an increased number of young adults.
- Amos to look at how it can more effectively promote its spirituality of advocacy and social justice. Amos will
  look to use Director and Founder to further this and to demonstrate its relevance, through writing, performances,
  talks the release of Garth Hewitt's autobiography and through retreat days

#### **Palestine**

Amos Trust has identified 3 key areas of activity

#### Awareness Raising

- Amos will increase the number of and variety of trips it offers to Palestine/Israel and target these more effectively to a newer demographic.
- Amos will extend the highly successful Christmas Carol service programme by inviting a team from Wi'am Conflict Resolution centre in Bethlehem to take part in an increased number of locations.
- Amos will seek new partnerships to pursue creative way to raise awareness. These will focus on the 70<sup>th</sup>anniversary of the Foundation of the State of Israel (Palestinian Nakba catastrophe), the Greenbelt Festival and Taste of Palestine Activities.
- Amos will work with Justin Butcher to promote the new book Walking to Jerusalem. His story of Just Walk to Jerusalem once it is published in November 2018.

#### Practical responses

Amos will continue to promote practical non-violent responses that people can undertake in the UK to support
a just peace and full equal rights. These will be carried out in association with other advocacy organisations.
Amos will work particularly closely with Sabeel: Kairos and support this initiative by donating the time required
of Amos' director to remain as chair.

#### Change the Record on Gaza

 Amos will continue to focus on the situation in Gaza – producing new resources, challenging myths and seeking to support new responses to the worsening situation there. The Amos Director will visit with a psychotherapist to ascertain how we can focus on Breast cancer screening (Al Ahli hospital) and adolescent mental health (NECC).

#### Street children

#### On Her Terms

- Amos will develop and start to roll out a new campaign, On Her Terms, with our street child partners and a
  wider collection of projects working with girls and young women on the streets. On Her Terms aim is to journey
  with girls and young women on the streets as they reshape their lives and to challenge the injustice and abuse
  they experience.
- In September/October 2018 we will draw together 17 women workers from 8 countries including 3 Amos partners for a conference in the UK to: identify the core issues they are working on; look at and share best practice; identify effective targets for work with girls and young women on the streets; look the on-going support these workers require (and the mutual support they can offer one another) and how to build participation with girls and young women on the streets.
- Amos will secure funds to meet the costs associated with: a new lead worker for On Her Terms; the October
  conference and travel costs for international partners attending; for the dissemination of the findings from this
  conference and to secure funds toward the ongoing work of Amos partner projects work with girls and young
  women prioritising South Africa, India and Tanzania.
- Amos will look to build On Her terms UK supporters network to build involvement secure funds and to disseminate core campaign messages.

#### **Umthombo**

• Amos Trust Comic Relief grant for Umthombo Street Children South Africa ends in January 2019. This is the second of two three- year grants. As part of this Amos has prioritised building their sustainability at the end of the Grant period by funding Umthombo's own Fundraising in South Africa and helping Umthombo to prioritise local governance. An external evaluation focussing on work with girls and young women, post 16 and community prevention work will be carried out between December 2018 and January 2019. Amos will invite Mpendulo Nyembe the director of Umthombo to join the annual road club bike ride from London to Paris in May 2018 to secure funds and raise the profile of Umthombo. Amos will seek to secure on-going funds for Umthombo's girls work aiming to achieve 30% of the current level of support provided and will work with the Methodist church to seek a grant to further the community prevention work

#### New Generation Burundi

Amos Director and Street Child Lead will carry out a Monitoring and Evaluation visit with our UK partners Street
Action to: address some ongoing communication difficulties; identify the areas of priority for New Generation
Burundi's programme and how that will fit with On Her Terms; look at the next phase of new build and land
purchase and to identify the ongoing roles Amos and Street Action will take in supporting this work.

#### Karunalaya

• Amos Trust will look to secure support for Karunalaya through major grant making trusts. We will prioritise support for their work with girls and young women through On Her Terms and look to make use of visits by Project staff to further support in the UK and to build upon the success of the 2017 visit to Chennai. We will also seek to promote and fill a second supporter trip in August 2019.

#### Cheka Sana –

Following the end of the BT supporters club grant for Cheka Sana we will look to secure ongoing support for
their work with girls and young women. We will look to use the resources created during the February 2018
visit to continue to raise awareness of their work and, following the On Her Terms conference, will identify the
long terms strategy Amos Trust will adopt to support Cheka Sana's work with girls and young women on the
street.

#### **Communities**

#### Water for Life

- Amos will look to build on the success of the February 2018 visit to Nicaragua to secure funds required for water filters in the 2 of the 7 communities within the Teustepe region, that Amos is supporting.
- Amos will continue to support these 7 communities as they approach the end of the 5- year support cycle.

#### Climate Justice Conference

Amos will identify partners to run a climate justice conference in September 2018. This will seek to look at how
we can look at local responses to climate change and link local responses in the UK to those in Nicaragua and
other locations identified by these partner projects. It will also look to identify a spirituality and theology of
climate justice rooted in the global south and to provide opportunities for CEPAD to disseminate their model of
work to other relevant organisations.

#### Political situation

• The political situation became highly volatile at the start of the financial year. Amos will work with CEPAD to identify any additional support we can provide and the assistance and awareness raising we should be undertaking.

#### **Financial Review**

#### **Financial procedures**

All income and expenditure transactions are entered into a computerised SAGE accounts system. Bank reconciliations are completed monthly. Invoices received are checked by budget holders and any discrepancies investigated. Supplier invoices are stamped with the date received and signed as proof that the goods or services have been received. Invoices are paid as they fall due. Two signatories are required for all cheques and dual authorisation is required for electronic bank payments. The payroll is processed monthly.

#### Financial review

Income for the period was £1,284,610 (2016/17: £912,388) of which £1,041,170 (2016/17: £635,062) was unrestricted and £243,440 (2016/17: £277,326) was restricted.

The unrestricted income was divided into £500,982 (2016/17: £333,532) for general funds, £83,962 (2016/17: £66,107) designated to Amos Street Child, £415,332 (2016/17: £204,751) designated to Amos Palestine and £44,894 (2016/17: £30,672) designated to Amos Communities.

These funds were secured from donations and legacies from individuals, companies, churches, trusts & grant funding bodies as well as from the Trust's activities: supporter tours, fundraising events, concerts and the sale of merchandise. Amos received an unrestricted legacy of £145,000 and also delivered an advocacy event, Just Walk to Jerusalem, which generated £232,410 in the year, both of which significantly impacted our General and Palestine income streams. Amos allocates up to 20% of designated income to general funds to meet the advocacy and management costs required for our partner projects and campaigns.

Expenditure for the period was £1,105,382 (2016/17: £841,274) of which £876,744 (2016/17: £578,076) came from unrestricted funds and £220,538 (2016/17: £263,198) was expenditure from restricted funds.

The unrestricted expenditure was divided into £349,316 (2016/17: £327,582) on general funds, £94,438 (2016/17: £39,080) allocated to Amos Street Child, £403,532 (2016/17: £185,307) allocated to Amos Palestine and £29,458 (2016/17: £26,107) allocated to Amos Communities.

The overall surplus for the year shown across all funds was £179,228 (2016/17: £71,114).

Total funds held at year end increased from £265,238 on 31/03/17 to £444,466 on 31/03/18.

The summary of the movement funds in the year is as follows:

Fund	01/04/17	Income	Expenditure	Trans	31/03/18	Movement
General Unrestricted	£41,919	£500,982	£349,316	£0	£193,585	£151,666

Total funds carried forward	£75,872		

#### Allocation of donations to funds

Designated funds are made up of funds received where the donor has indicated a preference for which area of Amos Trust's work the donation should support. The Trustees and their delegated employees are committed to abiding by these preferences as far as possible but ultimately retain discretion on the usage for these funds. The exception to this classification is where funds are received for partner projects or specific campaigns from grant giving bodies, trusts or companies where a contractual arrangement is in place for funds received. In this instance, these funds will always be allocated to the partner project or campaign designated by the donor and shown as restricted in the Amos Trust financial statements. In 2017-18 donations of this nature amounted to £243,440 which were all allocated to the specified area during the year with the exception of the balances carried forward shown in the table above. A full list of restricted donations can be seen under note 16 to the financial statements.

#### **Summary**

General unrestricted funds held stood at £193,585 (2016/17: £41,919) at the end of 2017/18, a surplus in the financial year of £151,666. Overall unrestricted funds consisting of the £193,585 balance plus unrestricted reserves of £60,164 held at year-end total £253,749 (2016/17: £102,083).

The small surplus of £6,666 on unrestricted general funds (when discounting exceptional legacy funds received) represents a stable financial position for the year. The budget for 2018/19 has been set to build on this stability by targeting a £12,000 surplus on unrestricted funds to further consolidate Amos Trust's financial position.

The trustees are committed to ensuring the on-going viability of Amos Trust, carefully managing its finances during a difficult economic climate and putting into place whatever steps are necessary to ensure the Trust is a going concern moving forward.

#### **Reserves Policy**

The Trustees' aim is to have a reserves policy of sufficient net current assets to meet three months UK operating costs, approximately £60,000, and designated/restricted funds to meet three months' commitment to each of our main partner projects (capital funds excluded). We aim to maintain this by continuing to broaden the funding sources we approach, increasing applications to grant making trusts and donations from churches, individuals and the corporate sector, together with closing monitoring and controlling our core running costs. Trustees also decided that interest obtained on all funds will be used for general purposes. An amount of £60,164 is held as a cash "reserves fund". These funds relate to a donation originally given for a building project in the Holy Land which was unable to proceed. The Trustees obtained the permission of the Charity Commission to access these funds for promoting peace and reconciliation (without geographic stipulation) and have placed them in the "reserves fund" to be used at the discretion of the Trustees.

### Structure, Governance and Management

#### **Organisational structure**

The Trustees are responsible for administering the charity and meet at least four times a year to agree strategic and policy matters and to review the operational performance of the charity.

The day to day management of the charity, strategically and operationally, is the responsibility of the Director, Chris Rose. The Director manages all members of staff.

The staff team as at 31 March 2018 consisted of:

Name	Role	Working time
Chris Rose	Director	Full-time
Garth Hewitt	Founder	Half-time
Nive Hall	Operations	Full-time
Azey Siddiqui	Fundraising	Full-time
Nick Welsh	Communications	Full-time
Jill Howard-Gunasekera	Administration	29 hours per week
Karin Joseph	Street Child Lead	Full time (appointed 22/01/2018)
Isobel Webster	PA to Founder	One day per week
Katie Hagley	Community engagement	Self-employed (approx. half-time)

#### **Trustee remuneration**

All Trustees give of their time freely and no Trustee received remuneration in the year. Details of Trustee expenses are disclosed in note 7 to the financial statements.

#### Pay policy

Staff pay differentials are related to skill levels required, workload, responsibilities, qualifications and external labour market forces. Pay reviews are undertaken regularly and take account of the following factors:

- The financial position and outlook of the charity
- The National minimum wage and the Living wage
- The general economic outlook, cost of living indices and the position of the not-for-profit sector labour markets.

#### Pav differentials

As at 31 March 2018 the pay differentials for the charity are

Highest paid employee : Average full time equivalent salary 1.59 : 1 Highest paid employee : Lowest full time equivalent salary 2.70 : 1

A range of salary rises have been agreed from 01 April 2018 which will reduce these differentials.

#### **Related parties**

All related party connections and transactions between the Trustees or senior management and the charity must be disclosed to the Trustee board in the same way as any other contractual relationship with a related party. Related party transactions are disclosed in note 9 to the financial statements.

#### Risk management

The trustees have a risk management strategy which comprises:

- An annual review of the principal risks and uncertainties that Amos Trust faces via a risk register
- The establishment of policies, systems and procedures to mitigate those risks identified in the annual review
- The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for Amos Trust. A key element in the management of financial risk is a regular review of available liquid funds to settle debts and planned expenditure items as they fall due, regular liaison with the bank, and active management of trade debtors and creditors balances as well as regularly reclaiming Gift Aid due to ensure sufficient working capital for the charity. Regular oversight of financial information and procedures is also necessary to identify potential problems before they become critical and to guard against fraud or error.

Attention has also been focussed on non-financial risks arising from fire, health and safety, security of premises and detailed specific risk management for events and supporter trips. These risks are managed by ensuring accreditation is up to date, having robust policies and procedures in place, and regular awareness training for staff working in these operational areas.

A full review of this area will take place during the 2018-19 financial year.

#### The Trustee's responsibilities in relation to the financial statement

The Trustees are responsible for preparing the annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the balance sheet date and of its income and expenditure for that financial year. In preparing those financial statements, the Trustees should follow best practice and are required to:

- Select suitable accounting policies and apply them consistently
- Observe the methods and principles of the Charity SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue on that basis

The Trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Independent Auditors report to the Trustees of Amos Trust**

We have audited the accounts of the Amos Trust for the period from 01 April 2017 to 31 March 2018 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and with regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of accounts which give a true and fair view.

We have been appointed as auditors under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act. Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### Scope of the audit of the accounts

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with the audited accounts and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

#### **Opinion on accounts**

In our opinion the accounts:

- > give a true and fair view of the state of the charity's affairs as at 31 March 2018 and of its incoming resources and application of resources for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### (continued)

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the accounts; or
- > sufficient accounting records have not been kept; or
- > the accounts are not in agreement with the accounting records and returns; or
- > we have not received all the information and explanations we require for our audit.

## AMOS TRUST NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDING 31 MARCH 2018

The notes form part of these financial statements

#### 1. ACCOUNTING POLICIES

#### **Accounting convention**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 01 January 2015) - (Charities SORP 102).

#### Public benefit entity

The charity meets the definition of a public benefit entity under FRS 102

#### Critical accounting judgements and estimates

In preparing these finacial statements, managment has made judgements, estimates and assumtions that affect the application of the Charity's accounting policies and the reported assets, liabilities, income and expenditure and the disclosures made in the financial statements. Estimates and judgements are based on experience and are believed to be reasonable.

#### Income

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income is credited to the Statement of Financial Activities at the time of receipt and includes the recovery of tax deducted at source. Income received from events is recognised as earned. Investment income is recognised when received.

#### Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

#### Raising funds

These expenses relate to fundraising costs, publicity costs and a percentage of salaries of those involved in fundraising and publicity.

#### Charitable activities

These are the costs associated with the running of the project costs and costs of advocacy and education. Administration support and governance costs are allocated to the two main activities of the charity; namely "advocacy and education" and "partner projects" on a fair and equitable basis. For salary costs this is based on the estimated percentage of time devoted and for other costs it is based on actual costs or a fair estimate of the total. Governance costs include fees from professional advisors, audit fees, trustees expenses plus an allocation of staff time.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment Reducing balance -33%
Office furniture suite Straight line -10%
Other office equipment Straight line -25%

#### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Stock consists of merchandise created for sale such as CD's, DVD's, Books, Cards & Clothing. A record is maintained of all merchandise purchased from suppliers and sold at events or online. This record is reconciled at year end and at various other times by a physical count of all merchandise held.

## AMOS TRUST NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDING 31 MARCH 2018

The notes form part of these financial statements

#### 1. ACCOUNTING POLICIES (CONT.)

#### **Taxation**

The charity is exempt from tax on its charitable activities.

#### Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Funds labelled Street Child, Palestine and Communities funds consist of money designated for these areas of work plus general funds allocated to that particular area.

Donations or grants received from grant giving bodies, Trusts and companies where a contractual arrangement is in place are treated as restricted and are always allocated to specified partner projects or campaign (see note 13). Other designated donations may, in certain circumstances, be allocated to other areas at the discretion of the trustees or their delegated staff. Funds are identified by project or campaign as this represents the most meaningful way of presenting the information.

The Trustees have prepared these accounts on an ongoing basis. The Trustees are satisfied that the financial planning and controls in place moving forward mean the charity is able to continue operating for the foreseeable future.

#### Hire purchase and leasing commitments

Any rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

#### Pension costs and other post-retirement benefits

The charity operates a NEST workplace pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

#### Partner projects

Payments to partner projects are recognised when a decision by management is made to make a specific transfer.

In the circumstances where a specific discrete project is arranged which is delivered at a specific time, the income and outgoing resources with respect to that project are recognised at the time of their delivery.

#### **16. RELATED PARTY DISCLOSURES**

#### St Clement's PCC

Amos Trust's office is in St Clement's Church, Eastcheap. Amos do not pay rent for the office space. Chris Rose, Amos Director, Nive Hall, Amos Operations Manager and Julia Ruxton, former Amos Trustee sit on the PCC of the church.

The vestry at the rear of the church is licensed to an antique book company. The licence fee they pay to the PCC is used to cover the running costs of the building.

Amos Trust received £3,200 designated for "Surfers not Street Children" (SNSC) in Durban, South Africa. Tom Hewitt is the CEO of SNSC and is the son of Garth Hewitt, Amos Trust Founder. All funds were passed to SNSC.
