Bhai Sahib Bhai Mohinder Singh Ahluwalia, speaking at the Third Spirit of Humanity Forum, Iceland

Peace Forum on Forgiveness and Reconciliation, Nishkam Civic Association

Guru Nanak Nishkam Sewak Jatha (Birmingham) UK - GNNSJ is a faith 'not for profit' benevolent It is dedicated to organisation. practicing and promoting Nishkam (selfless) service in the name of Guru Nanak Dev Ji (1469 -1539); the founder of the Sikh Dharam. The word Dharam is reflective religion/faith but it also encompasses a Sikh's wider sense of obligation and duty in their way of life and their actions towards others and all of God's creation.

GNNSJ's mission is the propagation, practice and advancement of the Sikh Dharam based on teachings of the ten Gurus and Guru Granth Sahib Ji, the eternal Guru and sacred scripture of the Sikhs. With engagement over 39 years in spiritual development and enrichment from its headquarters in Birmingham, **GNNSJ** continues steadfast in its endeavours to fuse faith/Dharmic values with our secular lives, thus creating peace and sustained happiness, within ourselves, our families, our communities, our environment, our world interconnected and the common good.

In 2017/18 humanity continued to face the challenges of the Seventeen Sustainable Development during a time of severe violence, extremism, pain and suffering. The societal problems outlined within the UN blueprint, require the involvement of Faith Based Organsiations in order to address the underlying issues.

Interfaith dialogue across members of all faiths and none is a vital aspect of understanding the means to addressing the global challenges we currently face. Forgiveness is essential in a fractured world, we must begin to realise that the whole of humanity one family, are is we all interconnected and interdependent. The root cause of conflict can be traced back to ourselves, everything starts in the human mind. Thus humanity needs to start addressing the human mind very seriously.

We are living in new global contexts, with new global challenges. These require a mind-set centred on values and virtues, along with a keen sense of shared responsibility. Our vision of Nishkam is to help nurture such a mind-set, enabling our future society to advance and flourish for the benefit of all. The collaboration and partnerships with benevolent organisations such as Religions for Peace and the Charter for Forgiveness and Reconciliation are important in promoting the virtues and values of faith. The faiths of the world have an important role to nurture good human beings. Good citizen's may not be good human beings, but good human beings will be good citizens, good human beings capable of forgiveness, exercising mercy, selflessness, and most of all an abundance of love.

There is also an important need to realise there 'innocence is ignorance' so we cannot blame people for the things they may not know, we should try to mirror God's love and forgiveness and our love should not have any conditions. However, the misuse of religion to provoke violence is a symptom of diseased minds. To eliminate this disease at the source, we must lovingly liberate our minds through empowering ourselves with values of compassion, truthfulness, contentment, humility and love. Only peace within oneself can lead to peace around us.

We need to be able to think of our responsibility first and our right second. The key concept of responsibility first is an integral aspect of Nishkamta, which means to serve selflessly without consideration for personal gain or benefit.

It is within the spirit of Faith that Sikhs believe one must always remain in an ever ascending optimism (chardikala). This comes about through prayer, through service and going beyond oneself that

about through prayer, through service and going beyond oneself that will ultimately allow one to seek welfare for the entire humanity without exception (sarbat da bhalla).

At our Headquarters in Birmingham alone, there is an estimated 407,305 hours of voluntary service provided by volunteers every year for a range of activities from cooking in the kitchens, conducting prayer services and helping with administrative duties. Calculated at an average wage of £8.50 per hour for 7 hours per day, this quantifies to £3,462,093 every year, £66,578 every week and £9,511 every day worth of selfless service/volunteering for the community.

In addition, the charity has no paid employees, which is usually 40% cost of income in the third sector and therefore based on the 2018 income of £2.79m a benefit of £1,146m is saved through these volunteers. The charity generated total income of £2.790m of which £1,657 relates to donation and £1.130m to rental income. Expenditure on the main operational costs have remained stable and the overall net asset funds total is up £12,759m.

This has been possible with the divine blessings of God Almighty and the continued support, dedication and commitment of our selfless sewadars (volunteers) and sangat (congregation) - may Satguru Ji's grace be showered upon us all for continuing the work.

Forever in God's service; Bhai Sahib Bhai (Dr) Mohinder Singh Ahluwalia KSG, OBE Chairman

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a charitable trust.

Risk management

The Trustees actively review the major risks which the Charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks faced by the Charity and confirm that they have established systems to mitigate the risks. To ensure continuity and sustainability, the Trustees have sworn allegiance to operating/working in Handsworth the enhancement of which the organisation has significantly contributed to.

To have the 5 centres at arm's length and investing heavily in this vision is to safeguard the place of worship from becoming secluded and isolated in the future. The vision for Handsworth within our locality, is for new development to resonate our five broad activities, namely: faith, education, heritage conservation, community participation and health.

Participation and Engagement

The Sikh Gurudwara (Sikh place of worship) on Soho Road in Handsworth, served by Guru Nanak Nishkam Sewak Jatha, is the heart and soul of the Jatha's activities and aims. It promotes spiritual and physical regeneration through the promotion and propagation of the Sikh Dharam (religion).

The Gurudwara was established in 1977 in the inner city area of Handsworth, Birmingham, it continues to humbly provide quality voluntary services utilising the monetary and non-monetary contributions (sewa) provided by its members and the community.

The charity's cutting edge 'nishkamta' - selflessness - providing services and expecting no reward. The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;

- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Independent Auditors to the Members of Guru Nanak Nishkam Sewak Jatha (Birmingham UK)

Opinion

We have audited the financial statements of Guru Nanak Nishkam Sewak Jatha (Birmingham) UK (the 'charity') for the year ended 31 March 2018 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2018 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Report of the Independent Auditors to the Members of Guru Nanak Nishkam Sewak Jatha (Birmingham UK)

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value.

Income

All income is recognised in the Statement of Financial Activities once the Charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Allocation and apportionment of costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include cost related to statutory audit and legal fees.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property - 2% on cost Improvements to property - 10% on cost

Fixtures and fittings - 10% on cost and 10% on reducing balance

Motor vehicles - 25% on reducing balance

Fixed asset investments

Investments are a form of basic financial instruments are initially recognised at their transaction value and subsequently measured at their fair value at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

No depreciation is provided on investment properties, as in the opinion of the trustees these properties are held primarily for their investment potential and so their fair value is of more significance than any measure of consumption and to depreciate them would not give a true and fair view. The revaluation of the investment property accords with the fair value accounting rules and will be reported in the Statement of Financial Activities.

Notes to the Financial Statements –continued for the year ended 31 March 2018

1. ACCOUNTING POLICIES - continued

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Income and expenditure account

The Statement of Financial Activities discloses the identical information of the Income and Expenditure Account and as such no separate Income and Expenditure Account has been prepared.

Going Concern

The account have been prepared on the basic of being a going concern as outlined in the Trustees" annual report.

Debtors

Short term debtors ar measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised costs using the effective interest method.

Impairment of assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit and loss account.

Donated Services

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met and the receipt of economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time of Volunteers is not recognised. Please refer to the trustee's annual report for more information about their contribution.
