Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. [The charity's gross income exceeded' £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. Delete [1 if not applicable.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

# Independent examiner's statement

In connection with my examination, no material matters have come to my attention (other than that disclosed below \*) which gives me cause to believe that in, any material respect.:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- · the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements
  concerning the form and content of accounts set out in the Charities
  (Accounts and Reports) Regulations 2008 other than any requirement
  that the accounts give a 'true and fair' view which is not a matter
  considered as part of an independent examination.

I have have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Each new trustee is inducted into the policies and procedures of the Trust by being briefed by existing trustees and attending meetings as necessary.

Decisions are made by a majority vote of the trustees at meetings held, having been given due notice of the same. The Clerk and Receiver, who is appointed by the trustees, is responsible to the trustees for all the financial and administrative work that is required to maintain the Trust according to the Trust Deed and ensure that all matters are dealt with in a proper manner.

The scheme allows the board to set up two sub-committees: one to administer the income earned by that portion of the 1997 endowment allocated for the benefit of the Primary School: the other to administer the income earned by that portion of the 1997 endowment allocated for the benefit of the Community College together with the income from the 1922 endowment of the Fowey Grammar School Exhibition Foundation with no restriction on the proportion of income that can be allocated to the Community College.

There are no relationships between the Charity and related parties and the Charity does not co-operate with any other charities and/or organisations other than Fowey River Academy (formerly Community College) and Fowey Primary School in the pursuit of its charitable objectives. The Trustees, whilst talking all reasonable precautions by employing professional assistance and the application of their best endeavour, accept that the value of the assets of the Charity may go down as well as up.

### Section C

### **Objectives and activities**

The original trust deed provides for grants and bursaries to be awarded to encourage the advanced education of Fowey River Academy students by distribution of the annual net income, as agreed by the trustees, to individual eligible students and to provide grants for additional educational facilities at Fowey River Academy by allocation of up to 33% of the annual net income, at the discretion of the trustees. The latter amounts being defined before the balance is distributed to relevant students.

Summary of the objects of the charity set out in its governing document

On 16 May 2007, the Charity Commissioners agreed to a new scheme for "The Fowey Grammar School Foundation", which combined the Exhibition Foundation, the Primary School Trust and the Community School Charity under one board of trustees. The trustees were the existing Exhibition Foundation trustees together with representatives of the Primary School and Community College. The scheme allowed the board to set up two sub-committees: one to administer the income earned by that portion of the 1997 endowment allocated for the benefit of the Primary School: the other to administer the income earned by that portion of the 1997 endowment allocated for the benefit of the Community College together with the income from the 1922 endowment of the Fowey Grammar School Exhibition Foundation with no restriction on the proportion of income that can be allocated to the Community College.

The investment policy of the trustees is to maintain steady growth in capital and income from properties, stock and shares.

The stocks and shares portfolio is reviewed during the Annual General Meeting and quarterly valuation reports are issued by the investment Advisers.

Property rental incomes are professionally reviewed at the time of lease renewals.

The trustees have regards to the guidance issued by the Charity Commission on public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

reward.

The policy on grant making is dealt with under earlier headings and herein, similarly, the policy programme related investment. We also refer to Tables 1, 2 and 3 of the document headed "Organisation and Procedures" which was agreed at the inaugural meeting of the Fowey Grammar School Foundation held on 17 July 2007. Brewin Dolphin Limited were commissioned by the newly formed Trustees of the Fowey Grammar School Foundation to calculate the market value of all investments (excepting properties) as at 1 November 2007 and from this exercise quantify the exact percentage to be used for all future purposes as the proportion of investments (excluding properties) held jointly but directly attributable to the Primary School sub-committee. The figure extrapolated by Brewin Dolphin Limited was 5.52% and this was endorsed and recorded in the minutes of the meeting held on 22 November 2007.

The College changed its status and became the Fowey River Academy on 1st June 2014. At the AGM in 2014 trustees decided that this would not change its relationship with the charity. The Charity Commission was informed of this decision and replied on 12<sup>th</sup> September 2014 to confirm there were no objections. On 1st September 2015 Fowey Primary School also became an academy.

### Section E

### Financial review

# Brief statement of the charity's policy on reserves

The Charity holds funds in reserve to enable it to distribute the known net income of the Charity for the financial year preceding the Annual General Meeting. These funds are generally distributed between November and January following the date of the Annual General Meeting during which the financial accounts are adopted.

The Charity normally holds funds in reserve to maintain the properties held under its stewardship in sound fabric. All of the properties are several centuries old and require expensive renovations from time to time. The property reserve fund is reviewed annually.

## Details of any funds materially in deficit

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The trustees are required to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Trust and of the surplus or deficit of the Trust for that year. In preparing those financial statements the trustees are required to: select suitable accounting policies and apply them consistently; make judgements and estimates that are reasonable and prudent; prepare the financial statement on a going concern basis unless it is inappropriate to presume that the Trust will continue in existence. The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and to enable them to ensure that the financial statements give a true and fair view. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Section F

### Other optional information

The Globe:

Rent income was down because the tenant closed the business at the beginning of December 2017 and ran up rent arrears of £5000 as well as being in breach of the terms of the lease by failing to undertake necessary repairs and maintenance. Trustees took possession of the property and lease on 29th March 2018 having come to an agreement with Mr Goodman over the terms of a voluntary Deed of Surrender. This course of action was agreed at a Special Meeting held on 28<sup>th</sup> February 2018 when trustees accepted the advice of the solicitor to avoid, if possible, expensive litigation. No decision has yet been made about what the next step should be.
