STRUCTURE, GOVERNANCE AND MANAGEMENT:

The African Arts Trust is a private company limited by guarantee, incorporated on 17th January 2011 with Articles of Association as amended by Special Resolutions passed 28th February 2011 and 23rd April 2011. The Trust obtained charitable status on 21st April 2011.

The trustees who have served during the accounting period are set out on page 2. The appointment process for new Trustees is as follows: names of potential new Trustees are put forward at a Trustees' meeting; candidates are then interviewed by the Chairman of Trustees and, whenever possible, by fellow Trustees; a formal invitation is made by the Trustees in writing; acceptance is also made in writing. The Chairman is responsible for the induction of any new Trustee: which involves awareness of a Trustee's responsibilities; the governing document; administrative procedures and the ethos of the charity. The African Arts Trust currently has no plans to recruit new Trustees.

The Trustees meet once a year to assess grant applications and then approve or refuse grants, with decisions between meetings being made by the chairman.

Potential applicants who submit enquiries to the administrator are given advice and directed to the website where there are guidance notes on what is included within the trust's remit, what types of proposals the trust prioritises and how to complete the application process. All applicants are required to provide comprehensive information on the organisation, their proposal, intended delivery and budget. Potential grantees are asked to list organisations they have collaborated with in the past and where possible the Trust will contact them and nominated referees. This measure is viewed as a key part of the decision-making process and a way of minimising the risks associated with grant making, particularly internationally.

All recipients are obliged to report back to the trust administrator at the end of the funding period or other times when requested. Key information from these reports is presented to Trustees at meetings.

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems of procedures have been established to manage those risks:

- i) The founder and chairman has confirmed that he will continue to support the charity for a period of at least 12 months from the date the accounts are signed
- ii) New grant applications are rigorously vetted to ensure money laundering regulations are complied with

The trustees have complied with the charity's duty under Section 17(5) of the 2011 Charities Act and have paid due regard to the guidelines of the public benefit statement published by the Charity Commission.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES:

The Founder, who is also the principle source of funding for the trust has underwritten all and any of the liabilities incurred by the trust. For the next accounting period 2018/19 the founder has set aside a minimum of £50,000 of which sufficient proportion has been allocated to meet the fixed cost needs of the trust.

The Trust does not have its own capital and so therefore there is no investment policy. As all of the funding is currently is provided by the founder, the charity does not actively fundraise though this may be considered in the future.

The Trust may set aside income as a reserve against future expenditure but only in accordance with a written policy.

The reserves of £70,155 (2017:£26,946) at 31st March 2018 were unrestricted in nature and the bank balance at that date was £48,877 (2017:£19,814).

Grant commitments at the balance sheet date of £4,266 (2017:£14,946) have been recognised in the Statement of Financial Activities this year.

The trust has a small number of works of art, which have been donated by artists and organisations that it has supported.

Expenditure on grant making, furthering the aims and objectives of the charity, from 1st April 2017 to 31st March 2018 totalled £30,114 (2017:£98,420):

Anidan	£ 5,000

OBJECTIVES AND ACTIVITIES:

The charitable purpose for which The African Arts Trust has been established is the benefit of the public through the advancement of African arts in all their various visual forms and media, the advancement of education including the appreciation of African arts and any other lawful purpose under the Charities Act 2006 and any amendment thereof.

The mission of The African Arts Trust is to act as a catalyst for the emergence and growth of locally managed and sustainable contemporary art organisations in Africa.

The aims of the charity are to support a wide range of projects with an emphasis on grass roots organisations that support professional practicing artists trying to make a livelihood in the visual arts.

The objectives for the year are shaped by these aims and the type of applications received.

Details of partner organisations and the projects the Trust has supported are made available on the website.

ACHIEVEMENTS AND PERFORMANCE:

From 1st April 2017 to 31st March 2018, grants have been made/committed to five organisations, in accordance with the objects of the charity. In providing this support, the Trustees have had regard to public benefit guidance issued by the Charity Commission. Important arts organisations supporting emerging African artists have continued to be supported this year with new grants being made for relevant events that raise the profile of African art and artists locally and internationally. Overall the charity is receiving more grant applications as there is increased awareness in Africa of its existence.

The Trust has employed low cost marketing and social networking tools such as a Facebook page and the website to reach new potential applicants and also disseminate African art related information. These have provided valuable networking opportunities both with artistic communities and charitable organisations, whose aims overlap with ours. They have also given us a platform from which to raise the profile of African arts.

The Trusts' administrator has put in place procedures to manage the Trust's internal administration.

FUTURE PLANS

During this financial year, all grants except one were given to organisations in Africa supporting visual artists in East and Southern Africa. These grants provided core funding to support these organisations. One grant was for artists to teach workshops to young students in art and one grant to an artist to travel to an important art event in Europe.

Trustees are aware of the Commission's guidance for charities working internationally and will continue to monitor and observe published guidance and operate within it.

DIRECTORS'/TRUSTEES' RESPONSIBILITIES STATEMENT

The Directors/Trustees are required to prepare and approve financial statements for each financial year, which give a true and fair view of the state of affairs of the charity at the end of the financial year and of its excess or deficit of income over expenditure for that period.

In preparing these financial statements, the Directors/Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Directors/Trustees are responsible for:

- preparing the Directors/Trustees report and the financial statements in accordance with applicable law and regulations and in accordance with United Kingdom Generally Accepted Accounting Practice; and
- keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the charity and that enable them to ensure that the financial statements comply with the Companies Act; and
- safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities; and
- the maintenance and integrity of the corporate and financial information included on the charity's website.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE AFRICAN ARTS TRUST

I report to the charity trustees on my examination of the accounts of The African Arts Trust for the year ended 31 March 2018, which comprise the Statement of Financial Activities, the Balance Sheet and the related notes.

Respective responsibilities of trustees and examiner

As the charity's trustees (and also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act;

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, I confirm that no matter has come to my attention that gives me cause to believe that in any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006, and Section 130 of the Charities Act 2011; or
- the accounts do not accord with those records; or
- the accounts do not comply with section 396 of the Companies Act 2006 other than the requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting standard [applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 102, the Charities SORP (FRS 102), the Companies Act 2006 and Charities Act 2011.

Fund accounting

General unrestricted funds comprise accumulated surpluses and deficits on general funds. They are available for use at the discretion of the Trustees in furtherance of the general charitable objectives.

Designated funds represent amounts set aside by Trustees for a particular purpose. They form part of the charity's unrestricted funds and may be re-allocated.

Restricted funds are funds subject to specific restricted conditions imposed by the donors.

Incoming resources

Incoming resources represents income receivable during the year. They are included in the Statement of Financial Activities when the charity becomes entitled to the resources, when the trustees believe that it is probable they will receive the resources and when the monetary value can be measured with sufficient reliability.

Resources expended

Expenditure on raising funds and on charitable activities comprise direct expenditure, including staff costs, directly attributable to the activity. Where costs cannot be directly attributed they have been allocated to activities on the basis of estimated time spent by staff on each activity.

Grant making

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Volunteer help and gifts in kind

The monetary value of any voluntary help and gifts in kind received is not included in the accounts but is described in the directors/trustees report where significant.

Stock

Stock relates to accumulated works of art and is included in the accounts at market value.

Value added tax

The charity is not VAT registered. VAT incurred is therefore irrecoverable and expenditure is included with the Statement of Financial Activities at its VAT inclusive amount.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction.

Creditors and provisions for liabilities and charges (other than grant making)

A liability is recognised for the amount that the charity anticipates it will pay to settle a debt or the amount it has received as an advance payment for goods or services it must provide. A provision is recognised when:

- there is a present obligation at the reporting date as a result of a past event;
- it is probable that a transfer of economic benefit, usually in the form of cash, will be required in settlement; and
- the amount of the settlement can be estimated reliably
