# Achievements and performance

Section D	Achievements and performance
Section D Summary of the main achievements of the charity during the year	Achievements and performance The centre continues to be patronised by a variety of groups and organisations and we have had continued success in attracting new groups and activities, resulting in a higher rate of bookings. A Conversation Café held in February gave us a variety of ideas for fundraising and events. We have implemented several suggestions made by members and continue to try to provide a variety of events that would appeal across a wide demographic. Friendship club; crib; bowls; table tennis; line dancing and keep fit classes all continue and the school continues to utilise the facilities on an ad-hoc basis. This year, in particular, has seen an eclectic mixture of events, some of them never before held, which has helped us attract a diverse mixture of patrons from around the area and beyond in some cases. These have included; poetry evenings; Murder/Mysteries; Demonstrations and talks and photo competitions. The Open Gardens weekend was a tremendous success and broke all records in fundraising, this together with a hugely successful Art Exhibition at Stuston has meant we have taken over £4500 in funds, through those 2 events alone. (However the funds from Stuston will not be accounted for until the coming year). Huge thanks must go to Jane Mcclinock, Jenny Goater, and Helen Thorburn and a host of others who gave up their time and expertise in making these events so successful. The second "Picture Of Palgrave" was a success and again brought together friends from in and around the village that had not seen each other in decades. Craft Fayres, Quiz Nights, the Annual Summer Fete and the Cinema continue to be popular, and the addition of more state of the art lighting equipment this year, has ensured that the centre remains one of the premier locations for local cinema. We hope this will continue as it comes under new management. The Play in Palgrave joint project has now completed, with the installation of the cable way and carousel, and this was marked by a very succ
	The website continues to grow in popularity and the regular newsletter which compliments the Palgrave Star has proved an asset in communicating events and news to residents. I am also pleased to again report that membership continues to grow.

# Other optional information

With a new constitution and governance structure, I remain very confident in our ability to meet the challenges ahead and to continue to grow as an essential part of the community.

Toilet refurbishment is still a priority and we are awaiting quotes from a few contractors to move this forward for next year. In December we are carrying out refurbishment work on all the soffits/bargeboards and guttering, with total replacement of the ageing infrastructure with upvc units. It is costly, but will last for 20 years or more, so a worthwhile investment.

Our Events and Fundraising Sub-Committee is working well and there is a continued focus on income generation and providing unique activities. Already, plans are well under way for an exciting variety of events.

However, there is still a huge challenge in obtaining volunteers and additional Trustees to help run the centre.

Without new people to help run the centre, I can see the future being more challenging than before, we may have to seriously consider reducing our commitments in providing such a variety of events unless we get more volunteers.
