Aims and organisation

Shernhall Pre-school is a voluntary, community pre-school and a registered charitable company. It offers flexible, affordable, quality childcare and education to children and families from a diverse social and cultural mix. It is a professionally run, friendly and inclusive setting that aims to help pre-school children learn and explore their world through play and fun activities.

The Pre-school aims to:

- Promote learning through play linked to the Early Years Foundation Stage
- Provide opportunities for parents to be involved in the group
- Ensure all children have the opportunity to develop whatever their race, culture, religion, means or ability
- Reflect and value the different cultures that make up our community
- Create an environment which promotes and safeguards the welfare of children ensuring a safe and happy atmosphere for all the children to thrive
- Ensure parents feel welcome and involved in the care and education of their child.
- Ensure that all children, staff, parents and trustees have fun learning and playing together

Shernhall Pre-school is committed to the principles and practice of equal opportunities.

Activities

The principal activity of the charity is the provision of good quality, flexible and affordable childcare for children aged between 2 and 5. The pre-school complies with the requirements for the Early Years Register set out in the statutory framework for the Early Years Foundation Stage. The pre-school is open 5 days a week, term time only, from 8.30am to 3.30pm. The pre-school provides a range of childcare options including sessional, full day care and lunch club. The pre-school is based on Shernhall Street in the heart of Walthamstow. It rents premises from Our Lady and St George's Church, although it is not affiliated to the church. Shernhall Pre-school provides care for 35 children who live in areas of high deprivation as identified by the IDACI data (Income Deprivation Affecting Children Index 2010). Many of these children have additional support needs (autism, etc). In addition, we have 26 places available for '2 year olds' (who benefit from 15 hours of free childcare grant) directly referred by the local authority due to socio economic and other needs (child at risk register, additional support needs). The pre-school has seen an increase in 2 year old places. The local authority has widely acknowledged that these '2 year old children' often start pre-school education with identified delays in sensory, motor, communication and personal development compared to that of their peers.

Summary of the main achievements during the period

- Shernhall Pre-school staff have continued delivering weekly music sessions for children. The programme is open to all the Children that attend pre-school and is the legacy from the successful 'Waltham Forest Sound Foundations'. There is an emphasis on personal and social development, building confidence in participating in a group situation and as an individual. Music sessions contain a variety of activities e.g. songs and rhymes, encouraging competency in speaking and listening skills, beat and rhythm, structured and free dance, playing instruments (egg shakers, rhythm sticks, etc.) and aspects of numeracy and encouraging accurate counting, grouping and sequencing.
- The pre-school has continued to develop and train staff in all areas related to Early Years provision to ensure we maintain a team of well trained highly skilled staff.
- Shernhall Pre-school has again seen an increase in the number of children with Special and Educational Needs attending our setting. Our Special Education Needs Co-ordinator (Kay Sullivan) and the staff team have worked extremely hard to ensure that these children (and their families) access the services they are entitled to and that support is in place by the time the child starts reception. This task has become increasingly challenging and time consuming in the current climate of cuts to local authority services and budgets.
- In Sept 2017 Shernhall Pre-school began to offer 30 hour childcare places for eligible children of working parents and the pre-school signed up to the government's Tax Free Childcare scheme where eligible parents are given an additional contribution towards childcare costs.
- Shernhall Pre-school had to fund a rent increase of 4% from April 2017 which we have been able to meet by ensuring occupancy at the sessions remains high (with a healthy waiting list), the additional funding received from the local authority to support children with Special Educational Needs at the setting and reviewing our 'fees policy'.

The pre-school has a very experienced and committed staff team. Staff with 'Key Person' responsibilities are trained to Level 3 NVQ qualification, and the Play Leader and Deputy Play Leader have achieved Level 5 NVQ qualifications. The pre-school has a Family Liaison Officer in post which has helped the links between families and the pre-school. Level 2 assistants are actively encouraged and supported to achieve Level 3 qualifications.

We benefit the public by offering free FEEE funded childcare sessions. If we do not fill up the spaces with FEEE funded places, we then offer additional sessions and spaces to younger children for whom we charge a fee. The trustees try to keep the fee as low as possible to ensure our childcare is affordable whilst covering our costs for running this service. Additionally we offer a stay and play session so younger children/siblings and parents/carers can also experience pre-school and all the benefits of the early years setting.

The public benefit of pre-school education has long been recognised. The opportunity to interact with other children develops social skills and confidence while the play and other activities that take place prepare children for academic learning. Research has found that good quality pre-schools boost children's cognitive, language and social development and that children who attend one continue to benefit throughout their school life.

The Charity's policy on Reserves

The Trustees aim to hold reserves at least equivalent to 6 months operating expenditure which is approximately £170,000, this is to enable us to meet our ongoing commitments for that period should we suffer a gap in funding. The total reserves as at 31st March 2018 are £307,132, of which we have designated £140,000 for the long term development of the charity. The trustees will keep the level of reserves under review and will ensure surpluses are expended in developing the Pre-School's charitable activities.

The trustees also keep its level of risk under annual review and is satisfied that all steps are taken to mitigate these.

Approved by order of the board of trustees on 30th Natures 2018 and signed on its behalf by:
