### ANNUAL REPORT AND FINANCIAL STATEMENTS

# FOR THE YEAR ENDED 31 MARCH 2018

Page 2

The Board of Trustees has pleasure in presenting this report and financial statements for the year ended 31 March 2018.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

The unincorporated organisation was originally formed in 1949 and operated in accordance with a constitution, which was last renewed on 14<sup>th</sup> January 1998.

The Incorporated Association of the same name which was formed as a Company limited by guarantee No 8391210 on 6th February 2013 registered in England and Wales at 2, Wheatfield Road South and registered as Charity No 1151292 on 19<sup>th</sup> March 2013 took over all the assets and liabilities of the unincorporated Association with effect from 1<sup>st</sup> April 2013.

The Association's Board are the Charity Trustees, and were initially appointed by and from the General Committee of the unincorporated Association above and as named in the Memorandum of Association of the Company, and now supplemented by new Directors coopted and approved at subsequent AGMs. A list of the Trustee's/Directors and their positions and periods of service during the financial year appears on Page 2

Trustees are sought by nomination partly from the Associations sections (or groups) and affiliated organisations, partly from the general membership of the Association and by invitation to suitable applicants to fills skill gaps. The board may co-opt directors subject to vacancies which are formally confirmed at subsequent AGM's.

Board Trustee meetings are normally held monthly, between meetings day-to-day decisions are delegated to the Officers, in particular the Chairman or Secretary, but in general all decisions are taken by the Board.

The Association has continued to manage Abington Community Centre, with help and guidance from Northampton Borough Council (NBC) the main related party and freehold owners, in continuation with arrangements in force since the formation of the original Association in 1949.

As part of the Management Agreements and Lease it was a requirement that the Association become incorporated in some form, and it was decided to become a Company Limited by Guarantee. The Company is responsible for the running of the Community Centre including all finance and maintenance of the inside of the building. The Borough Council is responsible for the outside maintenance of the building.

Risk management considerations have so far been restricted to those that can be insured for, financially the Association would be covered for fire and theft etc. However the loss of the building would be a serious problem to the Association should it ever occur, and it was for that reason that previous Officers and Members built up a substantial reserve of funds with the intention of investing those monies in new buildings if and when available. The lease provides for 30 years of security, but it is now already 6 years spent and there are conditions to be met in the Management Agreement in order to retain low rents, and thus ensuring effective financial viability.

The Trustees have taken the decision that hires involving Alcohol will not normally be allowed.

### AIMS AND OBJECTIVES

The Objects of the Association are to provide to the people of Abington and the neighbourhood in an all inclusive way, with the help of local inhabitants and authorities and other organisations to maintain a welcoming place for activities of a social, educational or leisure time nature, and to improve their conditions of life. The Association provides rooms for activities to take place in. In some instances the Association runs the activities itself, or via a Group of Members (a Section), or via Other Group or Individuals to use. It organises Social activities, outings and runs a catering facility (associated with users only).

The Association directly runs a Bingo session fortnightly on a Saturday Afternoon and other social events on an occasional basis. The Associations Groups (or Sections) run a Monday Morning Acorn Mums & Tots Group, Monday Afternoon Art Group, Monday & Wednesday Afternoon Social Bowls Group, Monday Evening Photographic Club, a Monday Evening Dance fit class, Tuesday Afternoon Over 55's Group, a Tuesday night Thursday Morning and Sunday Evening Bowls Group, Wednesday Nigh Table Tennis Group, a Thursday Morning Tigers & Cubs Childminders, 24 hour Cardio on Thursday evenings and a Saturday morning Phoenix Children's Group all meeting weekly except as indicated and subject to differing out of season arrangements when some Groups do not meet.

Other regular hirers include, Christ Apostolic Church on a Sunday Morning and on the last Saturday morning, Gethsemane Miracle Ministry on a Sunday Morning and last Friday Evenings, Longini Tamil Dance Class also on a Sunday Morning, the Friends of Jesus Christ on Sunday afternoons, Presbyterian Church on a Sunday Afternoon, Faith City church on a Sunday evening, Abington Book Exchange on a Monday and Wednesday morning, Paradise Pearls Muslim Education meet at various times on Monday Wednesday Thursday and certain Saturday afternoons, Northampton Branch of Mani-ul-Qur'an on Monday's, Tuesday's and Wednesday's provide an after school Islamic class, Age Concern Keep Fit classes on a Tuesday morning, Affinity Dog Training on Tuesday and Thursday evenings, Romanian Pentecostal church on a Tuesday and Saturday Evening, The Church of Pentecost on Wednesday morning and evening, Northampton Healing Rooms on Wednesday Evenings, Dag Karate on Thursday and Saturday Afternoons, Friday morning private dance session, British Cactus Society monthly on certain Friday Evenings and Samuels Christian Nursery are spending 3 ½ daytime sessions with us until their new building is available. Other hires include Training sessions for various organisations on a weekday and Weddings, Jumble Sales, Birthday Parties, Baby Showers etc. take place on an individual basis throughout the year, mainly on Saturdays.

Spare capacity does exist; however with the arrival of new hirers, some blocks are now well filled particularly on Sunday's and Monday Afternoons, and increasingly weekday evenings.

A part time Caretaker, Cleaner, Finance Assistant and Administrator are employed, however much of the activities undertaken by the Association are of a voluntary nature. The Association needs to thank the many volunteers, including Trustees/Directors in other capacities, who by their efforts make a substantial but unquantifiable contribution to the running of the Association, much of the Associations success has been due to their efforts.

Membership has generally stabilized following a downhill trend with a number of member deaths, coupled with fewer applicants, and the additions of some new centre Groups/Sections. The age member profile is still heavily skewed to the retired age group that puts a strain on the organisation, and is causing a potential problem with volunteers to keep the Centre going in the near future leading to the recruitment of additional employees.

### **ACHIEVEMENTS FOR THE YEAR**

The above increasing list of activities means that the Community Centre has during the past year maintained a healthy number of activities, on some evening and weekend sessions most rooms are in use. However at certain other times, little or no rooms are in use, this has for some reason particularly affected Thursday and Friday afternoons and some early evening periods.

Unusually we have started having to refuse some bookings because we cannot fit them into our busy schedule, particularly on Saturdays and Sundays.

Due to the part time nature of our staff a security system was fitted which allows users access with a code during the open periods, and allows them to admit visitors from the main function rooms without having to go to the front door.

We have established a rolling decorative plan which although stalled recently, will be continuing shortly. In addition, we have replaced the flooring in the foyer and improved the wall in the middle corridor which was showing signs of damp. We have continued to maintain and keep the inside of the building welcoming.

The outside works have now been finished including protected access from the roadway and a less steep access for disabled people and a wider entrance door. The exterior has in addition received a repaint to the outside walls and doors by the Council which with the original works, which included brick like cladding to the main street elevation have further improved the external appearance of the building, thus it general appeal.

The new groups we have welcomed in the year are Gethsemane Miracle Ministry on Sunday Morning, Logini Tamil Dance Class also on Sunday Morning, Presbyterian Church on a Sunday Afternoon, Abington Book Club on a Monday and Wednesday morning, Dag Karate on Thursday and Saturday Afternoons but we have also lost some bookers including the Church of Pentecost's Sunday bookings, and also the Top Hat Theatre School and Results Education/London Professional College.

This year, as in recent years, there has been less evidence of vandalism. This has allowed us to further reduce the grills on our windows. The problems caused by a number of youths on the exterior, and particularly the roof of the building are greatly reduced, this has however not been helped by a fence to the rear of the buildings, which is relatively low and can be used by other youths to access the roof. Work continues with the assistance of the local PCSO's to establish measures to prevent access, however external works are the prerogative of the Borough Council so tripartite discussions have taken place to mitigate or eliminate the problems.

As a result of the adjoining lands on the northern and western perimeters to the building having been redeveloped for housing we are now left with on street parking only. This can cause problems when we have a lot of occupants, and we have requested the Council to provide some parking bays to formalise the situation outside the building so far without a solution. The County Council will however consider it, but only if we finance the work at considerable expense. We continue to liaise with local residents to minimise the problems, however real solutions are not under our control, but we are exploring options.

Existing users have largely been stabilized, and we are seeing a reasonable growth in bookings, particularly in the daytime, this may be partly arising from the website and better promotion online and in yellow pages. However many enquirers have we believe been put off from using the facilities due to the non-availability of off street Parking. Despite a significant number of one-off enquiries not many of them have resulted in bookings.

We have reviewed the Articles of Association and are proposing minor changes concerning representation at General Meetings.

### **FINANCIAL REVIEW**

On the 1<sup>st</sup> April 2013 the assets of the Old Association were transferred to the Company and showed a healthy unrestricted start up position of £109,209.

The sustainability of the Association was in part dependent upon the Borough Councils provision of grant funding which has now reduced to nil. We have addressing this by increasing the current occupancy rate and seeking other sources of funding. We restructured the rates of hire in the middle of the accounting year, however it is now clear that the restructured rates now need increasing

The Borough Council have done a substantial amount of work to the exterior of the building at no cost to the Association other than an agreed contribution which as yet has not been requested, and may need to be paid at a future date.

After the fifth year of operation by the company the financial position is reasonably healthy however as outgoings now exceed incomes we are using up our reserves which include grants that had previously been provided by the Borough Council not utilised in our years of surplus.

### ANNUAL REPORT AND FINANCIAL STATEMENTS

# FOR THE YEAR ENDED 31 MARCH 2018

Page 6

### **RESERVES POLICY**

The Trustees Reserves Policy includes three months running costs and provision to cover the fitting out, refurbishment and maintenance of the building. A substantial part of this reserve is set aside against future deterioration of the 1930's element of the existing building which has been improved, but remains a temporary building.

### **FUTURE PLANS**

Plans for re-development of at least part of the buildings had previously been anticipated but came to nothing. Little in the way of long term planning had been made other than to try and increase use of our facilities to make them more robust and sustainable. We are continuing to maintain what we can inside the building, using the funds built up. As part of the new arrangements we were required to produce a business plan, which contains proposals for more marketing and community development with a view to further increasing the use of the building

It is our intention to replace the Old Hall Floor soon.

We continue to meet with other Community Centres through NBC's Community Centre Forum. During the year an NBC funded partnership Grant was used in consortium with 6 other Northampton Community Centres to examine in detail the way we run the centres, in order to be more cost effective. This has allowed us to share best practise, and adjust some of our contract arrangements to reduce costs. It has also allowed us to investigate Grant funding opportunities, so far without success.

### **PUBLIC BENEFIT**

The main Public Benefit is to the citizens of Northampton, and in particular the inhabitants of Abington in providing them with facilities to perform various activities. Typical of the use of the facility is the list of activities described above. Additional specific examples are by making rooms available to selected groups at no charge, which currently includes The Friends of Abington Library, and reduced rental has been specifically agreed for various sessions, other Charities, and occasional fund raising events by individuals, or organisations for other charities for example National Citizens Service.

### OTHER INFORMATION

The Association currently has two Websites on the Internet. The most up to date Website is www.communitycentre-abington.co.uk which is maintained by HIBU and includes a special phone number and e-mail address to indicate new contacts via the Internet. Most of our enquiries are through the Website or Email or phone. We are currently building a new website which we are hoping to move to shortly. We also have a Facebook address which is AbingtonCC, which is progressing slowly.

Occasional use of the services of the husband of one of our current Trustees has been made in their capacity as maintenance worker at very reasonable rates, and we have also used the services of a former Trustee who now runs his own business.

This report was approved by the directors at a Board Meeting held on 17<sup>th</sup> October 2018, and signed on their behalf by:

Page 9

We report on the accounts of the company for the year ended 31st March 2018, which are set out on the attached pages 10 to 15.

## Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act:
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act,
- state whether particular matters have come to my attention.

### Basis of independent examiner's statement

Our examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures of the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

### Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that in any material respect, the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006;
     and
  - to prepare accounts which accord with the accounting records, comply
    with the accounting requirements of section 396 of the Companies Act 2006 and with the
    methods and principles of the Statement of Recommended Practice: Accounting and
    Reporting by Charities

have not been met; or

to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
