

The Trustees Annual Report for the **Barnetby Recreational Field Charity registration No 521892 year end 31st March 2018**, prepared by R Reddin Trustee Clerk.

Achievements for this year:

The Recreational Field Trustees saw phase 2 of the of the recreational field play parks redevelopment completed with the installation of the Toddler Park. This area was officially opened by North Lincolnshire Council Leader Cllr Rob Waltham MBE and the teddu Bears Picnic event was well attended.

Challenges for this year:

The site is well attended by may people and there are still occasional incidents of vandalism and damaged to neighbouring properties, however the Trustee works in great partnership with associated groups that use the site such as Village Hall Committee, Under 5's, Barnetby united etc, these strong links help to alleviate and identify issues when the occur.

Challenges expected for the coming year:

Fund raising to complete the final stage of the development plan, the junior area is almost complete and we hope to have the full development of the play areas completed by Summer 2018.

Plans for future years:

Once redevelopment has been completed we aim to work in partnership with the community clubs that use the recreational field to improve facilities for their organisations.
