Report of the Trustees For the year ended 5 April 2018

The Trustees present their report along with the financial statements of the Charity for the year ended 5 April 2018. The financial statements have been prepared in accordance with the accounting policies set out on page 15-16 and comply with the Trust Deed and applicable law.

Structure, governance and management

Governing document

The charity is controlled by a deed of trust and constitutes an unincorporated charity.

Manor Gospel Trust is constituted by a Deed of Trust dated 17 March 1992, amended by various Deeds and most recently by Deed of Variation dated 13 August 2014. The Trust was registered with the Charity Commission for England and Wales on 27 January 2015 under Charity Registration Number: 1160172.

Recruitment and appointment of new trustees

The Trustees who have served during the year and since the year end are set out on page 3. None of the Trustees, nor any person connected with them, received any remuneration from the Charity in the year ended 5 April 2018 (2017: £nil). One Trustee had some expenses reimbursed as set out in note 11.

Trustees are selected according to their experience in specialised fields and are expected to use that experience in furthering the objects of the Trust. Checks are made to ensure that there are no legal or other barriers to their appointment. New Trustees are nominated by the existing trustees and appointed by unanimous resolution of the Congregation. Incoming Trustees are made fully aware of their responsibilities by the existing Trustees who ensure that new Trustees read the Trust Deed and the relevant guidance for trustees published by the Charity Commission.

Organisational structure

All major decisions, including those of a financial nature are made by the Board of Trustees at their regular meetings, which are held at monthly intervals. More minor decisions may be made by individual Trustees in their particular field of responsibility. The Trustees are therefore considered to be the key management personnel.

Derek Hall is the Treasurer for the Trust.

Wider network

The Trustees maintain informal links with Trustees of similar Trusts with a view to pooling experience considered useful in pursuing the objects of the Trust and is closely connected with the Albacore Gospel Hall Trust.

The Trust is the sole shareholder of Cheviot Construction Ltd which was engaged to manage the construction of the new Gospel Hall.

Risk management

The Trustees have identified and are reviewing the major risks to which the charity is exposed and are working on establishing systems or procedures to manage and mitigate those risks. One such risk is ensuring that charity funds are kept with reputable high street banks.

Objectives and activities

Objectives and aims The Trust has the following charitable purposes:

- 1. The advancement of the Christian religion for the public benefit including by the carrying on of the service of God in accordance with the Old and New Testaments of the Holy Bible as followed by those Christians forming part of the world-wide fellowship known as the "Plymouth Brethren Christian Church (the "Brethren") whose core doctrine and whose proper practices in furtherance of some of the aspects of that core doctrine ("Faith in Practice") is summarised in the two Schedules to the New Trust Deed which is contained in the Second Schedule to the Deed of Variation dated 13 August 2014
- 2. Any other charitable purposes connected with Brethren

Main Activities

The Trust provides and maintains gospel halls for the religious activities of Christians often referred to as 'Brethren'. Details of the origins, teachings and way of life of the Brethren can be found on their website - www.plymouthbrethrenchristlanchurch.org.

Meetings held at these gospel halls include the Lord's Supper (Communion), Gospel preachings, Bible readings and Bible addresses. Depending on the particular meeting, between 30 and 300 people normally attend these occasions. During the year the main gospel hall was closed for redevelopment.

Spreading the Gospel Message

The Gospel Hall is a base from which a large number of preachers operate to spread the Christian gospel, in word and deed. Gospel tracts are provided free of charge by the Trust to such preachers. Many of them also preach the Christian gospel on the streets of Swanley, most weeks of the year.

In addition to street preaching, the trust also arranges public outreach events for the wider community at which free gospel literature is available as well as hot lunch and refreshments. This is available to anyone that wishes to attend and is advertised on the day.

Visitors

The services and meetings are attended by the regular congregation and many of the services are open to other visitors who are properly disposed. The notice board outside the Hall welcomes visitors and displays times of Gospel Preachings along with a telephone number for those seeking further information or help. Gospel Tracts, which are distributed regularly, also display this information.

Bibles and an extensive range of other Christian reading material is on display at the Hall, to which visitors are free to help themselves.

Public benefit

The trustees of Manor Gospel Trust confirm that they have complied with their duty under section 4 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance to charities on public benefit.

Report of the trustees (continued) For the year ended 5 April 2018

Objectives and activities

(continued)

The life of a Christian

The following points are an extract from Schedule 1 of the Trust Deed. They outline the way of life of the Brethren as supported by the Holy Scriptures and how it contributes to public benefit;

- 1. We seek and are encouraged to live exemplary lives in all our relationships with others in the wider community (including former Brethren), in accordance with the teachings of Holy Scripture (1 Tim 2:2)
- 2. We regularly go out from our homes to preach on the streets, to distribute Christian literature and engage with the wider community (including former Brethren) in order to present eternal salvation, available to all men by faith in Jesus Christ. (2 Tim 4:2).
- **3.** We seek as members of the public to lead Christian lives as husbands and wives, parents, children, employers, employees and neighbours. (Col 3:22-25, Col 4:1).
- 4. The preservation and protection of the family unit is fundamental and children are prized as a blessing from God. (Psalm 127:3-5). The elderly are valued members of the community, for whom both their family and the wider community are expected to care.
- 5. Holy Scripture commands us to be good neighbours to others, and deal with all other people (including former Brethren) openly, honestly and fairly and consistent with these principles, we should give our time, talents and money to assist those in need in the wider community, in so far as reasonable given our abilities and our available resources. (Matt 7:12, Matt 22:39, Eph 4:28).

Funding

The trustees take their responsibility under the Charities (Protection and Social Investment) Act 2016 seriously and have considered the implications on their activities. The Trust raises funds from within the Brethren community. The Trust does not use professional fundraisers nor does it actively fundraise from the general public and therefore the trustees do not consider it necessary to have a formal fundraising policy in place. The trustees confirm that in the current financial year there have been no complaints in respect of fundraising.

Achievement and performance

Charitable activities

The normal activities of the Trust were maintained throughout the year. During the year the new Gospel Hall was brought into use which was one of the main objectives for the year. Total costs incurred to date on this project are £18537526.

The congregation is kept regularly informed as to particular needs for funds, and other relevant matters.

Report of the trustees (continued) For the year ended 5 April 2018

Financial review

Financial position

In the year ended 5 April 2018 the Trust had a good surplus of incoming resources over resources expended. Total voluntary income received this year was £4,546,077 compared to £2,712,575 in the previous year.

During the year work continued on the site of the existing Gospel Hall to construct a new Gospel Hall and the Hall was brought into use in December 2017.

The total unrestricted funds at 5 April 2018 were £2,323,016 (2017: £4,624,358). The Trust had designated funds of £6,797,916 (2017: £NIL).

Reserves policy

The Trustees have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments.

The Trust aims to hold sufficient funds in a current account to cover day to day expenditure, plus an allowance for any urgent repairs and capital expenses that may arise.

The Trustees aim to ensure that the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure, by raising a funds appeal.

Free reserves at the year end were £2,323,016. (2017: £2922178)

Investment Policy

Funds held by the Trust are to be held in a risk free and liquid form in reputable low-risk High Street banks.

The Trustees will seek to obtain the best rate of return consistent with risk aversion.

Plans for future periods

The Trust plans to continue all the current activities which include the running of the new hall, and finishing off the works on the hall.

Report of the trustees (continued) For the year ended 5 April 2018

Statement of trustees' responsibilities

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charitles Act 2011, Charity (Accounts and Reports) Regulations and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' report to the Trustees For the year ended 5 April 2018

Opinion

We have audited the financial statements of Manor Gospel Trust for the year ended 5 April 2018 which comprise statement of financial activities, balance sheet, statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2018 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Independent Auditors' report to the Trustees (Cont'd) For the year ended 5 April 2018

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept sufficient accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 8, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Independent Auditors' report to the Trustees (Cont'd) For the year ended 5 April 2018

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditors under the Charities Act 2011 and report in accordance with regulations made under that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <u>www.frc.org.uk/auditorsresponsibilities</u>. This description forms part of our auditors' report.

Notes to the Financial Statements For the year ended 5 April 2018

1. Accounting policies

1.1 Basis of financial statements

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 as amended on 2 February 2017 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and UK Generally Accepted Accounting Practice as it applies from 1 January 2015.

The Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

The functional currency is Sterling. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 income

Donations are recognised in the year in which there is entitlement and probability of receipt and the amount can be measured with reasonable certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year.

Donated services are recognised as income and expenditure in the financial statements when organisations or individuals offer their services and support pro bono. The value of these donated services to Manor Gospel Trust is considered to be equal to market value which would be paid were the service formally procured. This includes services paid for by other trusts.

Investment income is accounted for on a receivable basis.

1.3 Expenditure

Expenditure is included on an accruals basis. Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Charitable activities comprise those costs directly attributable to the fulfilment of the charitable objects.

1.4 Governance and support costs

Governance and support costs are allocated to charitable activities on the basis of capacity used.

Notes to the Financial Statements For the year ended 5 April 2018

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Freehold land is not depreciated. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Buildings	50 years Straight Line
Plant & Machinery	10 years Straight Line
Equipment	5 years Straight Line
Fixtures & Fittings	5 years Straight Line

1.6 Investment in Cheviot Construction Ltd

The Trust holds shares in the subsidiary which are valued at cost. The majority of transactions undertaken by the subsidiary are already reflected in the accounts of the Trust through recharges. On this basis consolidated accounts for the year ended 5 April 2018 have not been prepared.

1.7 Taxation

The Trust is a registered charity and is not liable to United Kingdom income or corporation tax on charitable activities, provided income falls within the charitable exemptions and is spent on charitable purposes.

1.8 Funds

The general unrestricted fund is free for the Trustees to use for any purposes in furtherance of the trust's charitable objects.

Designated funds are those funds set aside by the Trustees for a particular purpose and are explained further in Note 10.

1.9 Financial Instruments

The Trust only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest rate. The Trust did not have any bank loans in the year.

1.10 Judgements and uncertainties

In application of the Trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other relevant factors and reviewed on an ongoing basis. Actual results may differ from these estimates.

The trustees consider the most significant judgement to be the useful economic life of 50 years over which the building is depreciated.

2. Trustees' remuneration

No Trustees received any remuneration or other benefits from an employment with the charity (2017: None).

Notes to the Financial Statements For the year ended 5 April 2018
