Report of the Management Committee

African Women Empowerment and Information Centre (AWEIC) is a voluntary organization established on the 22nd of March 2000 to support the Eritrean and other minority communities in need across the UK and abroad.

The organization's work focuses on supporting migrants, refugees and asylum seekers women in the UK

The AWEIC's Objectives as laid down in its constitution are:

1. The relief of poverty and the advancement of education.
2. The provision of facilities for recreation and leisure time occupation in the interest of social welfare

Activities for the period 2017 -2018

The organization has delivered supplementary and after school club activities that supported 25 local children and young people who were facing exclusion due to poor performance at school. The project helped them improve their achievement at school and 17 of them passed their courses.

The organisation delivered financial literacy and debt advice and training that benefited 27 local residents. This helped participants understand how the financial system works and acquired skills in debt management and debt prevention.

We have provided training for employment and employment related advice that benefited about 21 unemployed people including women. This enabled them to improve their employability chances and 11 of them have been able to secure part and full-time employment.

The organization advice and referral services supported 44 local migrants, refugees and asylum seekers in the areas of housing, health, education and benefit entitlement. This enabled them to understand the functioning of local services, make informed choices and improve their knowledge about accessing those services.

Plan for 2018-2019

1. The organization will increase its advice and referrals sessions to be able to support about 45 new refugee women and men in need of education, training and welfare entitlement.
2. We will continue to deliver more employment sessions to support local people back into work this year. We anticipate to help about 28 people over the period
3. We will continue our debt management training to help more people get out of debt, improve their finances and reduce their mental health. We planned to train about 31 people this year.
4. We will undertake more homework club activities this year to improve about 33 children's school achievement.
5. The organization will deliver health promotion activities to enable about 30 local people to improve their diet and healthy living style.

Trustees' responsibilities

Charity law requires trustees, to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the results of the company at that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any materials departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the company will continue on that basis.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable it to ensure that the financial statements comply with the charity Act.

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps and detect fraud and other irregularities.
