STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust. The charity was set up by declaration trust dated 6th April 2004.

Public benefit statement

The trustees confirm that they have complied with the duty in section 4 of the Charities Act to have due regard to the Commission's guidance on public benefit.

Organisational structure

The church is organised so that the trustees meet regularly to manage its affairs. The pastor in charge manages the day to day administration of the church and related parties.

RCCG Covenant Restoration Assembly is a member of RCCG which has parishes worldwide. The relationship is governed by an agreement for common purposes between the parishes and RCCG.

DEVELOPMENTS, ACTIVITIES AND ACHIEVEMENTS

The Trustees are particularly glad to report that the charity has been making steady progress in all spheres of its operations. It is gratifying to know that we reached out to a wider population of people from the local community and the region in the reported year.

Several activities were made available to the children in the church, couples (husbands and wives) seminar programmes to improve total well-being of families were enhanced, as well as our youth inclusive programmes in the region were hugely successful in line with our object and prayer support for the people. The provision of public Christian worship made available and indeed open to all comers has been a great source of social and spiritual support to many. We see on a weekly basis the level of comfort expressed by the church members and some of the public or new members as they prayed for in service.

Some of our activities are carried out by the many volunteers who not only willingly serve but are also able to use the platform to acquire remarkable experiences in the process; which some of them have carried into areas or jobs that they now do across the city.

On future developments, we intensified efforts to acquire a better facility for the use of the charity, and focused on building capacity by increasing our team of volunteers so that we could accommodate and serve more people.

However, drastic measures to reduce costs on outgoings were introduced. This led to reviewing the wages of our staff and re-imburements for our volunteers. Strictly applied guidelines on expenditure became necessary because income from voluntary donors were dwindling as a result of general, global, and national economic pressures.

Work is still ongoing on the new premises. We spent substantial amount of funds on refurbishment work.

RISK MANAGEMENT

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees are quite satisfied with the management of the finances to fulfil the charity objectives and developments.

Approved by the Board of Trustees and signed on its behalf by

Pastor Denis Amara, Chairman Board of Trustees (Signed)

Section C**Notes to the accounts****Note 1 Basis of preparation**

This section should be completed by all charities .

1.1 Basis of accounting

These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with* Accounting Standards;
- or Financial Reporting Standards for Smaller Enterprises (FRSSE);
- and with the Charities Act 1993.

[** except for the following].

Give details in this box if a different standard has been followed.

* -Tick as appropriate:

- if all relevant disclosures shown in the pack have been given then please tick “Accounting Standards”;
- if disclosures completed in these accounts have been restricted to those required by the FRSSE, then please tick “Financial Reporting Standards for Smaller Enterprises (FRSSE)”.

** - If no departures from the chosen standards have been made then delete these words; otherwise give details of any changes in the boxes.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year (§ except for the following).

§ if no changes have been made to accounting policies then delete these words.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years (§§ except for the following).

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> • the charity becomes entitled to the resources; • the trustees are virtually certain they will receive the resources; and • the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
