The Trustees recognise the need for different skills and resources when recruiting new trustees including what may be required due to any additional workload. Trustees are appointed for an indefinite period and must be approved by the Bible & Gospel Trust. Support is provided for trustee training when needed.

Risk Management

The Trustees confirm that the major risks to which the charity is exposed are identified by the Trustees, and are reviewed and that procedures have been put in place to manage those risks.

OBJECTIVES AND ACTIVITIES

The Trust's overall policies remained unchanged throughout the financial year 2017-2018.

PUBLIC BENEFIT

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning the future activities. In particular the Trustees consider how planned grants, gifts and loans will contribute to the aims and objectives that they have set. Throughout the year the Trust has continued to fulfil its objectives in the provision of the support of Brethren in necessitous circumstances.

FINANCIAL REVIEW

Full details of the financial affairs are set out on the pages 6 to 13. As can be seen from the SOFA, total Income and Endowments came to £483,044 for the year, all unrestricted funds. (2017: £596,256, all unrestricted funds). Total Expenditure came to £448,637 for the year, £22,284 from restricted. (2017: £484,128). This resulted in a surplus of £34,407 for the year, (2017: surplus £112,128).

Reserves

The Trustees' policy on reserves is to maintain a level of funds to cover any urgent charitable needs that may arise within the scope of the Trust Deed, based on their previous knowledge of the level of funds required. This requires funds available in a current account and reserves on notice in other accounts.

The Trust maintains a General Fund and that fund was sufficient to meet all the commitments made during the year. Payments from the fund have been made in the normal course of the charitable activities and there have been no exceptional payments. Free Reserves at 30th June 2018 were £5,788,848 (2017: £5,732,157).

Future Plans

The Trust aims to continue to fulfil its objectives. Any requests for grants or loans will be submitted to the Trust whereupon the Trustees will give them consideration in the light of (a) the Trusts aforementioned policies, (b) an application form, (c) other requests, and (d) the funds available at the time.

Investment Policy

The Charity generally maintains a policy of low risk investment regarding its funds, and most are held as deposits with the main UK banks.

One investment from the Argentine Restricted Fund is held in an unquoted Argentine company which purchased land in Argentina for development to provide a good return for the Trust. Valuations and reports from professionals in relation to the shares held in this company are monitored regularly, and the Trustees can confirm their continuing with the investment and their anticipation of substantial returns. These shares were purchased in April 2006 and are shown in the accounts at cost.

RESTRICTED FUNDS

The Argentine Fund represents donations received from all over the world to assist with the financial plight in Argentina. Generally donations are made to Charitable organisations in Argentina, with their distributions and payments being monitored by the Trustees.

The Jamaican Fund represents donations received from over the world to assist with the charitable needs in Jamaica

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

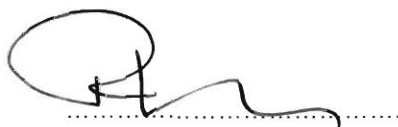

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * observe the methods and principles in the Charities SORP;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

Provision of information to Auditors: So far as each of the Trustees is aware at the time that the report is approved there is no relevant audit information of which the charity's auditors are unaware, and the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

This Report has been approved by the Trustees on 2nd March 2019

We have audited the financial statements of CHART, Central Hardship & Relief Trust for the year ended 30 June 2018 which comprise the Statement of financial activities incorporating income and expenditure account, the Balance sheet and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under 154 of that Act.

Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditors under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the charity's affairs as at 30 June 2018 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept sufficient accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended 30th June 2018

1 ACCOUNTING POLICIES

1 Basis of preparation of the Financial Statements

The Financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP (FRS102)), the Financial Reporting standard applicable in the UK and the Republic of Ireland (FRS102), incorporating Update Bulletin 1.

CHART, Central Hardship & Relief Trust meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2 Reconciliation with previous Generally Accepted Accounting Practice

In preparing these accounts, the Trustees have considered whether in applying the accounting policies required by FRS102 and the Charities SORP FRS 102 the restatement of comparatives was required.

No restatements were required

3 Cash Flow

The financial statements do not include a cash flow statement because the charity, as a small charity, is exempt from the requirement to prepare such a statement under Update Bulletin 1

4 Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

5 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either, the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executors(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. When legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

6 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction. Exchange gains and losses are recognised in the Statement of financial activities.

7 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity.

Charitable activities are costs incurred on the charity's operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such as grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to condition which have not been met at the yearend are noted as a commitment, but not accrued as expenditure.

All resources expended are inclusive of irrecoverable VAT.

CENTRAL HARDSHIP & RELIEF TRUST

NOTES TO THE FINANCIAL STATEMENTS For the Year Ended 30th June 2018

8 Liabilities and Provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the charity anticipate it will pay to settle the debt. Provisions are measured at the best estimate of the amounts required to settle the obligation.

9 Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

10 Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

11 Tangible Fixed Assets and Depreciation

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less estimated residual value, of each asset over its expected life on the following basis:

Freehold Property	2% straight line
Office Equipment	20% written down value

12 Investments

Investments are a form of basic financial instrument and are measured at cost less impairment.

13 Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

14 Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted Funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

15 Going Concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.
