TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 AUGUST 2018

Rock UK is a Christian charity that is passionate about developing young people, bringing adventure into learning in the outdoors, to transform lives. We seek to serve all people regardless of their gender, marital status, race, religion, ethnic origin, age, sexual orientation or physical and mental capability.

The annual report (which also includes a directors' report as required by company law) and financial statements have been prepared in accordance with the accounting policies set out in notes to the financial statements and comply with the charity's governing document, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

OBJECTIVES AND ACTIVITIES

The objects of the charity are to advance the Christian faith and to carry on such other charitable activities for the advancement of the Christian faith as the company may determine, and to provide educational services and facilities (including without prejudice to the generality of the foregoing the provision of instructed adventure (and other) activities).

When considering the charity's use of its facilities and planning future developments, the directors have considered the Charity Commission's guidance on public benefit and fee charging. The directors have given careful consideration to the availability of its facilities to those on low income and the charity continues to actively promote the bursary fund which was introduced in 2013.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Rock UK Adventure Centres Limited was incorporated as a company limited by guarantee on 1 April 2003 (registered number 04718891) under the name Barnabas Adventure Limited and is governed by its memorandum and articles of association. The company name was changed from Barnabas Adventure Limited to Barnabas Adventure Centres Limited in January 2006, and then to Rock UK Adventure Centres Limited in October 2009. This company is registered with the Charity Commission, number 1107724, and with the Office of the Scottish Charity Regulator, number SCO40118.

Appointment of Trustees

The directors may from time to time, and at any time, appoint any member of the company as a director, either to fill a casual vacancy or by way of addition to the board, provided that the number of trustees shall not be less than 3. All directors may nominate new members and directors to be considered for election; who are then invited to attend a board meeting for orientation and briefing on their legal obligations, the content of the memorandum and articles of association, the decision making process, the business plan and recent financial performance of the charity.

Organisation

The board of directors, which meets quarterly, administers the charity. A chief executive, who is precluded from being a member of the board under the company's governing documents, is appointed by the directors to manage all activities of the charity, and oversee staff teams who manage the day to day operations of the centres. The board decides on development, strategy, policy and finance; with meetings attended by the chief executive who is responsible for implementation. The chief executive and senior managers provide written reports to directors prior to board meetings to inform their decisions.

TRUSTEES' ANNUAL REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2018

The chief executive at 31 August 2018 was John Heasman. Key management personnel are as follows:

Chief Executive Officer

John Heasman

Centre Director

Rachel Allen

Centre Director

Malcolm Maclean

Centre Director

Lee Musson

Centre Director

Richard Sewell

......

14 L D

Head of Marketing & Communications

Mark Rowe

Remuneration for key management personnel is reviewed each year as part of the charity's annual pay review, and is referenced against benchmark remuneration in the sector.

Risk Management

The directors have carried out a review of the charity's activities, identifying the opportunities available to the charity and the risks to which it is exposed. There is a risk management plan which aims to protect the charity, its guests and staff from risks, with procedures in place to minimise impact should any of these risks crystallise. Directors carefully review risk reports at each board meeting; in particular the operational risks and associated reporting that relate to the safety and wellbeing of guests and staff.

Procedures are in place for staff training, supervision and assessment, with independent external verification; and policies in place for Child Protection and Health and Safety are regularly reviewed. Funds are allocated annually for ongoing asset maintenance and replacement, and plans are reviewed regularly to ensure facilities remain in good order and are appropriate for young people. Commercial insurance cover is maintained annually to cover public and employer's liabilities and insuring buildings and facilities for replacement value, and the organisation against loss of income.

Related Party Transactions

Directors' interests are formally recorded and reviewed annually. Any potential related party transaction is disclosed in advance of board meetings and in advance of any goods or services being procured or ordered with the related party. The potentially conflicted director is not permitted to join any related board discussion other than for the purposes of other directors' questions and clarification (though generally remains in attendance). Where a related party transaction is contemplated, the potentially conflicted board member has no vote. Where services are procured as a related party transaction, additional third-party quotes are always obtained first to ensure best value. Only at this stage would a related party transaction be authorised and only if in the best interests of the company. There were no related party transactions during the period.

STRATEGIC REPORT

1. ACHIEVEMENTS AND PERFORMANCE

The organisation was originally set up in 1922 when Sunday School teachers from London took a group of disadvantaged children away to the south coast for an activity holiday. Almost a century later, Rock UK remains true to these founding principles of Christian love and service; with the charity's vision today "to transform young lives".

The charity continues to provide accommodation and activity facilities for groups (especially young people), in an environment which is conducive to outdoor learning, physical, social and spiritual development. The charity aims to build confidence in young people from all walks of life, and over 60,000 people are able to enjoy our centres each year.

The company has a small Headquarters and four centres: two in England (Carroty Wood and Frontier Centre), Whithaugh Park in Scotland and Summit Centre in Wales. Each of our centres has Learning Outside the Classroom accreditation and is fully licensed by the Adventure Activities Licensing Service.

TRUSTEES' ANNUAL REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2018

Over 20 new instructors are recruited and trained each year. These full-time staff receive intensive training as part of our two-year Rock UK Instructor Training Programme and obtain National Governing Body awards in a range of instructed activities; including climbing, canoeing and archery. The Instructor Training Programme not only equips young people with activity qualifications; it also teaches valuable life skills such as fundraising, communication, team-work and leadership.

"The supportive family I have found in the staff here has really encouraged me to get out there and push myself both in the outdoors and in my faith."

Sarah, Trainee Instructor

During the year the major refurbishment of the charity's Summit Centre in Wales was completed. A new café and children's play area were officially opened in February 2018 by Dawn Bowden AM and Gerald Jones MP with over 1,500 members of the local community enjoying a day of free activities and a wonderful performance by the local youth Welsh choir "Only Boys Aloud". The refurbished facilities include over 100 beds in ensuite rooms, three meeting rooms, a new café and children's play area together with a community gym and fitness suite which will open during 2019.

The refurbished Summit Centre will provide much needed facilities and employment for the local community and is located in the South Wales valleys close to Merthyr Tydfil, in one of the most deprived areas of the country (source: Welsh Index of Multiple Deprivation 2015).

The development at Summit Centre has been funded by a consortium of private and public bodies including an initial grant of £2.3m from the European Regional Development Fund.

The Rock UK Bursary Fund, launched in 2013, is proving invaluable in subsidising places for children from financially disadvantaged backgrounds, allowing them to experience the benefit of residential adventure. During the last year over 500 bursary places were provided.

"The bursary helped loads. I would have struggled to pay otherwise as I've only just gone off benefits. He really enjoyed it and was very enthusiastic as he normally doesn't show emotions."

Quote from Parent of a child at Glyncorrwg Primary School, South Wales

Plans for the strategic redevelopment of the charity's Whithaugh Park centre in Scotland have progressed well during the period, with a major planning application approved by Scottish Borders Council in spring 2018. We have been running Whithaugh Park since the late 1980s, working closely with the local community and other key stakeholders.

Whithaugh Park provides valuable life-changing experiences for children and young people from the Scottish Borders region and Central Belt, as well as from areas of social deprivation in Newcastle and the North East of England. The centre's strategic redevelopment is a regionally significant project.

"This was my first visit to Rock UK with a very large group of children. The visit was well organised and the staff from the centre were amazing. The opportunities given to the children were tremendous and not something we could organise elsewhere. I would recommend Whithaugh Park without reservation to other schools and organisations. A truly wonderful place with a clear and caring ethos."

Sharon Cole, NCEA - Josephine Butler Campus

During the period the charity conducted its annual employee opinion survey to gauge staff engagement. The results showed an across-the-board improvement on the prior period; including for example 99% of staff (2017: 93%) agreeing with the statement: "I think Rock UK is going in the right direction".

TRUSTEES' ANNUAL REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2018

Rock UK continued to host a number of groups from the Government's National Citizen Service during the period with further bookings confirmed for the year ahead.

"We see a high level of investment from Rock UK staff to NCS. Their instructors are energetic, lively and really relate to our young people. Rock UK tailors a programme of activities perfectly to accommodate our needs." Matthew Handley, Programme Manager - EFL Trust (NCS provider)

During the period the charity completed an independent governance review to assess the effectiveness of the Board. The review findings were both encouraging and constructive to improve Board effectiveness further.

2. FINANCIAL REVIEW

In evaluating the financial performance and position of the charity the board carefully monitors the company's income, profitability and liquidity and compares against projected and past levels of performance.

Income for the year was £5,909,696, of which £2,872,587 was restricted income, principally grants for capital projects. Income was significantly higher this year due to these grants. Expenditure was £3,749,844, resulting in net income for the year of £2,159,852. Total funds at 31 August 2018 were £7,994,771.

The excess of expenditure over income in unrestricted funds during the period reflects the charity's commitment to keeping Summit Centre operational during the refurbishment. Following completion of the refurbished centre in summer 2018 this situation is expected to reverse with Summit Centre projected to make an operating surplus.

Reserves Policy

The Board has examined the charity's requirement for reserves, which are unrestricted funds not committed or invested in tangible fixed assets, to provide the charity with a level of operational flexibility. After paying all costs and providing for working capital the Board's policy is to reinvest any surpluses, together with all donations received, into the further development of our centres, to provide increased and improved facilities for the benefit of the users.

The trustees consider that the ideal level of free reserves should be 2 months of operating expenditure, which at 31 August 2018, would be £580,000. However, although at that date the charity had net current liabilities, the total level of unrestricted funds at that date was £7,992,851. The charity monitors and manages its cash flow requirements carefully and continues to agree facilities with its bankers to meet seasonal cash flow requirements. The trustees are focused on generating surpluses in future years in order to meet the target level of free reserves.

As at 31 August 2018, Designated Funds totalled £4,409,620. The Designated Fund was created in 2015 to reflect the significant investment at the charity's Summit Centre in Wales between 2015 and 2018. At 31 August 2018, Restricted Funds totalled £1,920.

The charity's commitment to keeping Summit Centre operational during the refurbishment has had a short-term adverse effect on the charity's unrestricted financial performance during the period. However, following completion of the refurbished centre in summer 2018 this situation is expected to reverse with Summit Centre projected to make a future operating surplus. As at the date these accounts were approved, the current year unrestricted financial performance of the charity is favourable in comparison to the period of these accounts.

3. PLANS FOR FUTURE PERIODS

The charity continues to introduce new activities and upgrade equipment, ensuring that the first-class service and experience that Rock UK provides is maintained. The directors continue to carefully identify and assess potential opportunities to acquire and develop new centres.

TRUSTEES' ANNUAL REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2018

The most significant development for the next period will be progressing the strategic redevelopment of the charity's Whithaugh Park operation in Scotland in 2019.

The charity also plans to open a community gym and fitness facility at Summit Centre in South Wales and to raise funds to install a new high-ropes and zip-wire course at Frontier Centre in Northamptonshire for which planning consent was obtained during the period.

RESPONSIBILITIES OF TRUSTEES

The directors (who are also trustees of Rock UK Adventure Centres Limited for the purposes of charity law) are responsible for preparing the Trustees' Annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the directors are required to:

- · select suitable accounting policies and then apply them consistently;
- · observe the methods and principles in the Charities SORP;
- · make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITORS

Each of the persons who are directors at the time when this directors' report is approved has confirmed that:

- · so far as that director is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- · that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the charity's auditors in connection with preparing their report and to establish that the charity's auditors are aware of that information.

AUDITORS

Griffin Stone Moscrop & Co were the auditors of the charitable company throughout the year. A resolution to reappoint Griffin Stone Moscrop & Co, Chartered Accountants and Statutory Auditors, as auditors will be proposed at the Annual General Meeting.

This Annual Report and the Strategic Report contained therein were approved by the directors on 29 January 2019 and signed on their behalf, by:

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES AND MEMBERS OF ROCK UK ADVENTURE CENTRES LIMITED

OPINION

We have audited the financial statements of Rock UK Adventure Centres Limited ('the charitable company') for the year ended 31 August 2018 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2018, and of
 its incoming resources and application of resources, including its income and expenditure, for the year
 then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditors' responsibilities for the audit of the financial statements' section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to vou where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Annual Report, other than the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES AND MEMBERS OF ROCK UK ADVENTURE CENTRES LIMITED (continued)

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report (incorporating the Strategic Report and the Directors' Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Responsibilities of Trustees statement set out on page 7, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditors under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES AND MEMBERS OF ROCK UK ADVENTURE CENTRES LIMITED (continued)

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

USE OF OUR REPORT

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2018

1 ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared to give a "true and fair view" in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 and regulations made under those Acts.

Rock UK Adventure Centres Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

1.2 COMPANY STATUS

The charity is a company limited by guarantee. The members of the company are the directors named on page 2. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

1.3 FUND ACCOUNTING

General funds are unrestricted funds which are available for use at the discretion of the directors in furtherance of the general objectives of the charity and which have not been designated for other purposes

Restricted funds are funds which are to be used in accordance with specific instructions imposed by donors which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. Grant monies received for specific purposes are reported in the statement of financial activities for the year. Where such funds give rise to an enduring asset the capitalised value is transferred to general funds or designated funds as is relevant in recognition of where the asset being funded by the grant is recorded.

Designated funds comprise unrestricted funds that have been set aside by the directors for particular purposes. The aim and use of each designated fund is set out in note 16 to the financial statements.

1.4 INCOME

All income is included in the statement of financial activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income from donations and legacies as disclosed in note 2 is reported in the statement of financial activities during the year in which income is received, subject to any conditions having been satisfied.

Income from grants as disclosed in note 2 is reported in the statement of financial activities during the year in which income is received or grant monies have been claimed once all conditions have been satisfied.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2018

1.4 INCOME (CONTINUED)

Income from charitable activities as disclosed in note 3 are reported in the statement of financial activities in the year to which the corresponding services are delivered. As a result, deposits invoiced in advance that relate to future periods are recorded as deferred income.

1.5 EXPENDITURE

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Expenditure on raising funds is that incurred in seeking voluntary contributions and does not include the costs of disseminating information in support of the charitable activities. Governance costs are those costs incurred to ensure compliance with constitutional and statutory requirements.

1.6 TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are stated at cost less depreciation. The value below which fixed assets are not capitalised is £1,000. Depreciation is provided at rates calculated to write off the costs of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold land Not depreciated

Freehold buildings and improvements 2-10% straight-line on cost
Leasehold buildings and improvements Over remaining length of lease

Plant & equipment 5-25% reducing balance

Motor vehicles 25% reducing balance

Computer equipment 33% reducing balance

1.7 LEASING AND HIRE PURCHASE

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the charity. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the statement of financial activities so as to produce a consistent periodic rate of charge on the net obligation outstanding in each period.

1.8 STOCK

Stock is included at the lower of cost or net realisable value.

1.9 DEBTORS

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2018

1.10 CASH AT BANK AND IN HAND

Cash at bank and in hand represents liquid cash only.

1.11 CREDITORS AND PROVISIONS

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.12 FINANCIAL INSTRUMENTS

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsquently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest rate method.

1.13 OPERATING LEASES

Rentals payable under operating leases are charged in the statement of financial activities on the straight line basis over the terms of the leases.

1.14 PENSIONS

The charity operates a defined contribution pension scheme and in May 2014 additionally joined the National Employment Savings Trust (NEST).

The pension charge represents the amounts payable by the charity to the fund and to NEST in respect of the year.

The bank loans and overdraft in notes 13 and 14 are subject to interest and secured by a fixed charge over some of the charity's freehold properties. The properties used as security had a net book value of £3.7 million at the balance sheet date.

Other taxes and social security costs at 31 August 2017 does not include any VAT payable, as the Company had recoverable VAT relating to the capital costs of the company's Summit Centre refurbishment at that date. An amount of £82,467 recoverable VAT was included in debtors at that date.

Deferred income represents the value of invoiced bookings at the year end relating to future years. The movement in deferred income has been recognised in the statement of financial activities for the current year.

Lease compensation relates to a 25-year lease granted to the company from April 1998 on premises at its Frontier Centre from Northamptonshire Association of Youth Clubs (NAYC), who in consideration for such lease constructed two buildings on the site. The company had the option to prematurely terminate the lease and obtain the freeholds, and elected to do so with effect from January 2004. As a result of terminating the lease the company became liable to pay compensation to NAYC totalling £519,156 over a nineteen year period to December 2022.

Other creditors and accruals includes an amount of £165,894 (2017: nil) in respect of the completed works at Summit Centre, of which £59,775 is a retention sum not payable before July 2019.
