Emu Music: Our purposes and activities

The purposes of the charity are: To advance the Christian religion in the United Kingdom for the benefit of the public through the holding of Worship Services, lectures, production and distribution of Christian literature and music, and to enlighten others about the Christian religion.

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance on public benefit and fee charging. Emu Music relies on donations, grants and the income from conference fees and sale of sheet music and audio resources to cover its operating costs. In setting the level of conference fees, the trustees give careful consideration to the accessibility of those events to those on low incomes and to enable access by other charitable organisations.

The strategies employed to achieve the charity's aims and objectives are to:

- present a series of conferences around the UK for the training of church musicians;
- offer opportunities for musicians, composers, sound operators to develop the exercise of their creative gifts through workshops and lectures;
- provide resources at low or no cost to religious organisations and individuals to enable vibrant contemporary corporate worship, and to help encourage a culture in which different age ranges and musical skills play a significant role in corporate worship.

In the past year, we held and contributed to regional church music ministry conferences in Keswick, Sydney, Gold Coast, Perth, Melbourne (Australia), Newcastle, London, Kuala Lumpur (Malaysia), Singapore, Oxford, Bristol and Eastbourne. Each event combined hands-on training in church musicianship, musical leadership and song writing.

The following year we will be providing similar events in Keswick, Sydney, Newcastle, Adelaide, Gold Coast and Tasmania (Australia), Basingstoke, Edinburgh, Leipzig (Germany), Bristol, Westbourne, Oxford, Houston and Dallas (USA),

In this year we produced two new music albums, one aimed at youth, and distributed sheet music and audio of new worship material from Emu Music. To those churches and individuals signed up to our EmuPlus program we distributed sheet music free of charge.

The following year will see us create and produce two further albums: one aimed at youth and another on general congregational songs.

Financial Review

Reserves are needed to bridge the gap between the spending and receiving of resources and to cover unplanned emergency costs and other expenditure. The trustees consider that the ideal level of reserves as at 30th June would be £10,000.

The actual cash reserves were £4,044 which is largely attributable to us working to reduce the negative equity balance, which now stands at £10k – a reduction of £10k in the year. It is our aim to reduce this further in the following year, so we will continue to look to resetting conference fees at a level which better reflects our conference costs whilst balancing affordability for low income and other charitable groups. Furthermore, we are working on growing a network of donors, (from individuals and organisations who have benefitted from Emu's activities) to ensure larger profits.

Structure, Governance and Management

Governing Document

Emu Music Ltd is a company limited by guarantee governed by its Memorandum and Articles of Association dated 11 February, 2008. It is registered as a charity with the Charity Commission.

Appointment of trustees

As set out in the Articles of Association the chair of the trustees is elected by the other trustees. Three trustees are elected annually by the members of the charitable company attending the Annual General Meeting and serve for a period of one year.

All members are circulated with invitations to nominate trustees prior to the AGM advising them of the retiring trustees and requesting nominations for the AGM. When considering co-opting trustees, the Board has regard to the requirement for any specialist skills needed; in particular: finance, theology, church music, business and marketing.

Organisation

The board of trustees, which must have minimum of 3 members, administers the charity. The board meets quarterly and sets direction on project and organizational development, membership, and finance. An Executive Director is appointed by the trustees to manage the day-to-day operations of the charity. To facilitate effective operations, the Executive Director has delegated authority, within terms of delegation approved by the trustees, for operational matters including finance, employment and artistic and theological content of resources and events. We have a small but dedicated team of volunteers at each event location who enable the smooth running of events.

Note 25 Fair value of assets and liabilities

25.1 Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.

We have a small exposure to credit risk, which we manage by working hard on our customer relationships, making our sales terms clear and maintaining credit limits. We also have a small exposure to liquidity risk, which we manage by constantly reviewing event pricing and marketing, and working to schedule events throughout the year.

25.2 Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.

At the end of the year, our debtors had been reduced by £9,000, which we believe is largely due to being more alert to customer payments.

Note 26 **Events after the end of the reporting period**

Please complete this note where events (not requiring adjustment to the accounts) have occurred after the end of the reporting period but before the accounts are authorised which relate to conditions that arose after the end of the reporting period.

Independent Examiner's Report to the Trustees of Emu Music Ltd

I report to the charity trustees on my examination of the accounts of the charitable company for the year ended 30 June 2018.

Responsibilities and basis of the report

As the charity trustees of the charitable company (and also its directors for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination, I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
