Chair's Report

The year to the end of December 2018 has been a particularly successful one for the Hall. The trustees, who I give many thanks to for their continuing support, have overseen a number of significant new activities in the Hall along with some successful development work making the Centre an ever more attractive venue for one-off or regular bookings or for long term use of some rooms in the Hall. We were pleased to continue our work with the Forest Community Media, Frankie Fit, the Forest Fighting Fit Boxing and Fitness project and Glocat. We also had regular bookings from groups such as the Twirlers as well as continuing with helping local residents with car parking. In addition we have had regular support from the Wesley Players who provide an annual pantomine. We have had many new refurbishments including the area normally used by Forest Fighting Fit. Many thanks to CISWO for their support.

Treasurers Report

Our policy of renting out space in the building continues to have major benefits in offsetting Hall costs. The Community Media contribute £250.00 per month plus extra to cover the utility bills and the Fighting Fit make further payments of almost £490 per month. The Wesley Players paid £1200 in January when bookings are lower. Coupled with residents parking charges, Club and activity weekly bookings, parties and other events have given the Hall a revenue income of appriximately £40,000. These monies have enabled the Hall to both continue to run effectively and make some significant infrastructure improvements. We continue to monitor costs carefully and have maintained a healthy current account balance throughout the year.

Reserves Policy Statement

The trustees confirm that no formal reserves policy has been adopted but that they will seek to maintain sufficient financial reserves to enable the proper settlement of any debts incurred in running the charity and hold, if possible, sufficient cash reserves to enable the running of the charity for a period of 6 months. We have assessed the likely financial risks to the organisation.

How are we Meeting our Charitable objects?

1. by the provision of facilities for the inhabitants of Cinderford and surrounding villages by :-

booking in Dancing, Fitness, Self-Defence, Forrest Community Media, Wesley Players and Baton Twirling groups holding events, bingo sessions and private parties staging regular weekend music events hosting meetings and charity events providing car parking for local residents providing facilities for the provision of local services including Forest of Dean District Council.

2. by holding the land in trust – the land and building continue to be held in trust by the Official Custodian

Public Benefit Statement

Trustees confirm that they have taken due notice of the guidance published by the Charity Commission in regards to the public benefit when reviewing the aims and objectives of the charity and in planning the activities.

Specifically they have, during the year to December 31st 2018, continued to provide a public meeting place for the Cinderford and the surrounding villages and to promote entertainment and the use of the facilities for a the use of formal and informal groups. These activities are provided to all irrespective of age, ability, faith, gender, sexual orientation, race, political view or any other belief, condition or trait. Furthermore the land will continue to be held in trust for the ongoing realisation of the charity's objects.

Trustee Recruitment and Induction Statement

Trustees shall be elected by votes cast by those eligible to do so at the Annual General Meeting or be co-opted by the Management Committee at some other time provided the total number of trustees does not exceed the maximum number allowed. Prospective trustees shall put forward details of their potential contribution to the running of the charity and be appropriately proposed and seconded. Support for new trustees will be given by the provision of a pack containing details of the charity, records of meetings held in the past year and, if required, appropriate training to enable the new trustee to fulfil their role to the benefit of the charity and its beneficiaries.

ACCOUNTANT'S REPORT TO THE TRUSTEES OF CINDERFORD WELFARE CENTRE

I report on the accounts of the Charity for the year ended 31st December 2018 which are set out from pages 8 to 12.

Respective Responsibilities of Trustees and Accountant

The trustees are responsible for:

The preparation of the accounts.

The trustees consider that an audit is not required for this year It is my responsibility to:

Examine the Accounts under the Charities Act 2011 and its subsequent Amendments To follow the procedures laid down by the Charities' Commission. To state whether particular matters have come to my attention

Basis of Independent Examination

The examination included a review of the accounting records kept by the trustees and a comparison of the accounts presented with these records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures I undertake do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Accountant's Statements

In connection with my examination, no matter has come to my attention:

Which give me reasonable cause to believe that, in any material respect, the requirements:to keep proper accounting records; to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Charities Act 2011 and its subsequent Amendments have not been met;

or

To which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
