

We agreed to continue to provide support to the Raphael Centre in Grahamstown, RSA which fulfilled our aims of combatting the HIV/AIDS epidemic in the Grahamstown area. We were able to forward funds as a result of regular donations from many faithful supporters and the proceeds of a very enjoyable wine tasting evening at Cheltenham college ( which benefited from the generosity of the College ,Cricket festival organisers and donations of food and discounted wine from local suppliers ) .

We were also able to encourage gifts from other sources and the Centre again received a substantial gift from the strenuous activities of Club Peloton .

Examination of the Centre's website -[info@raphaelcentre.co.za](mailto:info@raphaelcentre.co.za) will reveal the excellent work it undertakes ,notwithstanding financial and administrative challenges .

We keep in close contact with the Centre and it's new manager Anne Lofflier.

The challenges of fund raising increase but we know that even small amounts are put to good use and mere words of encouragement are much appreciated.
