6. Report of the Trustees for the year ended 1 August 2018

The Trustees are pleased to present their report, together with the financial statements of the charity, for the year ended 1 August 2018.

The information in respect of the Trustees and advisors are set out on page 1 above. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

B STRUCTURE, GOVERNANCE AND MANAGEMENT

7. Constitution

By the Metropolitan Borough of Finsbury Act 1901, it was enacted that the charitable monies of the Ancient Parish of Clerkenwell should become the responsibility of two separate bodies: The Clerkenwell Charity Trustees and The Clerkenwell Church Trustees (the Church Trustees). This charity represents the holding of charitable monies by the Church Trustees.

The Church Trustees were established to manage several charities established for the benefit of St James' Church, Clerkenwell and St James' Church, Pentonville. St James' Church, Pentonville was subsequently closed and the income received by the trustees is now utilised for the benefit of the religious and other charitable work of the Parish of St James, Clerkenwell.

The governing document of the charity is a lease dated 17th August 1792, as amended in 30th June 1950 and again on 2nd December 1955 and 18th January 2012.

8. Objects

By a Report dated 22 May 1897 to the Charity Commission regarding Educational Charities and the Parish of Clerkenwell and further by the Report and Digest of Charities in the Parish of Clerkenwell, issued on 12 March 1898 by the Charity Commission, the object of the Trust is stated to be to use the income to repair and maintain the two Churches, identified above. There is only now the one church building, St James Clerkenwell.

At the date of the Charity Commission Report the Charity was charged with not only the repairs, but the payments relating to insurance, water rates, and repairs to clock and heating apparatus at Clerkenwell.

9. The Governance Structure of the Charity

The Trustees are comprised of the Vicar and two Churchwardens of St James Clerkenwell, who hold office ex officio. A new Trustee is necessarily a Churchwarden or a new Incumbent. This procedure will continue and the work and needs of the Charity will be explained to those appointed as Trustee so that they are able to be aware of the activities of the Charity in a way that enables them to fulfil their duties and obligations.

Administrative work in connection with its income and capital, liaison with the Charity Commission and outside bodies and requests for monies by the Church are handled by the Clerk and carried out through him and his staff, after consideration and agreement by the Trustees.

Trustees are encouraged to take up opportunities for relevant trustee training and the Clerk will provide briefing papers from time to time on relevant developments in the sector.

10. Risk Management

The Trustees have identified and reviewed the major risks to which the Charity is exposed, systems are in place to mitigate those risks. For example, the Charity makes use of professional advisors (who carry liability insurance). A strict two signature cheque signing regime is currently in place.

11. Objectives & Activities

The objective of this Charity is to grant aid the repair and maintenance of the St James' Clerkenwell Church Building ("the Church") and to support the work of the Parish, so far as its means allow.

12. Achievements & Performance

The measurement of achievement is by reference to the level of assistance for maintenance and repair the Charity has been able to give during the year. In the year ended 1 August 2018 the Charity had a total income from investments of £29,067 (2017: £28,089). A grant of £35,000 for maintenance and repairs were made to the Church during 2018 (2017: £30,000).

The Trustees confirm that the assets are available to fulfil the obligations of the Charity.

13. Investment Policy

The Charity's powers of investment are governed by the Trustee Act 2000. The permanent endowment is held in investment funds to generate income and capital growth. In the past, some income has also been reinvested which is held in additional income generating investment funds.

The Charity has permanent endowment valued at £745,045 and an unrestricted fund of £277,912 as at 1 August 2018.

14. Reserves Policy

The Charity's policy is to retain incoming generating investments and distribute the income earned by them to St James's Church in pursuit of its charitable goals.

15. Public Benefit

The Trustees have considered the public benefit guidance issued by the Charity Commission. It was noted that a charitable organisation must be able to demonstrate that its aims are for the public benefit and that there must be compliance with two principles:

15.1 The first principle is that there must be an identifiable benefit or benefits. As a grant making charity this Charity has clear purposes, which it fulfils through its grant making programme. The benefits are identifiable in the economic relief experienced by the grant beneficiaries. The Church Trustees are able to identify clearly what the benefits are of the grant making, how those benefits relate to the aims of this charity and to be as confident as they can be that there is no imbalance between delivering the public benefit and any potential detriment or harm.

15.2 The second principle requires that the benefit must be to the public or a section of the public. The appropriateness of the beneficiary to the aims of this charity are self-evident. All who benefit from the work of the Church, benefit from the support it receives from the Charity. Private benefit is unlikely to be an issue in the grant making activities of this charity, but the Trustees are aware of the need to keep an eye open for this risk.

This report already contains a summary of the objects of this charity, a summary of its main activities and a record of its achievements in relation to its objects by reference to grant making.

The Trustees are aware that the Charities Act 2006 brought in an obligation to require trustees to report on the charity's public benefit. The above section is intended to meet that requirement. The Trustees are aware that when planning the Charity's activities they must have regard to the Commission's guidance on public benefit. They confirm that they have had such regard.

16. Plans for the Future

The Trustees intend to continue to fulfil the objectives of the charity by playing their part in seeking to ensure that any repairs of the Church are carried out, when necessary, and the Church is appropriately maintained.

There are no material uncertainties that cast significant doubt on the charity's ability to continue as a going concern.

17. Accounting Policies

Income – investment income is recognised when received.

Expenditure – running expenses accounted for when payable. Any amount committed to but unpaid at 1st August is shown as a creditor in the balance sheet. Grants to St James’s Church are accounted for when paid, or when awarded, if that award creates a binding obligation.

Fixed Asset Investments – initially recognised at their transaction value and subsequently measured at fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Cash flow statement - the financial statements do not include a Cash Flow Statement because the charity, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Charities Statement of Recommended Practice (FRS102).

18. Trustees Responsibility for Financial Statements

The Trustees are responsible for preparing financial statements for each financial period which give a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for that period. In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is not appropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to prepare the financial statements. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees’ annual report was approved on 28th May 2019 and signed on behalf of the Trustees:

There were no transactions with related parties during the year.

Independent Examiner's report to the Trustees of

The St James Clerkenwell Charity

I report on the attached accounts of the Charity for the year ended 1st August 2018 which are set on pages 1 to 10.

This report is made solely to the charity's Trustees, as a body, in accordance with section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

Respective Responsibilities of the Trustees and Independent Examiner

The trustees are responsible for preparation of the accounts. They consider that an audit is not required for the period, under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

It is my responsibility to

- examine the accounts under section 145 of the Charities Act 2011;
- follow the procedures laid down in the General Directions given by the Charity Commissioners section 145(5)(b) of the Charities Act 2011; and
- state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matters come to my attention

1. which give me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with s.130 of the Charities Act 2011 or to prepare accounts which accord with these accounting records have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
